B. In order to provide for the payment of taxes, assessments, insurance premiums, and other annual charges upon the property securing this indebtedness, and other insurance required or accepted, I promise to pay to the Mortgagor, a prorata portion of the current year taxes upon the disbursement of the loan and to pay monthly to the Mortgagor, in addition to the above payments, a sum estimated to be equivalent to one-twelfth of such items, which payments may, at the option of the Mortgagor, (a) be held by it and commingled with other such funds or its own funds for the payment of such items; (b) be carried in a savings account and withdrawn by it to pay such items; or (c) be credited to the unpaid balance of said indebtedness as received, provided that the Mortgagor advances upon this obligation sums sufficient to pay said items as the same accrue and become payable. If the amount estimated to be sufficient to pay said items is not sufficient, I promise to pay the difference upon demand. E. That it is the intent hereof to secure payment of said note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract.

1. *A better understanding of processes*, or to gain a better and more detailed understanding of any process as it stands, provided that any such process can be measured and its outcome assessed over time.

In order to implement the proposed framework, we need to define a set of basic primitives for the system. These primitives include: (1) **Get**: A primitive used to retrieve information from the environment. It takes as input a query and returns a response. (2) **Set**: A primitive used to update information in the environment. It takes as input a key-value pair and updates the corresponding entry. (3) **Search**: A primitive used to search for specific information in the environment. It takes as input a query and returns a list of results. (4) **Update**: A primitive used to update information in the environment. It takes as input a key-value pair and updates the corresponding entry. (5) **Delete**: A primitive used to delete information from the environment. It takes as input a key and removes the corresponding entry.

## MORTGAGE RIDER 3-9-6-ii

THIS MORTGAGE RIDER is made this 30TH day of OCTOBER , 19 93 .  
and is incorporated into and shall be deemed to amend and supplement the Mortgage of the same date, given by the undersigned to secure the Note to LISLE SAVINGS AND LOAN ASSOCIATION, the Mortgagor, of the same date.

### ADDITIONAL UNIFORM COVENANTS:

**A. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**B. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**C. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**D. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

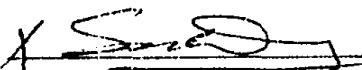

**E. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**F. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

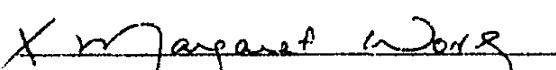

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Mortgage Rider.
