I, Adam Spyrka, owner of A.S. Construction, of 1435 N. Washienaw, Chicago, Illinois, make the following statement for a mechanic's lien for material furnished and for labor and services furnished and performed. I also state that the following real estate, namely:
Lot 2 in Block 2 in Wetherbee and Gregory's Subdivision of the North Half of the Northwest Quarter of the South East Quarter of Section 7, Township 39 North, Range 13, (except the East 100 feet of said tract) East of the Third Principal Meridian, in Cook County, Illinois.
Permanent Index Number: 16-01-400-019-0000
Property commonly known as: 2703 W. Division, Chicago, Illinois
On September 15, 1992 Michael Dudek made a written contract with claimant, A. S. Construction.
The nature of the contract was for sandblasting and tuckpointing work on the above described real estate.
Michael Dudek agreed to pay the claimant One Thousand Five Hundred Forty Dollars (\$1,540.00) as full payment for the improvements thereon. Claimant did complete the work as specified in the contract.
There is now due to the claimant from Michael Dudek, for the furnishing of the material, labor and service as described above, after allowing all just credits, deductions and set-offs, the sum of One Thousand Five Hundred Forty Dollars (\$1,540.00). All of that amount is still due and unpaid.
Claimant, A. S. Construction, now claims a lien upon the lands and improvements on it, for the amount of claimant's claim, \$1,540.00, pursuant to statute.
