Such fees, charges and costs may be estimated as the terms to be extended after entry of the decree as Lender may deem reasonably necessary either to prosecute such suit or to extend or to bid at any sale which may be had pursuant to such decree, the true condition of the title to or the value of the Property. All expenses and expenses of the nature of this paragraph mentioned shall become so much additional indebtedness secured hereby and shall be immediately due and payable with interest thereon at the rate specified in the Note. The proceeds of any foreclosure sale of the Property shall be distributed and applied in the following order of priority: first, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in this paragraph hereof, second, all other items which under the terms hereof constitute indebtedness secured by this Mortgage, third, any surplus to Borrower, his legal representatives or assigns, as their rights may appear.

(22) **Appointment of Receiver.** Upon or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such complaint filed may appoint a receiver of the property or may appoint Lender as Mortgagee in possession. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency at the time of application for such receiver, or of the person or persons, if any, liable for the payment of the indebtedness secured hereby and without regard to the then value of the property, whether the same shall be then occupied as a homestead or not. Such receiver or Mortgagee in possession shall have power to collect the rents, issues and profits of the premises during the pendency of such foreclosure suit, as well as during any further times when Borrower, his successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the property during the whole said period. The court from time to time may authorize the receiver or Mortgagee in possession to apply the net income held by either of them in payment in whole or in part of the indebtedness and other sums secured hereby, or in payment of any tax, special assessment or other lien which may be or become superior to the lien hereof or superior to a decree foreclosing this Mortgage, provided such application is made prior to foreclosure sale. In case of a judicial sale, the property, or so much thereof as may then be affected by this Mortgage, may be sold in one parcel.

(23) **Waiver of Statute of Limitations.** Time is of the essence as to all of Borrower's obligations hereunder, and to the extent permitted by law, Borrower waives all present or future statutes of limitation with respect to any debt, demand or obligation secured hereby in any action or proceeding for the purpose of enforcing this Mortgage or any rights or remedies hereunder.
