B Adjustment of Lessee with respect and application of Proceeds of Insurance.
In the event that all or any part of the Premises covered by such Insurance is destroyed or damaged by fire, explosion, windstorm, hail or by any other cause(s) against which Insurance shall have been required hereunder, (i) Lender may, but shall not be obligated to, make payment of loss if not made promptly by Borrower, and (ii) each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender because of (i) Borrower, and Lender is hereby made and appointed the attorney-in-fact for Borrower, which appointment is coupled with the interest herein granted and which appointment shall be irrevocable unless and until the full payment is made of all amounts due and owing under the Note, this Security Instrument, and the other Security Documents, to make any claim of loss, to adjust and compromise any claim under any insurance policy relating to said destruction or damage, to commence, appear in, and prosecute any judicial, administrative, arbitration, or other proceeding relating to said insurance claim, and to collect and receive any and all proceeds of said insurance. Borrower agrees to sign, upon demand by Lender, all receipts, vouchers, and releases required by the said insurance companies.

Lender shall have the right to apply the insurance proceeds as follows: first, to reimburse Lender for all costs and expenses, including, without limitation, attorneys' fees and court costs, incurred in connection with the collection of such proceeds; and second, the remainder of said proceeds shall be applied to restore the Premises, as nearly as possible, to its value, condition, and character immediately prior to its damage or destruction, or such other condition as Lender may, at its sole and unfettered discretion, approve; and third, any balance of such proceeds remaining to be applied to the outstanding principal balance of the Note, any reduction in such principal occurring as a result of the application of the casualty insurance proceeds shall be at par. In any event, the unpaid portion of the indebtedness created by this Mortgage shall remain in full force and effect and Borrower shall not be excused from the payment thereof and any reduction in the indebtedness created hereby resulting from Lender's application of any such payment will take effect only when Lender actually receives and applies such payment.

Anything else in this sub-paragraph to the contrary notwithstanding, if (i) Borrower, or its tenant, is obligated to restore or replace the damaged or destroyed buildings or improvements under the terms of any one or more Leases, (ii) such damage or destruction does not result in cancellation or termination of said Lease, (iii) the Insurers do not deny liability as to the Insurer, and (iv) said proceeds plus any additional amounts made available by Borrower or its tenant are, in Lender's reasonable judgment, sufficient to restore or replace the damaged or destroyed buildings or improvements, said proceeds, after reimbursing Lender therefrom for expenses incurred by Lender in the collection thereof, shall be used to reimburse Borrower for the cost of repairing or restoring of buildings and improvements on the Premises. The buildings and improvements shall be so restored or rebuilt, as nearly as possible, to their value, condition, and character immediately prior to their damage or destruction, or such other condition as Lender may, at its sole and unfettered discretion, approve.

In the event Borrower is entitled to reimbursement out of any insurance proceeds, such proceeds shall be made available, from time to time, upon written notice furnished with satisfactory evidence of the estimated cost of completion thereof. No such architect's certificates, waivers of lien, contractors' sworn statements and other evidence of cost and of payments as Lender may reasonably require and approve. No payment shall prior to the final completion of the work shall exceed ninety percent (90%) of the value of the work performed, from time to time, and at all times the unobligated balance of the proceeds remaining in the hands of Lender shall be at least sufficient to pay for the cost of completion of the work free and clear of liens.

In case of the foreclosure of this Security Instrument, the court in its decree may provide that Lender's claim attached to each of said insurance policies may be canceled and that the decree creditor may cause a new loss clause to be attached to each of said policies making the loss thereunder payable to said creditor, and any such foreclosure decree may further provide, that in case of one or more redemptions under said decree, pursuant to the statute in such case made and provided, then and in every such case, each successive redemptor may cause the preceding loss clause attached to each insurance policy to be canceled and a new loss clause to be attached thereto, making the loss Lender liable to such successive redemptor. In the event of foreclosure sale, Lender is hereby authorized, but not obligated, without the consent of Borrower, to assign any and all insurance policies to the purchaser at the sale, or to take such other steps as Lender may deem advisable, to cause the interest of said purchaser to be protected by any and or more of said insurance policies.

9 Tax and Insurance Deposits. They and regular taxes, assessments, and insurance premiums that Borrower is required to pay pursuant to paragraphs 6 and 7 above are sometimes hereinafter referred to collectively as the "Property Charges." Notwithstanding all payment requirements, if an Event of Default under this Security Instrument shall occur, Lender, at its sole and unfettered discretion, and whether or not held Event of Default shall continue to exist, be cured, or be waived, may require Borrower to pay, and Borrower shall do so agree to pay, to Lender, in addition to paying the principal, interest, advances, and other amounts provided for in the Note, this Security Instrument, and the other Security Documents, either in a lump sum or in monthly payments, amounts sufficient to allow Lender to pay the Property Charges, and each of them, at least thirty (30) days in advance of the due date thereof.

If at any time, the amount of the Property Charges, or any of them, have been or are to be increased, and if the lump sum deposit or monthly deposits of continuing at the same rate then being made by Borrower and held by Lender for this purpose would not make up a fund sufficient, in the reasonable opinion of Lender, to pay the Property Charges, or any of them, thirty (30) days prior to the due date thereof, said reserve or monthly deposits shall thereupon be increased, and Borrower shall, upon demand by Lender, immediately deposit with Lender such additional sums as are determined by Lender so that the reserves or the moneys then on hand for the payment of said items plus the increased monthly payments and such additional sums demanded shall be sufficient so that Lender shall have received from Borrower adequate amounts to pay said items at least thirty (30) days before the same become due and payable. For the purposes of determining whether Lender has on hand sufficient reserves or moneys to pay any particular item of least thirty (30) days prior to the due date thereof, the reserves, deposits, or deposits for such item shall be treated separately. It being the intention that Lender shall not be obligated to use reserves or deposits deposited for the payment of an item not yet due and payable, for the payment of an item that is due and payable.

Notwithstanding the foregoing, it is understood and agreed to that the deposit or deposits provided for hereunder will be deposited with and held by Lender in a single non-interest bearing account and if the Lender, at its sole and unfettered option, may, if Borrower fails to make any deposit required by Lender, use the reserves, deposit or deposits established for one item for the payment of another item than the one and payable. All such deposits shall be held in escrow by Lender and will be applied by Lender to the payment of the Property Charges, or any of them, when the same become due and payable. Failure by Borrower to pay any of the aforesaid monthly deposits, and failure continuance for ten (10) days after said deposits are due or failure to pay any of the aforesaid additional deposits which failure continues for five (5) days after demand therefor is made by Lender, shall be an Event of Default under the Note, this Security Instrument, and the other Security Documents, in which event all remedies under the Note, this Security Instrument, and the other Security Documents may be immediately exercised by Lender and, further, as moneys on hand in the reserve or deposit fund may, at the sole and unfettered option of Lender, be applied in reduction of the Indebtedness under the Note.

If the funds so deposited exceed the amount required to pay the Property Charges, the excess shall be applied against subsequent deposits to be made by Borrower. In order to best more fully protect the security of this Security Instrument and to provide security to Lender for the payment of the Property Charges or any of them, Borrower agrees that Lender may, at its sole and unfettered discretion, at any time, pay the Property Charges or any of them, provided that Lender shall give notice to Borrower of any such payment within ten (10) days following the making of such payment. Such payments shall be added to the outstanding principal balance of the Note and shall earn interest at the effective rate of interest established under the terms of the Note. Borrower further agrees that Lender shall not be required to make payments for which insufficient funds are on deposit with Lender, and that nothing herein contained shall be construed as requiring Lender to advance other moneys for such purpose.

Upon an assignment of this Security Instrument, Lender shall have the right to pay over the balance of such deposits in its possession to the assignee, and Lender shall thereupon be completely released from any and all liability with respect to such deposits and Borrower shall look solely to the assignee or transferee with respect thereto. This provision shall apply to every transfer of such deposits to a new or subsequent assignee. Upon full payment of the Indebtedness under the Note, this Security Instrument, and the other Security Documents, or of any prior Note, at the sole and unfettered discretion of the then holder of the Note and this Security Instrument, the balance of the deposit or deposits in Lender's possession may be paid over to the record owner of the Premises or the use of said payment, and no other party shall have any right or claim thereto in any event.

10. Lender's Interest in and Use of Deposits. It is agreed that if Default shall occur under this Security Instrument or the Note, Lender may, at its sole and unfettered option, without being required to do so, apply any moneys or the like on deposit pursuant to paragraph 9 hereof, or any one or more of the same may be applicable, on any of Borrower's obligations herein or in the Note contained, in such order and manner as Lender may, at its sole and unfettered discretion, elect. Such deposits are hereby pledged as additional security for the indebtedness and other amounts and obligations secured hereby, and shall be held by Lender to be irrevocably applied by Lender for the purposes specified in this Security Instrument and shall not be subject to the direction or control of Borrower; provided, however, that Lender shall not be liable for any failure of Lender to apply any funds held by Lender to the payment of the Property Charge, or any of them, where Borrower, while not in default hereunder, shall have requested Lender to withhold not less than Sixty (60) days prior to the due date therefor to make application to the payment of a particular Property Charge of that portion of said funds deposited in respect of said particular Property Charge, which application shall be accompanied by the bill for said Property Charge.

