Borrower shall promptly discharge any lien which has priority over the Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in manner acceptable to Lender; (b) certifies in good faith the lien by, or delivers a general assignment of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender to subordinate the lien to the Security Instrument. If Lender deems it necessary to take any action to protect the lien which may affect other rights of the holder of the lien, Lender may give Borrower a notice demanding that Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the note.

Paragraphs 1 and 2 shall be applied first to charges due under the note, second, to attorney's fees, and third, to interest due under the note.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender; if, under Paragraph 21, Lender shall acquire at the time of acquisition or sale as a result against the estate of the Property, shall apply any funds held by Lender at the time of acquisition or sale as security instrument.

If the Funds held by Lender exceed the amount to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law, if the amount of such excess exceeds the amount held by Lender by more than twelve monthly payments, at Lender's sole discretion.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Notes is paid in full, a sum ("Funds") for: (a) Yearly taxes and assessments which may affect the Security instrument as a lien on the Property; (b) Yearly leasehold payments or ground rents on the Property; (c) Yearly hazard or property insurance premiums; (d) Yearly flood insurance premiums, if any; (e) Yearly mortgage hazards insurance premiums, if any; and (f) Any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items". Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount set forth in the Settlement Procedures Act of 1974 as amended from time to time, under the General Real Estate Settlement Procedures Act of 1974 as amended from time to time, or otherwise for Borrower's account and hold Lender in an amount not to exceed the lesser amount set forth in the Settlement Procedures Act of 1974 as amended from time to time, or otherwise for Borrower's account. (RESPA), unless another law applies to the Funds set a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. 1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

LOAN NO.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application;**  
Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or foreclosure or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the periods that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

16. Borrower's Copy. Borrower shall be given one conforming copy of this Note and of this Security Instrument.  
17. Transfer of the Property or Beneficial Interest in Borrower. If all or any part of the Property or any  
interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a  
natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all  
sums.

16. GOVERNING LAW: Security instrument shall be governed by federal law and the law of the Commonwealth of Massachusetts. The Security instrument is hereby made a part of the Note which can be given effect without the conflicting provision. To the end the provisions of this Note conflict with applicable law, such conflict shall not affect other provisions of this Security instrument or the Note.

14. Notice. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Borrower at his address set forth in the Note or in the original application for credit or in any other writing given to the Borrower by the Lender or by the Lender's attorney. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make the refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund results in a principal balance less than the principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements and shall be joint and several. Any Borrower who co-signs this Security instrument but does not execute the Note; (a) is co-signing this Security instrument only to mortgagage, grant and convey title to the Property under the terms of the Security instrument; (b) is not personally obligated to pay the sums secured by this Security instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodation with regard to the terms of this Security instrument or the Note without that Borrower's consent.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by the Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property before the taking is equal to or greater than the amount secured by the Security instrument immediately before the taking, with any excess paid to Borrower, in the event of a partial taking of the Property in which the fair market value of the Property before the taking is less than the amount of the sums secured by the Security instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing in the following fraction: (a) the total amount of the Security instrument shall be reduced by the amount secured by the Security instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by the Security instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property immediately before the taking, unless Borrower and Lender otherwise agree in writing, the value of the Property immediately before the taking, unless Borrower and Lender otherwise agree in writing, the amount of the Security instrument shall be applied to the sums secured by the Security instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by the Security instrument whether or not the sums are then due.

gives Bonmoyer notices at the time of or prior to an inspection specifying reasonable cause for the inspection. Bonmoyer, Landlord and lessee shall take reasonable steps to inspect the Property during normal business hours. Bonmoyer shall give reasonable notice to the lessee of his intention to inspect the Property. secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**22. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

**23. Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

## ADJUSTABLE RATE RIDER (1 Year Treasury Index - Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 7th day of October 1983, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Beverly Bank, an Illinois Corporation, its successors and/or assigns (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

9438 South Trumbull, Evergreen Park, IL 60842

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR THE CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 8.5000%. The Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

### 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The Adjustable interest rate I will pay may change on the first day of November 1, 2000, and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable rate will be based on an index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three / Quarters percentage points (2.750%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 8.500% or less than 4.500%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than Two percentage points (2.000%) from the rate of interest I have been paying for in the preceding 12 months. My interest rate will never be greater than 12.500%.

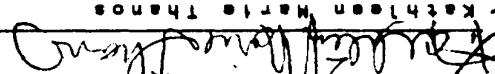

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

<b>BY SIGNING BELOW, EACH OWNER AGREES TO THE TERMS AND CONDITIONS CONTAINED IN THIS ADJUSTABLE RATE MORTGAGE AGREEMENT.</b>	

The transfer of the Property or Beneficial Interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums accrued by this Security instrument. However, this option shall not be exercised by Lender if Lender has received payment in full of the principal balance due under this Agreement and no other sums are due or payable by Borrower hereunder.
