Agreed Rate of Interest: This is a variable interest rate loan and the interest rate will increase or decrease based on the Prime Loan rate. The interest rate will be 9.09 percentage points above the Bank Prime Loan Rate published in the Federal Reserve Board's Statistical Release H. 15. The initial Bank Prime Loan rate is 6.00 %, which is the published rate as of the last business day of December, 19 92; therefore, the initial interest rate is 15.09 % per year. The interest rate will increase or decrease with changes in the Bank Prime loan rate when the Bank Prime loan rate, as of the last business day of the preceding month, has increased or decreased by at least 1/4th of a percentage point from the Bank Prime loan rate on which the current interest rate is based. The interest rate cannot increase or decrease more than 2% in any year. In no event, however, will the interest rate ever be less than 13.09 % per year nor more than 21.02 % per year. The interest rate will not change before the First Payment Date.

Adjustments in the Agreed Rate of Interest shall be given effect by changing the dollar amounts of the remaining monthly payments in the month following the anniversary date of the loan and every 12 months thereafter so that the total amount due under said Loan Agreement will be paid by the last payment date of February 5, 2008. Associates waives the right to any interest rate increase after the last anniversary date prior to the last payment due date of the loan.