11. Lender's Right to Act If Borrower fails to perform any covenant or agreement contained in any one or more of the Note, this Security Instrument and the other Security Documents, or to pay any claim, lien or encumbrance which shall be a prior lien to the lien of this Security Instrument, or to pay, when due, any tax or assessment, or the premium for any insurance required hereby, or to keep the Premises in repair, as aforesaid, or shall commit or permit waste, or if there be commenced any action or proceeding affecting Borrower, the Premises or the title thereto, including, by way of illustration and not limitation, any actions of attachment, insolvency, court enforcement, or proceeding under the Bankruptcy Code of the United States, then Lender, at its sole and unfettered option, may, but shall not be required to, make full or partial payment of any such claim, lien, encumbrance, tax, assessment or premium, with right of subrogation thereunder, may purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereto, or reduce from any tax and/or foreclosure affecting the Premises or cancel any tax or assessment, may pay or abstract or other evidence of the same if deemed necessary, may take such steps and take such steps as it deems advisable to prevent or cure such waste, and may appear in any such action or proceeding and retain counsel to advise it with respect to such matter or to appear therein, and take such action with respect thereto as Lender, at its sole and unfettered discretion, deems advisable, and for any of such purposes Lender may advance such sum of money as it, at its sole and unfettered discretion, deems necessary. Lender shall be the sole judge of the legality, validity and priority of any such claim, lien, encumbrance, tax, assessment and premium, and of the amount necessary to be paid in satisfaction thereof. Borrower will pay to Lender, immediately and without demand, all costs of money advanced by Lender pursuant to this paragraph 11 and otherwise in accordance with this Security Instrument, and any costs or expenses, including, without limitation, attorney fees and expert costs, that Lender may have incurred or paid in connection therewith, and any costs, money advanced by Lender to protect the Premises and the lien hereof, and all such costs shall be added to the principal amount of the Note and, together with interest thereon at the effective rate of interest established under the terms of the Note, shall be as much as shall be indebtedness secured hereby, shall become immediately due and payable, without notice or demand and shall bear interest from and after the time of disbursement of the default amount as is set forth in the Note.

12. Lender's Release on Tax and Insurance Bills. So, Lender, in making such payment, hereby is authorized (a) to pay any taxes, assessments, and insurance premiums according to any bill, statement, or estimate prepared from the appropriate public office by vendor without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, insurance premium, sale, forfeiture, tax lien, or title or claim thereto, and (b) to purchase, discharge, compromise, or settle any other prior lien, without inquiry as to the validity or amount of any claim for lien which may be asserted.

13. Dissemination. Borrower hereby assigns, transfers and sets over unto Lender the entire proceeds of any award or any claim for damages for any of the Premises taken or damaged under the power of eminent domain or by condemnation. Lender may elect to apply the proceeds of the award upon or in reduction of the indebtedness secured hereby, whether due or not, or to require Borrower to restore or replace the Premises or any part thereof damaged by such taking, in which event the proceeds shall be held by Lender and be used to reimburse Borrower for the cost of the rebuilding or restoring of buildings or improvements on the Premises, in accordance with plans and specifications to be submitted to and approved by Lender. If Borrower is obligated to restore or replace the taken or damaged buildings or improvements under the terms of any Lease or Lessee relating to the Premises, and if such taking does not result in cancellation or termination of such Lease, the award shall be used to reimburse Borrower for the cost of the rebuilding or restoring of buildings or improvements on said Premises, provided Borrower is not then in default under the Note, this Security Instrument, or any other Security Document. In the event Borrower is required or authorized, either by Lender's election as aforesaid or by virtue of any Lease as aforesaid, to rebuild or

restore all or any part of the Premises, the proceeds of the same shall be paid out in the same manner as is provided in paragraph 7 hereto for the payment of insurance proceeds toward the cost of rebuilding or restoration. If the amount of such award is insufficient to cover the cost of rebuilding or restoration, Borrower shall pay all costs in excess of the award, before being entitled to reimbursement out of the award. Any surplus which may remain out of said award after payment of such cost of rebuilding or restoration shall, at the option of Lender, be applied on account of the indebtedness secured hereby, or be paid to any other party entitled thereto.

14. Effect of Extensions of Time, Etc. From time to time, Lender may, at its sole and unfettered discretion, without giving notice to or obtaining the consent of Borrower, any guarantor of the Note or any other party liable or obligated for the payment of any amount or the performance of any covenant or obligation under any one or more of the Note, this Security Instrument and the other Security Documents (collectively, "Obligors"), without liability to Borrower, and notwithstanding any breach by any of Obligors, extend the time for the payment of any Indebtedness or performance of any covenant or obligation secured hereby, reduce the payments thereon, release any one or more Obligors, except a removed note or notes therefor, modify the terms and time of the payment of said indebtedness, release the Premises or any part thereof from the lien of any one or more of the Security Instruments and the other Security Documents, take or release other or additional security, consent to the granting of an easement on or encumbrance against the Premises, join in any extension or subordination, re-mortgage, or agree in writing to modify the rate of interest or period of amortization of the Note or change the amount of the payments due thereunder. Any extension taken by Lender pursuant to this paragraph shall not affect the obligations of Obligors, or any of them, to pay the amounts due under or to perform any obligation required by the Note, this Security Instrument or any other Security Document, shall not affect the priority of any Obligor for the payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Premises, except and only to the extent expressly agreed to by Lender in writing.

15. Stamp, Transfer or Service Tax. If, by the laws of the United States of America, or of any state or political subdivision thereof having jurisdiction over any one or more of Borrower, Lender, and the Premises, any tax is due or becomes due in respect of the issuance of the Note or this Security Instrument or the registration hereof, Borrower covenants and agrees to pay such tax in the manner required by any such law, whether or not the incidence of such tax falls upon Borrower or Lender. Borrower further covenants to hold harmless and agrees to indemnify Lender, its successors, assigns, and employees, against any liability incurred by reason of the imposition of any such tax.

16. Effect of Changes in Laws Regarding Taxes. In the event of the enactment after this date of any law of the state in which the Premises are located detracting from the value of land for the purpose of taxation any lien thereon, or increasing upon Lender the payment of the whole or any part of the taxes or assessments or charges or fees herein required to be paid by Borrower, or changing in any way laws relating to the taxation of Security Instruments or debts secured by Security Instruments or Lender's interest in the Premises, or the manner of collection of taxes, so as to affect this Security Instrument or the indebtedness secured hereby or the holder thereof, then, and in any such event, Borrower, upon demand by Lender, shall pay such taxes or assessments, or reimburse the Lender therefor, provided, however, that if, in the opinion of Lender, (a) it might be unwise to require Borrower to make such payment or (b) the making of such payment might result in the imposition of interest in excess of the maximum amount permitted by law, then and in such event, Lender may, at its sole and unfettered discretion, but shall not be required to, give, by notice in writing given to Borrower, to declare all of the indebtedness secured hereby to be and become due and payable sixty (60) days from the date of giving of such notice.

17. Covenants of Borrower Regarding Lessee. Borrower hereby covenants and agrees that, until all indebtedness payable under the Note, this Security Instrument, and the other Security Documents have been paid in full, it shall:

- (A) perform or cause to be performed in a timely manner all of its obligations under each and every one of the Leases;
- (B) take all actions as are reasonably required to enforce the obligations of any and all other parties to any one or more of the Leases;
- (C) appear in and defend any and all actions and other legal proceedings in respect of the Leases;
- (D) provide to Lender, on demand, any and all information related in any manner to the Leases, including without limitation, copies thereof;

The failure of Borrower to do any one or more of the foregoing shall constitute an Event of Default hereunder and under the Note, and each other Security Document.

10. Events of Default and Acceleration of Indebtedness in Case of Default. Any one or more of the following circumstances shall constitute an Event of Default under this Security Instrument:

(a) the failure of Borrower to make any payment of principal, interest, advances, or other payments due under the Note, or of any payment due in accordance with the terms of the Security Instrument or any of the other Security Documents;

(b) Borrower shall file a petition in bankruptcy or become the subject of any voluntary proceeding under the United States Bankruptcy Code or any other Federal or state bankruptcy, insolvency, reorganization, receivership, moratorium, or other law regarding creditors' rights or debtors' obligations, whether now or hereafter existing, or fail to obtain a vacation or stay of any such proceeding filed involuntarily against or in respect of Borrower or of the Premises within thirty (30) days, as hereinafter provided, or file an answer in any such involuntary proceeding admitting insolvency or inability to pay its debts;

