**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term „extended coverage“ and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in amounts and for periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower and Lender's approval which shall not be unreasonable withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) consents in good faith the lien by, or defends against enforcement of the lien in, legal proceedings, which in the Lender's opinion operate to frustrate the payment of the obligation secured by the lien in a manner acceptable to Lender; or (c) secures from the holder of the lien an agreement satisfactory to Lender to take the lien off the record or to sell the property subject to the lien to Lender within 10 days of the giving of notice.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fees and impositions attributable to the property which may affect this Security Instrument, and leasehold payments, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payment.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lennder under paragraphs 1 and 2 shall be applied: first, to any principal due; and last, to any late charges due under the Note.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Paragraph 2, Lender shall agree to sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months, at Lender's sole discretion.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 1 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

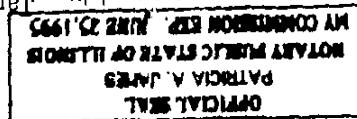

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial repayment without any prepayment charge under the Note.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural

21. Acceleration; Remedies; Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the property of the sums secured by this Security Instrument, further acceleration and the right to assess in the property of the sums secured by this Security Instrument, foreclosure of the right to accelerate after acceleration and the right to sell the property of the sums secured by this Security Instrument, further acceleration and sale of the property.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right of homestead except in the Property.

**NON-LINIFORM COVENANTS** Bottleneck and Leverage further covenant and agree as follows:

19. **Sale of Assets; Change of Lessor or a Partial Interest in the Note** (together with this Security instrument) may be sold or otherwise transferred to Borrower. The Note or a partial interest in the Note (together with this Security instrument) may be sold or otherwise transferred to Borrower prior notice to Borrower. A sale may result in a change in the entity that collects monthly payments under the Note and this Security instrument. There also may be one or more changes of the Loan Servicer under the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. **Hazardous Substances**. Borrower shall not cause to permit the presence, use, storage, or release of any Hazardous Substances on or in the property. ## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this ..... day of ..... June ..... 19.93, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to Elgin Federal Financial Center, A Federal Association ..... (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

1211 Maple Street, Lake in the Hills, Illinois 60102  
(Property Address)

The Note contains provisions allowing for changes in the interest rate. If the interest rate increases, the Borrower's monthly payments will be higher. If the interest rate decreases, the Borrower's monthly payments will be lower.

ADDITIONAL COVENANTS. In addition to the covenant and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 5.50%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the ..... 10th ..... day of ..... July ..... 19.94, and on that day of the month every ..... 12 ..... months thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an "Index." The Index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of ..... 1 ..... years, as made available by the Federal Reserve Board. The most recent Index figure available as of 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding ..... 2 ..... percentage points (..... 2 ..... %) to the Current Index. The sum will be my new interest rate.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay in full the principal I am expected to owe on the Change Date in substantially equal payments by the maturity date at my new interest rate. The result of this calculation will be the new amount of my monthly payment.

#### (D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (E) Notice of Changes

The Note Holder will mail or deliver to me a notice before each Change Date. The notice will advise me of:

- (i) the new interest rate on my loan as of the Change Date;
- (ii) the amount of my monthly payment following the Change Date;
- (iii) any additional matters which the Note Holder is required to disclose; and
- (iv) the title and telephone number of a person who will answer any question I may have regarding the notice.

### B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; however, Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good

**IN WITNESS WHEREOF,** Borrower has executed this Adjustable Rate Rider.

If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits, then: (1) any such loan charge shall be reduced by the amount necessary to reduce the loan charge to the permitted limit; and (2) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Note.

#### E. LOAN CHARGES

Notwithstanding a sale or transfer, Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has released Borrower in writing.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 18 hereof.

Uniforum Government 17 of the Security Instrument is intended to read as follows:

13. Uniform Security Instruments: Governing Law: Separability. This form of Security Instrument combines uniform covenants for national use and a uniform covenant with limited warranties by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by Federal law and the law of the state in which the Property is located. In the event that any provision or clause of this Security Instrument conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument and the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Note are declared to be severable.

Uniform Convention 13 of the Security Instruments is amended to read as follows:

Except for any notice required under applicable law to be given in another manner, (a) Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail to Borrower at the address of such other address as Borrower may designate in or by notice to Lender as provided herein, and (b) Any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may notice to Borrower or Lender shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

Ultigorm Government 1A of the Security Instrument is amended to read as follows:
