"Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. As used in this Rider, "Secretary" means the Secretary of Housing and Groan Development or his or her designee. Lender will give Borrower notice of the new Index.

### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a resign of 1 w o percentage points ( 2 . 0 0 0 0 %) to the current index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Paragraph (D) of this Picler, this rounded amount will be the new interest rate until the next Change Date.

## (D) Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than one percentage point (1.0%) or any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate.

#### (E) Calculation of Payment Change

If the Interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

### (F) Notice of Changes