(c) Borrower shall be adjudicated a bankrupt, or a trustee, receiver, or similar officer shall be appointed for Borrower or for its property or the major part thereof or the trustee in any involuntary proceeding, or any court shall have taken jurisdiction of the property of Borrower, or the major part thereof or the Premises in any involuntary proceeding for the reorganization, dissolution, liquidation or winding up of Borrower, and such trustee, receiver, or similar officer shall not be discharged or such jurisdiction relinquished or vacated or stayed on appeal or otherwise stayed within thirty (30) days;

(d) Borrower shall make an assignment for the benefit of creditors, or shall enter into a composition agreement, or shall admit in writing its inability to pay its debts general so they become due, or shall consent to the appointment of a receiver or trustee or liquidator of all or of its property or the major part thereof;

(e) default shall be made in the due observance or performance of any other of the covenants, agreements or conditions required to be kept or performed or observed by Borrower in the Note, this Security Instrument and the other Security Documents and the same shall continue for fifteen (15) days, unless such defect cannot reasonably be cured within fifteen (15) days, in which event, said fifteen (15) day period shall be extended for a reasonable period not to exceed thirty (30) days, provided that Borrower is diligently pursuing that cure thereof;

(f) subject to any applicable grace periods, default shall be made in the performance of any term between Borrower and any third party relating to all or any part of the Premises; or

(g) any other event that constitutes an Event of Default under the terms and provisions of the Note, this Security Instrument or the other Security Documents.

Upon the occurrence of an Event of Default the sum secured hereby, and, at once, of the note and unearned option of Lender, become immediately due and payable, together with all accrued and unpaid interest, advances and all other amounts due to Lender pursuant to the Note, this Security Instrument, and the other Security Documents, without notice or demand to Borrower. From and after the occurrence of an Event of Default, interest shall accrue on all said amounts at the stated rate of interest referred to in the Note.

11. Recourse and Powers; Expenses of Litigation. When the Indebtedness secured hereby, or any part thereof, shall become past due and payable, whether by maturity, acceleration, or otherwise, in addition to any other rights and remedies provided for herein, Lender shall have the right to (a) exercise any one or more of the rights and remedies contained in any one or more of the Note and the other Security Documents and (b) to commence or cause to be commenced any action for such Indebtedness or part thereof.

and such costs and expenses shall constitute additional amounts secured hereby and under the Note and there shall be allowed and incurred, as additional indebtedness in any decree which adjudicates the amount due under the Note and secured by this Security Instrument, all of said costs and expenses. Without limiting the generality of the foregoing, all costs and expenses shall be allowed and expended and such amounts will be paid or incurred by or on behalf of Lender for attorneys' fees, appraisers' fees, costs of documentary evidence, fees of expert witnesses, stenographers' charges, publication costs, and costs which may be estimated as to costs to be expended after entry of the decree of procuring all such certificates of title, title searches and examinations, title insurance policies, and similar acts and assurances with respect to title as Lender may deem reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Premises. All expenditures and expenses of the nature described in this paragraph 19, and such expenses and fees as may be incurred in the protection of the Premises and the maintenance of the file of this Security Instrument, including, without limitation, the fees of any attorneys employed by Lender in any litigation or proceeding affecting this Security Instrument, the Note or the Premises, including, without limitation, probate and bankruptcy proceedings, as in preparation for the commencement or defense of any litigation or proceeding or threatened litigation or proceeding, whether or not actually commenced, shall be immediately due and payable by Borrower, with interest thereon at the default rate of interest established under the terms of the Note, and the same shall be secured by this Security Instrument.

20. Application of Proceeds of Foreclosure Sale. The proceeds of any foreclosure sale of the Premises shall be distributed and applied in the following order of priority: first, on account of all costs and expenses of Lender incident to the foreclosure proceedings, including all such sums as are mentioned in the immediately preceding paragraph 20; second, such sums which under the laws thereof constitute secured indebtedness additional to that evidenced by the Note, with interest thereon as herein provided; third, all principal, interest, advances, and other amounts remaining unpaid on the Note; and fourth, any overplus to Borrower, his successors or assigns, as their rights may appear.

