2. Definitions. In this document, the following definitions apply.
"Mortgage": This document is called the "Mortgage".

"Borrower": DONALD A. ARMSTRONG AND YOLANDA ARMSTRONG, HUSBAND AND WIFE will be called "Borrower".
Borrower's address is shown below.

"Lender": TCF BANK SAVINGS fsb will be called "Lender". Lender is a federal savings bank which was formed and which exists under the laws of the United States of America. Lender's address is 801 Marquette Avenue, Minneapolis, Minnesota 55402.

"Agreement": The CommandCredit Plus Line Agreement signed by one or more Borrower and dated the same date as this Mortgage will be called the "Agreement". Under the Agreement, any Borrower signing the Agreement has a revolving line of credit called the "Account". The Agreement allows such a Borrower to obtain Loan Advances from the Account, make payments, and obtain readvances. Under the Agreement, such a Borrower may request Loan Advances from the Lender at any time until the final due date, shown in section 3 below.

"Property": The property that is described in section 1 is called the "Property".

3. Final Due Date. The scheduled date for final payment of what Borrower owes under the Agreement is SEPTEMBER 14, 2003

4. Variable Annual Percentage Rate. The Annual Percentage Rate is the cost of Borrower's credit as a yearly rate. The Annual Percentage Rate Lender uses to figure Finance Charges will go up and down, based on the highest U.S. prime rate published daily in the Wall Street Journal under "Money Rates" (the "Index"). The Index is not the lowest, or best rate offered by Lender or other lenders. If the Index becomes unavailable, Lender will select, to the extent permitted by applicable laws and regulations, some other interest rate Index that is comparable to the Index and notify Borrower. If the Annual Percentage Rate goes up or down, the Daily Periodic Rate will also go up or down. To figure the ANNUAL PERCENTAGE RATE, we add 2.40 percentage points to the Index rate in effect the previous business day. ("Business day" does not include Saturdays, Sundays and legal holidays.) On each business day we will recalculate the ANNUAL PERCENTAGE RATE for this loan so that it is 3.40% (2.40 percentage points) above the Index published the previous business day. If the Index rate changes, however, the ANNUAL PERCENTAGE RATE for this loan will change the next business day. The beginning Index rate for this loan is 6.00% per year. The beginning ANNUAL PERCENTAGE RATE for this loan is therefore 9.00% per year, which is a Daily Periodic Rate of 0.2445%. The maximum ANNUAL PERCENTAGE RATE is 19.00%. The minimum ANNUAL PERCENTAGE RATE is 9.00%.

5. Description of the Property. Borrower gives Lender rights in the following Property:

a. The Land, which is located at (address) 6516 N. MINNETONKA AVE., CHICAGO, IL 60646. The Land has the legal description shown above in section 1.

b. All buildings and all other improvements and fixtures (such as plumbing and electrical equipment) that are now or will in the future be located on the Land.

c. All "easements, rights, hereditaments, appurtenances, rents, royalties, and profits" that go along with the Land. These are rights in other property that Borrower has as owner of the Land.

NOTICE: See pages 2 and 3 for more contract terms. The Borrower agrees that pages 2 and 3 are a part of this Mortgage.

By signing this Mortgage, Borrower agrees to all of its terms.

LEGAL DESCRIPTION:

Schedule A - Page 2 - Legal Description

Complaint No.:

UNOFFICIAL COPY

- o. That the Borrower may reinstate the Mortgage after acceleration; and
- i. That Borrower may bring suit in court to argue that all promises were kept and to present any other defenses Borrower has to acceleration.

Lender need not send the notice if the promise Borrower failed to keep consists of Borrower's sale or transfer of all or a part of the Property or any rights in the Property without Lender's written consent. If the Borrower does not correct the failure by the date stated in the notice, Lender may accelerate. If Lender accelerates, Lender may foreclose this Mortgage according to law. Borrower also agrees to pay Lender's attorneys' fees and costs for the foreclosure in the maximum amount allowed by law. Lender will apply the proceeds of the foreclosure sale to the amount Borrower owes under this Mortgage, and to the costs of the foreclosure and Lender's attorneys' fees.

24. Obligations After Assignment. Any person who takes over Borrower's right or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. If another person takes over Borrower's rights or obligations under this Mortgage, Borrower will not be released. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. Waiver of Homestead. Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the homestead exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. Condemnation. If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. Paragraph Headings. The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

