1. To the payment of the interest from time to time accrued and unpaid on the said Note;
2. To the payment of the principal of the said Note from time to time remaining outstanding and unpaid;
3. To the payment of any and all other charges secured by or created under the said Mortgage; and
4. To the payment of the balance, if any, after the payment in full of the items hereinbefore referred to in 1), 2), and 3) to Assignor.

Assignor hereby ratifies and confirms everything that Assignee may do under or by virtue of the foregoing.

Notwithstanding any other provisions hereof, so long as there shall exist no default in the payment of the indebtedness or in the performance of any obligation, covenant or agreement herein or in said Mortgage or other instrument contained, Assignor shall have the right to collect when, but not before, due all rents, issues and profits from said Property and to retain, use and enjoy the same.

Without limiting the generality of the foregoing, this Assignment covers specifically any lease or leases demising all or portions of the following Property for the terms shown:

Concerning each lease hereinabove described, in the event that Assignor is in default under this Assignment, the Mortgage or the notes, Assignor hereby covenants and agrees to and with the Assignee that without the written consent of the Assignee first obtained, Assignor will not:

1. Cancel or terminate such lease for any reason whatsoever irrespective of how such right of cancellation or termination is obtained, or permit the cancellation or termination thereof; or accept a surrender of such lease;
2. Reduce the rent provided for in such lease; or modify such lease in any way, either orally or in writing; or grant any concession in connection with such lease, either orally or in writing;
3. Consent to any assignment of the interest of the tenant in the lease, or to any subletting thereof;
4. Accept any rent payable under the lease in advance of the time when the same is payable under the terms thereof; and any of the above acts, if done without the written consent of the Assignee, shall be null and void.

Any default on the part of the Assignor hereunder shall constitute a default of Assignor under the Mortgage.

This Assignment shall be construed as a covenant running with the land, shall be assignable by the Assignee and shall be binding upon and inure to the benefit of each of the parties hereto and their respective executors, administrators, legal representatives, successors and assigns.

The failure of Assignee or any of the Assignee's agents or attorneys, successors or assigns to make use of any of the terms, provisions, and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any of the Assignee's rights under the terms hereof, but Assignee or Assignee's agents or attorneys, successors, or assigns shall have full right, power and authority to enforce this assignment or any of the terms, provisions or conditions hereof, and exercise the powers hereunder, at any time or times that shall be deemed fit.

In accepting this Assignment, the Assignee herein does not assume nor shall it be under any obligation whatever to perform any of the covenants, undertakings or promises on the part of the Lessor to be performed under any lease which may be entered into concerning the said Property.

If Assignor shall pay all the indebtedness when or before due and shall keep, observe and fully perform all the covenants, conditions, stipulations and agreements herein contained, then this assignment shall be null and void and Assignee will, promptly upon Assignor's demand therefor, release and discharge this Assignment.

This Assignment shall be governed and controlled by the laws of the State of Illinois.