21. Receivership of Mortgaged. Upon or at any time after the filing of a complaint to foreclose the Note by instrument, the court in which such complaint is filed may appoint a receiver of the Premises. Borrower hereby consents to such appointment and agrees that such appointment may be made either before or after sale, without notice to Borrower, which notice is hereby intentionally waived, without regard to the solvency or insolvency of Borrower at the time of application for such receiver and without regard to the then value of the Premises, the adequacy of Lender's security or whether the same shall be then accepted as a sufficient or not and Lender hereinafter or any holder of the Note may be appointed as such receiver. Such receiver shall have power to collect the rents, issues, income, profits, royalties, and revenues of the Premises during the pendency of such foreclosure suit and in case of a sale and a deficiency, during the 120 statutory period of redemption, if any, whether there be redemption or not, as well as during any further times when Borrower, except for the disqualification of such receiver, would be entitled to collect said rents, issues, income, profits, royalties, and revenues, and all other powers that may be necessary or are usual in such cases for the protection, prosecution, control, management, and operation of the Premises during the whole of said period, including, by way of illustration and not limitation, the power to make necessary repairs to the Premises, and to terminate and enter into management agreements relating to the Premises. The court, from time to time, may authorize the receiver to apply the net income in payment in whole or in part of (i) the reasonable fee of said receiver; (ii) the indebtedness secured hereby; or by any decree foreclosing this Security Instrument, or any tax, special assessment or other sum which may be or become payable to the sum hereof or of such decree, provided such application is made prior to foreclosure sale; and (iii) the deficiency in case of a sale and deficiency.

22. Lender's Right of Possession in Case of Default. In any case in and of itself, or at which time the provisions of this Security Instrument Lender has a right to institute foreclosure proceedings, whether before or after the whole principal sum secured hereby is declared to be immediately due as aforesaid, or whether before or after the institution of legal proceedings to foreclose the sum heretofore or before or after sale hereunder, forthwith, upon demand of Lender, Borrower shall surrender to Lender, and Lender shall be entitled to take actual possession of the Premises, or any part thereof, personally, or by and through its agents or attorneys, and Lender, at its sole and unfettered discretion, may, but shall not be required to, with or without force and with or without process of law, enter upon and take and actual possession of all or any part of the Premises, together with all documents, books, records, papers, and accounts of Borrower or the then owner of the Premises relating thereto, and may exclude Borrower, his agents, and servants wholly.

23. Assignment of Income Received by Lender. Lender, in the exercise of the rights and powers so herein conferred upon it by paragraph 22 heretofore, shall have full power to use and apply the rents, rents, leases, income, profits, royalties, and revenues of power to use and apply the rents, rents, leases, income, profits, royalties, and revenues of the Premises to the payment of, or on account of the following, in such order as Lender, at its sole and unfettered discretion, may determine:

(A) to the payment of the operating expenses of the Premises, including, by way of illustration and without limitation, the cost of management and leasing thereof (which shall include reasonable compensation to Lender and its agents and contractors, if management is delegated to an agent or contractor, and shall also include basic commissions and other compensation and expenses of seeking and securing tenants and entering into leases), insurance premiums for damages, if any, and any premium on insurance hereinabove authorized, estimated values for damages, if any, and any premium on insurance hereinabove authorized,

(C) to the payment of all repairs, decorating, renovations, replacements, alterations, additions, betterments, and improvements of the Premises; including the cost from time to time of repairing or replacing mechanical systems and other fixtures thereof, and of placing the Premises in such condition as will, in the judgment of Lender, at its sole and unfettered discretion, make it readily rentable; and

(D) to the payment of any indebtedness incurred hereby or any deficiency which may result from any foreclosure sale.

24. Conflicts with Illinois Mortgage Foreclosure Law. The powers, authority and rights conferred upon Lender, in the event that Lender takes possession of the Premises, and a receiver hereunder, shall also include all such powers, authority, and rights as may be conferred upon a lender in possession or receiver under and pursuant to the Illinois Mortgage Foreclosure Law, as such may be amended from time to time ("IMFL"). To the extent that IMFL may limit the powers, authority or rights purportedly conferred hereby, such powers, authority and rights shall include those allowed, and be limited as prescribed by IMFL at the time of their exercise or discharge.

To the fullest extent permitted by law, including, without limitation, the HSWA, Borrower's liability under any and all rights to relocate title security instrument or collateral security documents, except such loss of investment and costs as may reasonably be incurred in the return of the Note, this Security Instrument, and the other Security Documents.

Holding contained herein is intended to be, or shall be construed to be, a waiver, relinquishment or impairment of Lender's rights to fully and completely enforce all rights of personal liability and personal recourse against any one or more of Delgrossi.

