THIS SECURITY INSTRUMENT combines uniform coverage for natural gas and non-uniform coverages with limited extensions by its specification to constitute a uniform security instrument covering real property.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sum secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 2.1 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leasehold. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any foreclosure action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve

14. Notices. Any notices to Borrower provided for in this Security Instrument shall be given by delivery in one of the following ways:

13. **Liaison Committee.** If the liaison committee by this Security Interimment is superseded in its function by the Security Interimment Committee, it will be replaced by a liaison committee which will be constituted in accordance with Article 13 of the Security Interimment Committee.

12. Succession and Adjudication; Judicial and Executive Powers; Extra-Judicial Powers. The convention and interpretation of this security instruments shall bind and control the executive and legislative branches of government and the judiciary, notwithstanding any provision to the contrary.

11. **Betterower Not Hebered: For better or worse, by Land or Water.**
A distribution of the same amount of money among a number of persons will be a greater sacrifice to one person than to another, if the former has a larger share of the total wealth of the community.

Under Law 100/2018, any application of procedures to principal duty will extend to taxation.

If the Proprietary is used under or by its owner, or if, after notice by the Proprietary that the controller has committed any of the acts described in Article 1, the controller fails to respond to a reasonable demand to correct the violation or to discontinue use of the Proprietary or to file a timely appeal, the controller will be liable for damages resulting from the violation.

In the event of a total taking of the Property, the proceeds shall be applied to the sums accorded by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums accorded by this Security Instrument, the proceeds shall be applied to the taking as follows: (a) the total amount of the sums accrued by the Security Instrument which are not due shall be applied to the Property in proportion to its fair market value at the time of the taking; (b) the fair market value of the Property remaining after the application of the amounts accrued by the Security Instrument shall be applied to the Property in proportion to its fair market value at the time of the taking.

18. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for convenience in lieu of condemnation, are hereby assigned and shall be paid to Lender.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unclunged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

FIXED / ADJUSTABLE RATE RIDER (10 Year Treasury Index • Rate Cap)

THIS FIXED/ADJUSTABLE RATE RIDER is made this **20TH** day of **JANUARY**,
19 **93**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or
Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure
Borrower's Fixed/Adjustable Rate Note (the "Note") to
THE FIRST NATIONAL BANK OF CHICAGO
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

11132 NORTHWEST ROAD UNIT #C PALOS HILLS, ILLINOIS 60465
(Property Address)

**THE NOTE PROVIDES FOR ONE CHANGE IN THE BORROWER'S INTEREST RATE. THE
NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AND
THE MAXIMUM RATE THE BORROWER MUST PAY.**

ADDITIONAL COVENANTS, in addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of **7.950** %. The Note provides for a change in the
initial fixed rate, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change on the **FEBRUARY 2000**,
which is called the "Change Date."

(B) The Index

THE INITIAL INDEX VALUE FOR THIS LOAN IS 6.6803 JPD RPIJ

At the Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United
States Treasury securities adjusted to a constant maturity of 10 years, as made available by the Federal Reserve Board. The
most recent index figure available as of the date 45 days before the Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information.
The Note Holder will give me notice of this choice.

(C) Calculation of Change

Before the Change Date, the Note Holder will calculate my new interest rate by adding

TWO AND ONE-HALF percentage point(s) (**2.500** %) to the Current

Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point
(0.125%). Subject to the limit stated in Section 4(D) below, this rounded amount will be my new interest rate until the
Maturity Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid
principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially
equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Change

The interest rate I am required to pay at the Change Date will not be greater than **13.950** %,
which is called the "Maximum Rate".

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this **20TH** day of **JANUARY**, **1993**,
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security
Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium
project known as:

(Name of Condominium Project)

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project
(the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the
Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of
Borrower's interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security
Instrument, Borrower and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the
Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other
document which creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent

Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance
carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which
provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire
and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of the
yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 3 to maintain hazard insurance coverage on the
Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the
Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and
shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to
Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the
Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of
coverage to Lender.
