Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any default made by the original Borrower or Borrower's successors in interest. NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

16. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at his option, require immediate payment in full of all sums secured by this Security Instrument, however, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this instrument. Lender may, at his option, require immediate payment in full of all sums secured by this Security Instrument, if a beneficiary in interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent. The notice shall provide a period of not less than 30 days from the date the notice is received by Borrower to pay the same sums prior to the expiration of this period. Lender may invoke any remedy permitted by this Security Instrument.

18. Borrower's Right to Remedies. If Borrower violates any provision, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days (or such other period as applicable law may specify for acceleration) before exercise of any power of sale contained in this Security Instrument, or (b) entry of a judgment certifying this Security Instrument. Those conditions are that Borrower: (i) pays Lender all sums which then would be due under this Security Instrument and the Note is if no acceleration had occurred; (ii) pays all default of any other covariance of acceleration; (c) pays all expenses incurred in enforcing this Security Instrument, including attorney's fees; (d) makes such action as Lender may reasonably require to assure that the loan of this Security Instrument has been paid in full; and (e) complies with all other terms and conditions of this Security Instrument.
