12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agent. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sum secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. Foreclosure Procedure. If Lender requires immediate payment in full under paragraph 9, Lender may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

18. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

19. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

Fifth, to late charges due under the Note.

3. Application of *Dynamite*. All pyramids under paragrapahs 1 and 2 shall be applied by Leader as follows:

If Borrower tenders to Lender the full payment of all sums accrued by this Security Interest until Borrower's account is settled with the Lender has not become obligated to pay to the Secretery, and Lender shall promptly refund any excess funds received with any balance remaining for all instalments for items (a), (b), and (c) and to

As used in this Secondary Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee; in any year in which the Leader must pay a mortgage insurance premium to the Secretary, each monthly payment deposited in this Secondary Instrument, "Secretary," means the Secretary of Housing and Urban Development or his or her designee; in any year in which the Leader must pay a mortgage insurance premium to the Secretary, each monthly payment deposited in this Secondary Instrument, "Secretary," means the Secretary of Housing and Urban Development or his or her designee due on the Note.

If at any time during the term of the payment period held by Lender for items (a), (b), and (c), together with the future moneys payable by Lender for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated payments for such items payable to Lender for items (a), (b), and (c), together with the future moneys payable by Lender for such items payable to Lender prior to the due dates of such items, the amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either reduce the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to the subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower, for item (a), (b), and (c), is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the difference on or before the date the item becomes due.

Each individual measured for herself (a), (b), and (c) shall equal one-half of the sum total amounts, as reasonably estimated.

referred to in paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

8. Fees. Lender may collect fees and charges authorized by the Secretary.

9. Grounds for Acceleration of Debt.

(a) Default. Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) Sale Without Credit Approval. Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower, and
- (ii) The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) No Waiver. If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) Regulations of HUD Secretary. In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) Mortgage Not Insured. Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

7. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assignd and shall be paid to Lender to the extent of the full amount of the indemnity under the Note and this Security instrument shall apply under such proceeds to the reduction of the indebtedness under the Note and this Security instrument, Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security instrument amounts applied in the order provided in paragraph 3, and then to preparation of promissary note to any deficiency arising from the application of the proceeds to the reduction of the indebtedness under the Note and this Security instrument.

Any amounts disbursed by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If borrowers fail to make the payments required by paragraph 2, or fail to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do what ever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

6. Changes to Borrower and Protector and Landlord's Rights in the Property. Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in paragraph 2. To the extent these obligations on time indebtedness which is owed the payee, if failure to pay would adversely affect Landlord's interest in the Property, upon Landlord's request Borrower shall promptly furnish to Landlord receipts evidencing these payments.

In the event of non-delivery or loss of this security instrument or of other transfer of title to the Property the claimants shall possess the Purchaser.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make protest of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender instead of to Borrower, and to Lender solely. All or any part of the insurance proceeds may be applied by Lender, as in its option, either (a) to the reduction of the indebtedness under the Note and this Security instrument, first to any unpaid installments applied in the order in paragraph 3, and then to preparation of principal, or (b) to the restoration of repair damage to the property. Any application of the insurance under the Note and this Security instrument, first to any unpaid installments applied in the order in paragraph 3, and then to preparation of principal, or (c) to the restoration of repair damage to the property, after the date of the damage, are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount necessary to pay all outstanding indebtedness under the Note and this Security instrument shall be paid to the mortgagor by Borrower which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount necessary to pay all outstanding indebtedness under the Note and this Security instrument shall be paid to the mortgagor by Borrower which are referred to in paragraph 2, or change the amount of such payments.