6. Notice of Variable Rate of Interest. This Mortgage secures a line of credit that has a variable rate of interest. This means that the interest rate may increase or decrease from time to time, as explained in section 4.
7. Finance Charge. Borrower will pay a Finance Charge until Borrower has repaid everything owed under the Agreement. Lender agrees to charge the monthly billing cycle. The monthly billing cycle starts the first day of a month to and including the last day of that month. To figure the Finance Charge for a monthly billing cycle, Lender adds up the Finance Charges for each day, adding any new loans, advances, subsidies, and other charges. This gives Lender the right to charge the monthly billing cycle. Lender takes into account the daily periodic rate by dividing the daily periodic rate by 365 (or 366 in any leap year). Lender multiplies the daily periodic rate by the daily balance of Borrower's Account. This means that, by signing this Mortgage, Borrower is giving Lender those rights to protect Lender from possible losses that the law gives to lenders who have taken mortgages on loans. Advances begin on the day they are made.
8. Transfer of Rights in the Property. Borrower pledges to Lender subject to the terms of this Mortgage, that, by signing this Mortgage, grants and conveys the Property to Lender; and
- c. Lender has the right to mortgage, grant, and convey the Property to Lender; and
- b. Borrower gives a general warranty of title to Lender to secure the Property.
- a. Borrower owns the Property;
10. Promises of Borrower — Borrower represents and warrants that:
- b. Borrower gives some or all claims made in this Mortgage to Lender. This means that Borrower will be liable for any losses which Lender suffers because someone else than Borrower has some of the rights in the Property.
11. Borrower's Promise to Pay — The Agreement. Borrower promises to pay all amounts due on the Agreement.
12. Borrower's Promise to Pay — Charges and Assessments. Borrower promises to pay all prior mortgage, as they become due.
13. Borrower's Promise to Buy Hazard Insurance. Borrower promises to obtain a hazard insurance policy named Lender as mortgagee, and which covers all buildings on the Property, including any amounts on any prior mortgage, as they become due.
14. Borrower's Promise to Buy Flood Insurance. Anyone who buys the entire amount which is paid in full.
15. Borrower's Promise to Maintain the Property. Borrower promises not to damage or destroy the Property. Borrower also promises to keep the Property in good repair; if any improvements are made to the Property, Borrower promises that they won't be removed from the Property.
16. Lenders Right to Take Action to Protect the Property. If (1) Borrower does not keep the promises and agreements made in this Mortgage, or (2) someone (Borrower or anyone else) begins a legal proceeding that may significantly affect Lender's rights in the Property, or (3) someone (Borrower or anyone else) begins a legal proceeding in bankruptcy, to condemn the Property, or if the rate of interest that person pays under this Section is higher than the highest rate that the person would have paid under this Section, or if the rate of interest that person pays under this Section is higher than the rate that is charged as if the money had been lent against this Mortgage ends, then at the highest rate that Lender pays, plus interest on the principal, Lender may enforce its rights against the Mortgagor until the Mortgage ends. Each right that Lender has in this Mortgage, but did not sign the Agreement, then that person will not be required to pay any amount under the Agreement. However, unless the rights against this Mortgage are signed by Lender, Lender may choose to give Lender the rights in this Mortgage.
17. Lenders Rights. Any failure of Lender to enforce the rights that this Mortgage gives to Lender is a breach of this Agreement. Lender may exercise any part of this Mortgage at any time or all at once.
18. Joint Borrowers. Each person that signs this Mortgage is responsible for keeping all of the promises made by "Borrower". Lender may choose to enforce its rights against this Mortgage as an individual or against all of them. However, if someone signs this Mortgage, but did not sign the Agreement, then that person will not be required to pay any amount under the Agreement. Unless the rights against this Mortgage are signed by Lender, Lender may choose to give Lender the rights in this Mortgage.
19. Notices. Unless the law requires Lender to mail to Borrower a notice differently, or unless Borrower tells Lender differently, any notice that must be given to Borrower will be delivered to Borrower at the address shown in Section 2. Any notice will be given when it is mailed, or when it is delivered according to this paragraph.
20. Selling the Property. Borrower agrees all or any part of the Property or allow anyone else to have a lien on the Property without the Lender's written consent. This includes sale by Contract for Deed.
21. No Default Under Prior Mortgages. If there is already a mortgage against the Property, the Borrower promises that there will never be a default under that mortgage.
22. No Other Mortgages. Borrower agrees not to mortgage all or any part of the Property or allow anyone else to have a lien on the Property without the Lender's written consent.
23. Lender's Remedies — Foreclosure. If Lender requires Borrower to pay the entire outstanding balance under the Agreement before accelerating, Lender will send Borrower a written notice by certified mail which states: "Lender, [] days away, by which date stated in the notice, Lender will accelerate, and if Borrower doesn't pay, Lender will sell the property, before accelerating, and Lender may foreclose this mortgage as provided below (called "Acceleration"), and Borrower fails to make the payment when due, then Lender may foreclose under the Agreement that is mortgaged in one place." Below, however, before accelerating, Lender may foreclose this mortgage as provided below (called "Acceleration"), and Borrower fails to pay the entire outstanding balance under the Agreement that is mortgaged in one place.
- d. The date, at least 30 days away, by which date stated in the notice, Lender will accelerate, and if Borrower doesn't pay, Lender will sell the property, before accelerating, and Lender may foreclose under the Agreement that is mortgaged in one place.
- e. The promise that Borrower will take to correct that failure.
- f. The promise that Borrower will pay a warrant or warrenty that Borrower breached.
- g. The promise that Borrower may buy the Property at a foreclosure sale.
