**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of the Security Instrument or the Note without that Borrower's consent.

The Note or a partial interest in the Note (together with the Security instrument) may be sold to another entity which has acquired it in an act of reorganization, merger or consolidation.

18. Borrower's Right to Retain. If Borrower meets certain conditions, Borrower shall have the right to have securities of this Security Instrument disposed of at any time prior to the earlier of (a) 5 days (or such period as applicable law may specify for removal of equipment) before sale of the Property pursuant to any power of sale or (b) the entry of a judgment enjoining this Security Instrument. Those conditions are that Borrower pays full credit rent when we due under this Security Instrument and the Note as if no acceleration had occurred; (b) owes any default of any other obligations or agreements; (c) pays all expenses incurred in enforcing this Security Instrument; and (d) takes such action as Lender may reasonably require to secure that the intent of this Security Instrument is not violated.

## ADJUSTABLE RATE RIDER (1 Year Treasury Index - Rate Caps - Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this      11TH      day of      OCTOBER      1993, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to  
**GE CAPITAL MORTGAGE SERVICES, INC.**  
 (the "Lender" or "Note Holder") of the same date and covering the property described in the Security Instrument and located at:  
**1000 LAKE SHORE PLAZA #9B, CITY OF CHICAGO, IL 60611**  
[Property Address]

**THIS NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM ADJUSTABLE RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.**

**ADDITIONAL COVENANTS** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### **A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES**

The Note provides for an initial interest rate of **4.500 %**. The Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

### **4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**

#### **(A) Change Dates**

The adjustable interest rate I will pay may change on the first day of **NOVEMBER, 1994**, and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

#### **(B) The Index**

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### **(C) Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding **2.750** percentage points (**2.750%**) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### **(D) Limits on Interest Rate Changes**

The interest rate I am required to pay at the first Change Date will not be greater than **6.500 %** or less than **2.750 %**. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than **10.500 %**, which is called the "Maximum Rate".

#### **(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### **(F) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### **B. FIXED INTEREST RATE OPTION**

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

### **5. FIXED INTEREST RATE CONVERSION OPTION**

#### **(A) Option to Convert to Fixed Rate**

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date(s) specified by the note holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

**THE SIGNING OF THE OWN BOUTONNIERE AGREEMENTS AND AGREES TO THE TERMS AND CONDITIONS CONTAINED IN THIS ADJUSTABLE RATE**

If I under-exercised this option, I under-sold the five Borrower notes of acceleration. The note shall provide a period of not less than 30 days from the date the Borrower fails to pay these sums prior to the expiration of this period, I under-exercise my right under this Security Instrument to sell the security instrument without notice or demand for repossession.

Transferee of the Property or a Beneficial Interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (or if it is sold or transferred for its benefit) to any other person, the transferor shall not be relieved of the liability under this Agreement.

2. If the former ever exercises the conversion option under the conditions set out in Section B of this Adjustable Rate Note, the demand to be in effect, and the provisions of the Uniform Governmental Securities Act of the Security Instrument contained in Section C of the above shall prevail as in effect.

If I consider extremes, the option to require immediate payment in full, Lender shall give Borrower notice of acceleration.

In this event permitted by applicable law, Landlord may charge a reasonable fee as a condition to Landlord's consent to a loan assumption.

Transfer of die Property or a Beneficial Interest in Bottower, if all or any part of the Property or any part of the beneficial interest in Bottower is sold or transferred and Bottower is not a natural person will be sold or transferred (or if a beneficial interest in Bottower is sold or transferred and Bottower is not a natural person's prior written consent, Landor, may, in its option, require immediate payment in full of all sums secured by this Security Interest). However, this option shall not be exercised by Landor if exercise is prohibited by law as of the date of this Security Interest. Landor also shall not exercise this option if (a) Bottower ceases to be qualified to render services required by Landor to evaluate the intended transfer; (b) Landor receives notice of any change of any part of the beneficial interest in Bottower which would affect the value of the security interest; or (c) Landor receives notice of any change in the terms of the agreement of which Bottower is a party.

I understand Borrower agrees the Conversion Option under the conditions stated in Section B of this Addendum 7 of the Security Instrument is intended to read as follows:

© TRANSNISTER OF THE BROTHERHOOD OR A RESTRUCTURED FEDERATION FOR POWER

If I choose to exercise the Contingent Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Contingent Date in full on the maturity date of my monthly payment. Beginning with my first monthly payment after the Contingent Date, I will pay new amounts of my monthly payment equal to the amount I was able to pay on the Contingent Date in full on the maturity date as my new fixed interest rate in accordance with my original monthly payments. The result of this calculation will be the monthly date on which my monthly payment will be paid until the maturity date.

As of now, fixed interest rate will equal to the Federal National Mortgagae Association's required net yield of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgagae covered by application for (ii) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgagae covered by application for (iii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgagae covered by application for (iv) if the original term of this Note is 15 years or less, 15-year fixed rate mortgagae covered by application for one-percentage point (0.125%). If this required net yield exceeds the applicable information, Mortgagors are not responsible, the Note Holder will determine the interest rate by using comparable information. Mortgagors are not responsible under this Section (b) will not be greater than the Maximum Rate stated in Section (d).

If I want to exercise the Conversion Option I must first meet certain conditions. These conditions are set forth in Article 11 of the Note Holder Agreement. I must give the Note Holder notice that I want to do so fifteen days before I can exercise my right to convert the Note into cash.
