Together with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Mortgage. All of the foregoing is referred to in this Mortgage as the "property."

You covenant that you are lawfully seized of the estate hereby conveyed and have the right to mortgage, grant and convey the property and that the property is unencumbered, except for encumbrances of record. You, unless you are an Illinois land trust, warrant and will defend generally the title to the property against all claims and demands, subject to any encumbrances of record.

You acknowledge that this Mortgage secures an Agreement that contains provisions allowing for changes in the interest rate, and that we may, prior to the maturity of the Agreement and subject to certain conditions, reduce the Available Line of Credit and/or require repayment of the total balance outstanding under the Agreement.

Covenants. You and we covenant and agree as follows:

1. (A) Payment of Principal and Interest. You shall promptly pay when due the principal of and interest accrued on the indebtedness evidenced by the Agreement, together with any late charges or other fees, charges or premiums imposed by the Agreement, the Security Agreement, or by this Mortgage.

(B) Line of Credit Loan. This Mortgage secures a Line of Credit Loan Agreement. You will enjoy access to that Line of Credit during the first one hundred twenty-one (121) Billing Cycles assigned to your Account. Each Billing Cycle will be approximately one month. (Your initial Billing Cycle may be less than one month). The Revolving Line of Credit Term of the Agreement is therefore approximately ten (10) years long. You agree to repay the principal amount of the Loans advanced during the Revolving Line of Credit Term of the Agreement during the twenty (20) years commencing at the close of the Revolving Line of Credit Term. This repayment term is referred to herein and in the Agreement as the Closed-End Repayment Term. The total term of the Agreement secured by this Mortgage is therefore approximately thirty (30) years.

(C) AGREED PERIODIC PAYMENTS. During the Revolving Line of Credit Term and for the one hundred twenty-first (121st) Billing Cycle, you agree to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing Cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to your Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement;

If the amount of the funds held by us, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, you shall pay to us any amount necessary to make up the difference in one or more payments as required by us.

The fund shall be held in an institution the depositors or accountants of which are insured or guaranteed by a federal or state agency (including us if we are such an institution). We shall apply the funds to pay the escrow items. We may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless we pay you interest on the funds and applicable law permits us to make such a charge. You and we may agree in writing that interest shall be paid on the funds. Unless an agreement is made on the funds, we shall give to you, without charge, an annual accounting of the funds and additional debits to the funds for which each debit is shown in detail separately for the sums secured by this Masteragreement.

2. FUNDS FOR TAXES AND INSURANCE. Subject to applicable law or to a written waiver by us, you shall pay to us on the day following payment of taxes and insurance premiums.

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day (defined below) of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term, or the last day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

The "Current Reference Rate" is the most recent Reference Rate available sixty (60) days prior to each "Change Date".

The rate of interest (annual Percentage Rate) during the Closed-End Repayment Term will be based upon the Reference Rate described in the Agreement and Paragraph 1(b) hereof.

Your rate of interest (or "Present Value Rate") shall be the Refereenced Rate plus a "Margin" of 1.00%.

The Rebillarance Rate to be effective for any Billing Cycle shall be determined under this provision.
The Rebillarance Rate to be effective for any Billing Cycle shall be effective for any Billing Cycle that begins in that month. However, the Rebillarance Rate to be effective for any Billing Cycle shall be effective for any Billing Cycle that begins in that month.
Rebillarance Rate to be effective for your initial Billing Cycle shall be determined in one of two ways. If your initial Billing Cycle begins on the same date as the effective day of the preceding month, the Rebillarance Rate shall be the same as the Rebillarance Rate for the previous month. If your initial Billing Cycle begins on a different date than the effective day of the preceding month, the Rebillarance Rate shall be determined on the effective day of the preceding month. If your initial Billing Cycle begins on a different date than the effective day of the preceding month, the Rebillarance Rate shall be determined on the effective day of the preceding month.

A substantial increase in the Researcher Rate results in substantially the same "Annual Percentage Rate" as the "Margin," so that the change in the Researcher Rate has little effect on the "Annual Percentage Rate."

Upon payment in full of all sums received by this Mortgage, and termination of the Agreement, we shall promptly refund to you any funds held by us. If under paragraph 7, (b) property is sold or acquired by us, we shall apply, no later than immediately prior to the sale of the property or its acquisition by us, any funds held by us at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by you to us of funds in escrow shall be excused so long as you are required on the date hereof, and continue after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this Mortgage. You agree to provide us with proof of payment of such funds in escrow.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by us under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in your oldest past due periodic Billing Statement, if any, and then (during the Closed-End Repayment Term) to the fraction of the Initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the Initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the Initial Closed-End Principal Balance due are fully paid. The balance of your payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by us. Any remaining amount will create a credit balance. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

4. CHARGES; LIENS. You shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Mortgage, and leasehold payments or ground rents, if any. You shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, you shall pay them on time directly to the person owed payments. You shall promptly furnish to us all notices of amounts to be paid under this paragraph. If you make these payments directly, you shall promptly furnish to us receipts evidencing the payments.

5. HAZARD INSURANCE. You shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, any hazard included within the term "extended coverage" and any other hazard for which we require insurance. This insurance shall be maintained in the amounts and for the periods that we require. The insurance carrier providing the insurance shall be chosen by you subject to our approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to us and shall include a standard mortgage clause. We shall have the right to hold the policies and renewals. If we require, you shall promptly give to us all receipts of paid premiums and renewal notices. In the event of loss, you shall give prompt notice to the insurance carrier and us. We may make proof of loss if not made promptly by you.

Unless we, or you otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damages, if the restoration or repair is economically feasible and our security is not lessened. If the restoration or repair is not economically feasible or our security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. If you abandon the property, or do not answer within thirty (30) days a notice from us that the insurance carrier has offered to settle a claim, we may collect the insurance proceeds. We may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Unless we and you otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 20, the property is acquired by us, your right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to us to the extent of the sums secured by this Mortgage immediately prior to the acquisition.

6. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOLDS. You shall not destroy, damage or substantially change the property, allow the property to deteriorate or commit waste. If this Mortgage is on a leasehold, you shall comply with the provisions of the lease, and if you acquire fee title to the property, the leasehold and the title shall not merge unless we agree to the merger in writing.

7. PROTECTION OF OUR RIGHTS IN THE PROPERTY; MORTGAGE INSURANCE. If you fail to perform the covenants and agreements contained in this Mortgage, or there is a legal proceeding that may significantly affect our rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then we may do and pay for whatever is necessary to protect the value of the property and our rights in the property. Our action may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the property to make repairs. Although we may take action under this paragraph 7, we do not have to do so.

Any amounts disbursed by us under this paragraph 7 shall become additional debt of yours secured by this Mortgage. Unless you and we agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate provided in the Agreement and shall be payable, with interest, upon notice from us to you requesting payment.

If we require mortgage insurance as a condition of making the loan secured by this Mortgage, you shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with your and our written agreement or applicable law.

8. INSPECTION. We or our agent may make reasonable entries upon and inspections of the property. We shall give you notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to us.

In the event of a total taking of the property, the proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. In the event of a partial taking of the property, unless you and we otherwise agree in writing, the sums secured by this Mortgage shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the property immediately before the taking. Any balance shall be paid to you.