28. Environmental Matters. Borrower represents, warrants, covenants, and agrees with Lender and agrees as follows:

(A) Borrower will not use, generate, manufacture, produce, store, release, discharge, or dispose of on, under or about the Premises or transport to or from the Premises any Hazardous Substance (as defined herein) or allow any other person or entity to do so;

(B) Borrower shall keep and maintain the Premises in compliance with, and shall not cause or permit the Premises to be in violation of any Environmental Law (as defined herein) or allow any other person or entity to do so;

(C) Borrower shall give prompt written notice to Lender of:

(i) any proceeding or inquiry by any governmental authority whether Federal, state, or local, with respect to the presence of any Hazardous Substance (as defined herein) on the Premises or the migration thereof from or to other property;

(ii) all claims made or threatened by any third party against Borrower or the Premises relating to any loss or injury resulting from any Hazardous Substance; and

(iii) Borrower's discovery of any occurrence of condition on any real property adjoining or in the vicinity of the Premises that could cause the Premises or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Premises under any Environmental Law;

(D) Lender shall have the right to join and participate in, as a party if it so chooses, any legal proceedings or actions initiated in connection with any Environmental Law and Borrower hereby agrees to pay any attorneys' fees thereby incurred by Borrower in connection therewith;

(E) Borrower shall protect, indemnify and hold harmless Lender, its directors, officers, administrators, employees, agents, contractors, attorneys, successors, and assigns from and against any and all loss, damage, cost, expense or liability including reasonable attorney's fees and costs directly or indirectly arising out of or attributable to the use, generation, manufacture, production, storage, release, removal, release, discharge, disposal, or presence of a Hazardous Substance on, under or about the Premises, including, without limitation, (i) all foreseeable consequential damages and (ii) the costs of any required or necessary repair, cleanup, or decontamination of the Premises and the preparation and implementation of any closure, remedial or other required plans. This indemnity and covenant shall survive the nonrenewal of the term of this Security Instrument, or the extinguishment of such term by foreclosure or action in law thereon;

(F) In the event that any investigation, site monitoring, confinement, cleanup, removal, restoration, or other remedial work of any kind or nature (the "Remedial Work") is reasonably necessary or desirable under any applicable local, state or Federal law or regulation, any judicial order, or by any governmental or nongovernmental entity or person (including, or in connection with, the current or future presence, suspected presence, release or suspected release of a Hazardous Substance in or into the air, soil, ground water, surface water or soil vapor at, on, about, under or within the Premises, or any portion thereof), Borrower shall within thirty (30) days after written demand for performance thereof by Lender or other party or governmental entity or agency (or such shorter period of time as may be required under any applicable law, regulation, order, or agreement), commence to perform, or cause to be commenced, and thereafter diligently prosecute to completion, such Remedial Work. All Remedial Work shall be performed by one or more contractors, approved in advance in writing by Lender, and under the supervision of a consulting engineer approved to advance in writing by Lender. All costs and expenses of such Remedial Work shall be paid by Borrower, including, without limitation, the charges of such contractor and the consulting engineer, and Lender's reasonable attorney's fees and costs incurred in connection with the monitoring or review of such Remedial Work. In the event Borrower shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion,

such Remedial Work, Lender may, but shall not be required to, cause any Removal Work to be performed on all costs and expenses so incurred in connection therewith shall become part of the indebtedness secured hereby.

(G) without Lender's prior written consent, which shall not be unreasonably withheld, Borrower shall not take any remedial action in response to the presence of any Hazardous Substance on, under, or about the Premises, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Substance claims. Said consent may be withheld, without limitation, if Lender, in its reasonable judgment, determines that said remedial action, settlement, consent, or compromise might impair the value of Lender's security hereunder, provided, however, that Lender's prior consent shall not be necessary in the event that the presence of Hazardous Substances on, on, under, or about the Premises either poses an immediate threat to the health, safety, or welfare of any individual or is of such a nature that an immediate remedial response is necessary, and it is not possible to obtain Lender's consent before taking such action, provided that in such event Borrower shall notify Lender as soon as practicable of any action so taken. Lender agrees not to withhold its consent, when such consent is required hereunder, if either (A) a particular remedial action is ordered by a court of competent jurisdiction, or (B) Borrower establishes to the reasonable satisfaction of Lender that there is no reasonable alternative to such remedial action that would result in materially less impairment of Lender's security hereunder.

For purposes of this paragraph 24, the following terms shall have the meanings as set forth below:

(A) "Environmental Laws" shall mean any Federal, state or local law, statute, ordinance, or regulation pertaining to health, industrial hygiene, or the environmental conditions on, under, or about the Premises, including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA") as amended, 42 U.S.C. Sections 9601 et seq., and the Resource Conservation and Recovery Act of 1976 ("RCRA") as amended, 42 U.S.C. Sections 6901 et seq.

