THIS ADJUSTABLE RATE RIDER is made this 7th day of October, 1993 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same data given by the undersigned (the "Rorrower") to secure Sorrower's Adjustable Rate Note (the "Note") to SIARRIS TRUST AND SAVINGS MANK

same date and covering the property described in the Security Instrument and located at:

(the "Lender") of the

1339 N. DEARBORN, UNIT #7F CHICAGO, ILLANOIS 60610

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS. In addition to the governments and agreements made in the security instrument, Borrower and Lember further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 5.750 in the adjustable interest rate and the monthly payments, as follows:

X. The Note provides for changes

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENTCHANGES

(A) Change Dates

The adjustable interest rate, will pay may change on the first day of November, 1994 and on that day every 12th month therapform. Each date on twhich my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Cate, and adjustable interest rate will be based on an index. The Mindex* is the weakly average yield on United States Tiesrury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The more recent index figure available as of the date 45 days before each Change Data is called the "Eurrent index."

Change Date is called the "Current Index."

If the Index is no longe available, the Note joider will choose a new index which is based upon comparable Information. The Note Holdon will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate by new interest rate by adding

Two and Three Quarters

percentage points 2,750 %) to the Current Index.

The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

Intil the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the ray amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date Will not be creater than 7.750 X or tess than 3.750 X. Thereafter, my adjustable interest rate will rever be increased or decreased on any single Change Date by more than Two percentage points (2.000 X) from the rate of interest I have been paying for the preceding 1 morths. My interest rate will never be greater than 11.750 X, which is called the "Maximum Rate".

(E) Effective Date of Changes

My new interest rate will become effective each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment data after the Change Date until the amount of my mon his payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate. Limits to a fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5A will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to a fixed rate calculated under Section 5(8) below.

The conversion can only take place on a date(s) specified by the Note Holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

UNOFFICIAL COPY

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that:

(i) I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S.S 250.00; and (iv) I must sign and give the Note Holder any documents the Hote Holder requires to effect the conversion.

(B) Calculation of Pixed Rate

My now, fixed interest rate will be equal to the Federal Home Loan Mortgage Corporation's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%), rounded to the nearest one-eighth of one percentage point (0.375%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%), rounded to the nearest one-eighth of one percentage point (0.125%).

If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(8) will

not be greater than the Maximum Rate stated in Section 4(D) above.
(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to one on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new resount as my monthly payment until the maturity date.
