To violate any provision of the Building Code, Fire Prevention Code or Zoning Ordinance.

Section 6-1-(B), 120.1 Unsafe Structures (Right to Deem Unsafe)

All buildings or structures that are or hereafter shall become unsafe, unsanitary, or deficient in adequate exit facilities, or which constitute a fire hazard, or are otherwise dangerous to human life or the public welfare, or which involve illegal or improper use, occupancy or maintenance, shall be deemed unsafe buildings or structures. Section 20-110 Summary Abatement

Whenever, in the opinion of an officer of the village possessing police powers, the maintenance or continuation of a nuisance creates an imminent threat of serious injury to persons or serious damage to personal or real property, or if the nuisance can be abated summarily without or with only minor damage to the item or premises which are creating the nuisance, and the continuation of the nuisance poses a substantial threat of injury to persons or property or a substantial interference with the quiet enjoyment of life normally present in the community, such officer shall proceed to abate such nuisance; provided further, that whenever the owner, occupant, agent or person in possession, charge or control of the real or personal property which has become a nuisance is unknown or cannot readily be found, the municipal officer with police power may proceed to abate such nuisance without notice.