(B) The term "Hazardous Substance" shall include without limitation:

(i) Those substances included within the definitions of any one or more of the terms "hazardous substances," "hazardous materials," "toxic substances," and "solid wastes" in CERCLA, RCRA, and the Hazardous Materials Transportation Act as amended, 49 U.S.C. Sections 1801 et seq., and in the regulations promulgated pursuant to said laws or other applicable laws; or;

(ii) Those substances listed in the United States Department of Transportation Table 49 CFR 172.101 and amendments thereto; or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302 and amendments thereto);

(iii) Such other substances, materials and wastes which are or become registered under applicable local, state or Federal laws or which are classified as hazardous or toxic under Federal, state or local laws or regulations; and

(iv) Any material, waste or substance which is (A) plutonium, (B) asbestos, (C) polychlorinated biphenyls, (D) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C.B 1325 et seq. (33 U.S.C. § 1321), or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. § 1317); (E) flammable, explosive; or (F) radioactive materials.

28. Security Agreement. It is the intention of Borrower and Lender that this Security Instrument also constitutes a security agreement with Lender being the secured party (hereinafter) with respect to those portions of the Premises which are subject from time to time to Article 9 of the Uniform Commercial Code as in effect in the State of Illinois ("UCC"), and the Borrower hereby grants to Lender a security interest in such portions of the Premises. Lender may file this Security Instrument, or a copy thereof, in the real estate records or other appropriate index as a financing statement for any of such portions of the Premises. Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements as well as extensions, renewals and amendments thereof, and copies of this Security Instrument in such form as Lender may require to perfect a security interest in such portions of the Premises. Borrower shall pay all costs of preparation and filing such financing statements and any extensions, renewals, amendments, or releases thereof, and shall pay all reasonable costs and expenses of any record-

agreement for financing purposes which Lender may reasonably require, Borrower shall not, without the prior written consent of Lender, sell, assign, or transfer, in whole or in part, any other security interest in said portions of the Premises, including any replacements or additions thereto. In the event of Borrower's default under the terms and provisions of any one or more of the Note, this Security Instrument, and any Security Document, in addition to all other rights and remedies enumerated herein or otherwise available to Lender at law, in equity, or under said documents, Lender shall have all of the rights and remedies available to a secured party under the UCC, in effect from time to time. With respect to any portion of the Premises subject to the UCC, any reference to foreclosure in this Security Instrument shall also be deemed to include any method of disposition of collateral authorized under Article D of the UCC, whether judicial or non-judicial. Lender, at its sole and unfettered option, may dispose of any portion of the Premises subject to the UCC, separately from or together with other portions of the Premises, and in any order whatsoever. Written notice, which need not be reasonable notice, mailed to any address of Borrower at least ten (10) calendar days including the day of mailing before the date of proposed disposition of the Premises, or any part thereof, will be reasonable notice.

29. Waiver of Statutory Rights. Borrower shall not and will not apply for or avail himself of any amendment, validation, stay, extension or exemption laws or any so-called "Mortgagor's Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Security Instrument, and hereby waives the benefit of such laws. Borrower, for hims and all who may claim through or under him, waives any and all right to have the Premises and estates comprising the Premises marshalled upon any foreclosure of the Non hereof and agrees that any court having jurisdiction to foreclose such Non may order the mortgaged property sold as an entirety, or separately in such order and to satisfy such portions of the indebtedness as Lender, at its sole and unfettered discretion, may determine. **BORROWER HEREBY WAIVES ANY AND ALL RIGHTS OF REDEMPTION FROM SALE OR OTHERWISE UNDER ANY ORDER OR DECREE OF FORECLOSURE, DISCLAIMS ANY STATUS WHICH IT MAY HAVE AS AN "OWNER OF REDEMPTION" AS THAT TERM MAY BE DEFINED IN SECTION 16-1212 OF THE ILLINOIS MORTGAGE FORECLOSURE LAW, AS AMENDED FROM TIME TO TIME, PURSUANT TO RIGHTS HEREIN GRANTED, ON BEHALF OF BORROWER, THE TRUST ESTATE AND ALL PERSONS BENEFICIALLY INTERESTED THEREIN, AND EACH AND EVERY PERSON ACQUIRING ANY INTEREST IN, OR TITLE TO, THE PREMISES DESCRIBED HEREIN SUBSEQUENT TO THE DATE OF THIS SECURITY INSTRUMENT, AND ON BEHALF OF ALL OTHER PERSONS TO THE FULLEST EXTENT PERMITTED BY THE PROVISIONS OF THE ILLINOIS STATUTES.**
