Sec. 6321. Lien For Taxes

If any person liable to pay any tax neglects or refuses to pay the same after demand, the amount (including any interest, additional amount, addition to tax, or assessable penalty) together with any costs (that may accrue in addition thereto) shall be a lien in favor of the United States upon all property and rights to property, whether real or personal, belonging to such person.

Sec. 6322. Period Of Lien.

Unless another date is specifically fixed by law, the lien imposed by section 6321 shall arise at the time the assessment is made and shall continue until the liability for the amount so assessed for a judgment against the taxpayer arising out of such liability is satisfied or becomes unenforceable by reason of lapse of time.

Sec. 6323. Validity and Priority Against Certain Persons.

(a) Purchaser's, Holders Of Security Interests, Mechanic's Lienors, And Judgment Lien Creditors. The lien imposed by section 6321 shall not be valid as against any purchaser, holder of a security interest, mechanic's lienor, or judgment lien creditor until notice thereof which meets the requirements of subsection (f) has been filed by the Secretary.

(f) Place For Filing Notice; Form.

(1) Place For Filing. The notice referred to in subsection (a) shall be filed-

(A) Under State Laws (i) Real Property. In the case of personal property, whether tangible or intangible, in one office within the State (or the county, or other governmental subdivision), as designated by the laws of such State, in which the property subject to the lien is situated; except that State law merely conforming to reenacting Federal law establishing a national filing system does not constitute a second office for filing as designated by the laws of such State; or

(B) With Clerk Of District Court. In the office of the clerk of the United States district court for the judicial district in which the property subject to lien is situated, whenever the State has not by law designated one office which meets the requirements of subparagraph (A), or
