2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under Paragraphs 1 and 2 shall be applied: first, to any prepayment charge due under the Note; second, to amounts payable under Paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of the payments. If under Paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with any prepayment charge under this Note will be treated as a partial prepayment without a drudge to Borrower. If a refund reduces principal, the reduction will be made under this Note or by making a drudge to Borrower. Lender may choose to make this refund by reducing the principal owed under this Note or by making a drudge to the permitted limits and (b) any sums already collected from Borrower which exceed permitted limits will be treated as a partial prepayment without a drudge to Borrower.

12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The co-contractants and agreements of this Security Instrument shall bind and benefit the successors and assignees of Lender and Borrower, subject to the provisions of this Security Instrument.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or charge (in amount of such payments) of amortization of the sums secured by Lender. Extension of the time for payment or modification of amortization of the sums secured by Lender. Extension of the time for payment or modification of amortization of the original instrument granted by Lender to any success or interest of Borrower shall not operate to release the liability of Borrower for Borrower's success or interest of Borrower to complete prepayment of the original instrument in full. Borrower's success or interest of Borrower to complete prepayment of the original instrument in full shall not affect the liability of Borrower to pay to Lender the amounts due under this Note.

In the event of a total taking of the Security Instrument by the Borrower, the proceeds shall be applied to the sums secured by this Security Instrument before the taking is equal to or greater than the amount of the fair market value of the Property paid to Borrower. In the event of a partial taking the Property in which the fair market value of the Property paid to Borrower, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reallocated to the security interest in the remaining property before the taking, unless Borrower and Lender otherwise agree in writing, the total amount of the sums secured by the instrument shall be reallocated to the security interest in the remaining property before the taking, provided by (a) the fair market value of the fair immediately before the taking, (b) the fair market value of the following fractions: (a)

the fair market value of the Property immediately before the taking divided by the total amount of the sums secured by the instrument, plus (b) the fair market value of the Property immediately before the taking divided by the total amount of the sums secured by the instrument.

(b) the fair market value of the Property immediately before the taking divided by the total amount of the sums secured by the instrument, plus (a) the fair market value of the Property immediately before the taking divided by the total amount of the sums secured by the instrument.

10. **Commemoration.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation of any part of the Project, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

8. Mortgagor's Insurable Interest
If Lender retains title to the mortgaged instrument or marking the loan secured by this security instrument, Borrower shall pay the premiums required to maintain or continue insurance as a condition to the mortgagee retaining the instrument. Borrower shall pay the premiums required to maintain or continue insurance as a condition to the mortgagee retaining the instrument. To obtain coverage under Lender's liability equivalent to the mortgage premium previously in effect, a cost substitution equivalent to the cost to Borrower of the insurance previously in effect, from an alternative mortgagee insurable by Lender, if subsequently equivalent coverage is not available, Borrower shall pay the premium required to obtain coverage under Lender's liability equivalent to the mortgage premium previously in effect, from an alternative mortgagee insurable by Lender.

Any amounts disbursed by Lender under this paragraph / shall become additional debt of Borrower secured by Security interest in distribution at the Note rate and shall be payable, with interest, upon notice from Borrower requesting payment.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property, Lender may take action under this Paragraph 7, Lender does not have to do so.

After the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless circumstances exist which are beyond Borrower's control, Borrower shall pay damage or impairment of the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not destroy, damage or impair the Property or permanently injure it by any action or proceeding, whether civil or criminal, begun after the date of occupancy to defend or protect his or her interest in the Property. Borrower shall be liable for all costs and expenses of defending or protecting his or her interest in the Property, including reasonable attorney fees, court costs, and other expenses.
