BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family Rider.

Security Instrument

1. CROSS-DEFAULT PROVISION. Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security instrument and Lender may invoke any of the remedies permitted by the

Rental of the Property before or after giving notice to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents of the Property shall waive any default or invalidity of the Security instrument or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security instrument are paid in full.

Borrower performs any act that would prevent Lender from exercising its rights under this paragraph.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents, funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security instrument pursuant to Uniform Covenant 7.

If Lender gives notice of breach to Borrower, (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property, (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender, or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender, or Lender's agents shall be applied first to the costs of taking control of the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receivers' bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the property, and then to the sums secured by the Security instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property if and whenever any showing as to the inadequacy of the Property as security.
