fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security

instrument. All of the foregoing is referred to in this Security instrument as the "Property".

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Households. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a household, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the household and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, those amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain those payments as a loss reserve in lieu of mortgage insurance. Loss reserve

BALLOON RIDER
(CONDITIONAL RIGHT TO REFINANCE)
THIS BALLOON RIDER is made this 11TH day of FEBRUARY , 1993, and is incorporated into and shall
be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same
date given by the undersigned (the "Borrower") to secure the Borrower's Note to
UNITED MORTGAGE SERVICE, INC.

(the "Lender") of the same date and covering the property described in the Security Instrument and located at
1755 EVERGREEN LANE
PARK RIDGE, ILLINOIS 60068

(Property Address)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand
the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security
Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender
further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

[1. CONDITIONAL RIGHT TO REFINANCE.]

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New
Loan") with a new Maturity Date of MARCH 1 , 2023 , and with an interest rate equal to the "New Note
Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 8 below are met (the
"Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to
refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or
find a lender willing to lend me the money to repay the Note.

[2. CONDITIONS TO OPTION]

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date.
These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the
"Property"); (2) I must be current in my monthly payments and cannot have been more than 90 days late on any of the 12
scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and
special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot
be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in
Section 8 below.

[3. CALCULATING THE NEW NOTE RATE]

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield
for 30-year fixed rate mortgages subject to a 80-day mandatory delivery commitment, plus one-half of one percentage point
(0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be
the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the
Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by
using comparable information.

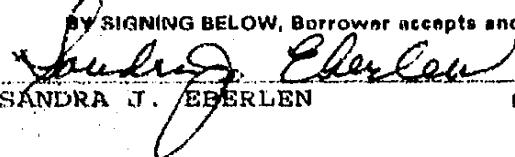

[4. CALCULATING THE NEW PAYMENT AMOUNT]

Provided the New Note Rate as calculated in Section 3 above is no greater than 5 percentage points above the Note Rate
and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly
payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I
will owe under the Note and Security Instrument on the Maturity Date (assuming my monthly payments then are current, as
required under Section 2 above), over the term of the New Note at the New Note Rate in equal monthly payments. The result of
this calculation will be the amount of my new principal and interest payment every month until the New Note is fully paid.

[5. EXERCISING THE CONDITIONAL REFINANCING OPTION]

The Note Holder will notify me at least 80 calendar days in advance of the Maturity Date and advise me of the principal,
accrued but unpaid interest, and all other sums I am expected to owe on the Maturity Date. The Note Holder also will advise me
that I may exercise the Conditional Refinancing Option if the conditions in Section 2 above are met. The Note Holder will provide
my payment record information, together with the name, title and address of the person representing the Note Holder that I must
notify in order to exercise the Conditional Refinancing Option. If I meet the conditions of Section 2 above, I may exercise the
Conditional Refinancing Option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note
Holder will calculate the fixed New Note Rate based upon the Federal National Mortgage Association's applicable published
required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3
above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy
and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the New Note Rate),
new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the
required refinancing. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with updating
the title insurance policy, if any, and any reasonable third-party costs, such as documentary stamps, intangible tax, survey,
recording fees, etc.

By SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Balloon Rider.
