The maturity date of this Mortgage is September 21, 1998. The interest rate under the revolving line of credit is a variable interest rate based upon an Index. The Index currently is 6.000% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 0.760 percentage points above the index, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 21.000% per annum or the maximum rate allowed by applicable law.

The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. Any amount that Lender expends in so doing will bear interest at the rate charged under the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to time to permit such participation.
