卷之三

Problems of debt collection in the United States

There is no question that there is a great deal of debt in the United States. The amount of debt held by individuals and families is estimated at over \$1 trillion. This figure includes all forms of debt, including credit card debt, auto loans, student loans, and mortgages. The amount of debt held by businesses is also significant, estimated at over \$2 trillion. This figure includes all forms of business debt, including accounts receivable, inventory, and fixed assets.

The problem with debt collection in the United States is that it is often difficult to collect. There are several reasons for this. One reason is that many people do not have the financial resources to pay their debts. Another reason is that there are many laws and regulations that protect debtors from being sued or having their property seized. A third reason is that there are many different ways to collect debt, and it is not always clear which method is best.

In addition to the legal issues involved in debt collection, there are also ethical issues. For example, it is generally considered unethical to use aggressive tactics to collect debts, such as threatening to sue or to garnish wages. It is also considered unethical to collect debts from minors or disabled individuals.

Overall, the problem of debt collection in the United States is complex and multifaceted. It requires a combination of legal knowledge, ethical judgment, and practical experience to effectively manage.

(a) A sum equal to the ground rents, if any, next due, plus the premiums that will be become due and payable on articles of hire and other hazards and insurances, less the expenses and premium, boxes and assessments due on the mortgaged property (all as determined by the number of months to elapses before or on which it is required to be paid), plus such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by all sums freely given thereto divided by the number of months to elapses before or on which it is required to be paid to pay said ground rents, premiums, taxes and assessments due and assessments.

Privege is reserved to pay at any time, without premium or less, the entire indebtedness of any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Payment must be made on the date received. Partial payment, other than on an "as needed" basis, need not be credited until the next following statement due date or thirty days after such payment is made.

It is expensivity provided, however (all other provisions of this mortgagge contrary notwithstanding), that the mortgagge shall be required to pay, interest, or removve any tax, assessment, or tax in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

Upon the request of the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagor shall agree for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments, as agreed with and at any other purpose authorized hereby were incurred in the notes shall be secured hereby, in part, with and as fully as the advance already were incurred in the note first described above. Said is to the material note or notes shall bear interest at the rate provided for in the supplemental note or notes and shall be paid monthly in equal payments for such period as may be agreed upon by the creditor and debtor. Falling to pay or fail to pay the sum or sums so advanced shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity exceed beyond the ultimate maturity of the note first described above.

In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior loan or incurmberances, other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagor may pay such taxes or assessments, or sums so expended as may reasonably be deemed necessary for the proper preservation thereof, and any interest at the rate of six percent per annum so much additional indebtedness, secured by this mortgage, shall bear interest at the rate of six percent per annum, for the principal indebtedness, shall be payable thirty (30) days after demand and shall be paid out of the proceeds of the mortgage held by the Mortgagor.

To keep said promises in good repair, and not to do, or permit to be done, upon said promises, anything that may impair the value thereof, or of the security intended to be effected by virtue of this instrument; nor to suffer any loss or merchandise man or masterful man to attack to said promises; to pay to the Masteragge, or to the securitie intended to be effected by virtue of this instrument, and in such amounts, as may be required by the Masteragge.

AND SAD MORTGAGOR COVENANTS AND AGREES:

TO HAVE AND TO HOLD the above-described premises, with the appurtenances and fixtures, until the said Mortgagor does hereby expressly release and waive.

LOAN NO. 7571586

- (b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:
- I. ground rents, if any, taxes, assessments, fire, and other hazard insurance premiums;
  - II. interest on the note secured hereby; and
  - III. amortization of the principal of the said note.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good prior to the due date of the next payment, constitute an event of default under this Mortgage. At Mortgagee's option, Mortgagor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured hereby.

If the total of the payments made by the Mortgagor under subparagraph (a) of the preceding paragraph shall exceed the amount of payments actually made by the Mortgagee as Trustee for ground rents, taxes, and assessments, or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items or, at the Mortgagee's option as Trustee, shall be refunded to the Mortgagor. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, the Mortgagor shall pay to the Mortgagee as Trustee any amount necessary to make up the deficiency. Such payments shall be made within thirty (30) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee as Trustee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any credit balance remaining under the provisions of subparagraph (a) of the preceding paragraph. If there shall be a default under any of the provisions of this mortgage, resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee as Trustee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the amount then remaining to credit of Mortgagor under said subparagraph (a) as a credit or the interest accrued and unpaid and the balance to the principal then remaining unpaid under said note.

AS ADDITIONAL SECURITY for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described. The Mortgagor shall be entitled to collect and retain all of said rents, issues and profits until default hereunder, EXCEPT rents, bonuses and royalties resulting from oil, gas or other mineral leases or conveyances thereof now or hereafter in effect. The lessee, assignee or sublessee of such oil, gas or mineral lease is directed to pay any profits, bonuses, rents, revenues or royalties to the owner of the indebtedness secured hereby.

MORTGAGOR WILL CONTINUOUSLY maintain hazard insurance, of such type or types and amounts as Mortgagee may from time to time require, on the improvements now or hereafter on said premises, and except when payment for all such premiums has theretofore been made, he/she will pay promptly when due any premiums therefor. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagor will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage, or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

IN THE EVENT of default in making any monthly payment provided for herein and in the note secured hereby, or in case of a breach of any other covenant or agreement herein stipulated, then the whole of said principal sum remaining unpaid together with accrued interest thereon, shall, at the election of the Mortgagee, without notice, become immediately due and payable.

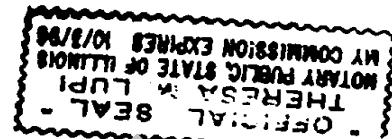

IN THE EVENT that the whole of said debt is declared to be due, the Mortgagee shall have the right immediately to foreclose this mortgage, and upon the filing of any bill for that purpose, the court in which such bill is filed may at any time thereafter, either before or after sale, and without notice to the said Mortgagor, or any party claiming under said Mortgagor, and without regard to the solvency or insolvency at the time of such application for a receiver, of the person or persons liable for the payment of the indebtedness secured hereby, and without regard to the value of said premises or whether the same shall then be occupied by the owner of the equity of redemption, as a homestead, appoint a receiver for the benefit of the Mortgagee, with power to collect the rents, issues, and profits of the said premises during the pendency of such foreclosure suit and, in case of sale and a deficiency, during the full statutory period of redemption, and such rents, issues, and profits when collected may be applied toward the payment of the indebtedness, costs, taxes, insurance, and other items necessary for the protection and preservation of the property.

IN CASE OF FORECLOSURE of this mortgage by said Mortgagee in any court of law or equity, a reasonable sum shall be allowed for the solicitor's fees of the complainant and for stenographers' fees of the complainant in such proceeding, and also for all outlays for documentary evidence and the cost of a complete abstract of title for the purpose of such foreclosure; and in case of any other suit, or legal proceeding, wherein the Mortgagee shall be made a party thereto by reason of this mortgage, its costs and expenses, and the reasonable fees and charges of the attorneys or solicitors of the Mortgagee, so made parties, for services in such suit or proceedings, shall be a further item and
