Condition. Lender may name Borrower or otherwise agree in writing, insurance proceeds shall be applied to restoration of repair of the Property damaged, if the restoration of repair is economically feasible and Lender's security is not lessened. If the restoration of repair is not economically feasible or practicable, the insurance proceeds shall be applied to restoration of repair of the Security Instrument, whether or not due. The 30-day period will begin when the notice of loss is given to the insurance company.

shall have the right to hold the policies and renewals; If Lender requires, Borrower shall promptly give to Lender all receipts paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and

may, at Lennder's option, obtain coverage to protect Lennder's rights in the Property in accordance with paragraph /.

5. **Hazard or Property Insurance:** Borrower shall keep the improvements now existing or hereafter erected on including floods or flooding, for which Lender requires insurance coverage, and any other hazards, the property insured against loss by fire, hazards included within the term „extending coverage“, and any other hazards, including floods or flooding, for which Lender requires insurance coverage. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonable with held. If Borrower fails to maintain coverage as required above, Lender

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) commutes in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the Lender from recovering his interest in the property; or (c) secures from the holder of the lien a written agreement to divide among the Lender and the holder of the lien the proceeds of the sale of the property.

paragraphs 1 and 2 shall be stippled; first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower all amounts held by Lender exceeding the amounts permitted to be held by applicable law, less the amount necessary to make up the deficiency in such case. Any time is not sufficient when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months, at Lender's sole discretion.

The Funds shall apply the Funds to pay the Escrow items. Lender may not charge Borrower for holding the Funds, annually analyzing the Escrow account, or verifying the Escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, unless Lender may require Borrower to pay a one-time charge for an indefinite period of time, Lender may not charge Borrower for holding the Funds, annually analyzing the Escrow items, or verifying the Escrow items, unless Lender pays Borrower interest on the Funds, annually analyzing the Escrow items, and applying the Funds to pay the Escrow items. Lender shall apply the Funds to pay which each debt to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Agreement, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debt to the Funds was made.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

21. Acceleration; Remedies. Borrower shall give notice to Lender further covering any breach of any covenant or agreement prior to acceleration under paragraph 17 unless application of law provides otherwise. The notice shall specify: (a) the section required to cure the defect; (b) the date when the defect must be cured; and (c) a date, not less than 30 days from the date of the notice, by which the defect must be cured; and (d) that failure to cure the defect on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, regardless of the right to foreclose or sue for specific performance or damages. The notice shall specify: (a) the date from which the defect must be cured; (b) the date when the defect is given to Borrower; (c) the date when the defect must be cured; and (d) that failure to cure the defect on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, regardless of the right to foreclose or sue for specific performance or damages. The notice shall specify: (a) the date when the defect must be cured; (b) the date when the defect is given to Borrower; (c) the date when the defect must be cured; and (d) that failure to cure the defect on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, regardless of the right to foreclose or sue for specific performance or damages.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

18. Borrower's Right to Remonstrate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Interest delayed at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reassembly, if any) before sale of the Property pursuant to any power of sale contained in this Security Interest; or (b) entry of a judgment foreclosing this Security Interest and the Note as provided in this paragraph. Borrower will have the right to delay enforcement of this Security Interest until the date of sale if he has timely furnished the Lender with a copy of the notice of sale and the date of sale, and if he has given the Lender a reasonable opportunity to cure any deficiency in the amount of the Note.

19. Sale of Note; Change of Lender. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the new Lender under the Note and this Security Instrument. The notice will state the name and address of the new Lender and the date of the change in a space left blank on the Note. Borrower will receive written notice of the change in advance with a copy of the new Note. If there is a change of the Lender Servicer, Borrower will receive notice in a space left blank on the Note. The new Lender and the new Servicer should be made aware of the information required by applicable law.

If Lender exercises his option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed to Borrower for payment of all sums secured by this Security Instrument prior to the expiration of this period. Lender may invoke any remedies permitted by law or by this Security Instrument without further notice or demand on Borrower.

Interest in it is said to have transferred (or in a general sense) interests in Bottroper to the shareholders of the instrument. However, this option shall not be exercised by Lenard if exercise is prohibited by federal securities laws as of the date of this Security Instrument.

16. Borrower's Copy. Borrower shall be given one conformable copy of the Note and of this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument or clause of the Note is held invalid or unenforceable, such provision or clause shall be severed from the rest of the Note and the remaining provisions shall remain in full force and effect.

1A. **Notes.** Any notice to Borroower shall be given by deliverying it by mailing to his first class mail unless otherwise specified in this Note.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limit will be refunded to Borrower. Under no circumstances will the principal owed under the Note or by making a prepayment of the Note.
