(b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:

- I. ground rents, if any, taxes, assessments, fire, and other hazard insurance premiums;
- II. interest on the note secured hereby; and
- III. amortization of the principal of the said note.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good prior to the due date of the next payment, constitute an event of default under this Mortgage. At Mortgagor's option, Mortgagor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured hereby.

If the total of the payments made by the Mortgagor under subparagraph (a) of the preceding paragraph shall exceed the amount of payments actually made by the Mortgagee as Trustee for ground rents, taxes, and assessments, or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items or, at the Mortgagee's option as Trustee, shall be refunded to the Mortgagor. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, the Mortgagor shall pay to the Mortgagee as Trustee any amount necessary to make up the deficiency. Such payments shall be made within thirty (30) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee as Trustee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any credit balance remaining under the provisions of subparagraph (a) of the preceding paragraph. If there shall be a default under any of the provisions of this mortgage, resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee as Trustee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the amount then remaining to credit of Mortgagor under said paragraph (a), as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid under said note.

AS ADDITIONAL SECURITY for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described. The Mortgagor shall be entitled to collect and retain all of said rents, issues and profits until default hereunder, EXCEPT rents, bonuses and royalties resulting from oil, gas or other mineral leases or conveyances thereof now or hereafter in effect.
