TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

1. Payment of Principal, Interest and Late Charge. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

2. Monthly Payments of Taxes, Insurance and Other Charges. Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments levied or to be levied against the Property, (b) leasehold payments or ground rents on the Property, and (c) premiums for insurance required by paragraph 4.

Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amount collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. In any year in which the Lender must pay a mortgage insurance premium to the Secretary, each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tenders to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

Fifth, to late charges due under the Note.

7. Compendiumnarration. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security shall be paid to Lender to the extent of the full amount of the full amount of the indebtedness that remains unpaid under the Note and this Security shall not exceed or surpass the due date of the monthly payments, which are referred to in first to any deficiency amounts applied in the order provided in Paragraph 3, and then to preparation of principal. Any application of the principal shall not extend or postpone the due date of the monthly payments, which are referred to in first to any deficiency amounts applied in the order provided in Paragraph 3, and then to preparation of principal.

Any amounts disburseable by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Interest. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If you are ever faced with these payments required by paragraph 2, or face a situation any other conveyance and whatever falls to make these payments or the property transferred by paragraph 2, it is illegal proceeding that may subject Landor's rights in and all proceeds comingled in this security instrument, or where is a legal proceeding that may subject Landor's rights in the property (such as a proceeding in bankruptcy, for conversion or to enforce laws or regulations), then Landor may do and pay whatever is necessary to protect the value of the property and Landor's rights in the property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

6. **Chargess to Borrower and Protecction of Lender's Right in the Property** Borrower shall pay all Governmental or municipal charges, fines and impositions which are not included in paragraph 2. Borrower shall pay all expenses incurred by Lender's collection of sums due to Lender under recitals evidencing these payments.

3. Occupancy, Preservatism, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.

Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless the Secreants determine that its rehirement will cause undue hardship for Borrower, or unless circumstances change which are beyond Borrower's control. Borrower shall notify Lender of any change in living circumstances except where it occurs during the first year, damage to substantially changes the property or if the property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statement to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including but not limited to, representations concerning Borrower's occupancy of the property as a principal residence. If this Security instrument is in a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the instrument, he shall not be merged unless Lender agrees to the merger in writing.

In the event of a breach of this Security Instrument or other transfer of title to the Property that extinguishes the individual rights, title, and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concurred in the reduction of liability authorized and directed to make payment under the policy by Lender instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any deficiency amount as applied in the order in paragraph 3, and then to preparation of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not exceed the date of the maturity payments which are referred to in paragraph 2, or change the amount of such payments. Any access insurance proceeds over and above all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled to receive them.

...), Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, which now in existence or subsequently erected, against loss by floods or earthquakes. All insurance now in existence or subsequently erected, against loss by floods or earthquakes, shall be carried with companies approved by Lender. The insurance policies and any renewals by the Seller, All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals by the Seller, shall be held by Lender and shall include losses payable clauses in favor of, and in a form acceptable to, Lender.

paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

8. Fees. Lender may collect fees and charges authorized by the Secretary.

9. Grounds for Acceleration of Debt.

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower, and
- (ii) The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary, dated subsequent to 60 days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

19. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

18. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recording costs.

17. Right of Procedure. If Lender requires immediate payment in full under paragraph 9, Lender may foreclose the remedies provided in this paragraph 17, including, but not limited to, reasonable attorney fees and costs of title evidence.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

Borrower, however, Lender or a judicially appointed receiver may do so at any time hereafter. Any application of rents shall not cure or waive any default or invalidity or other right of remedy of Lender. This assignment of rents of the Property shall not be required to enter upon, take control of or maintain the Property because of any giving notice of breach to Lender who has not executed any prior assignment of the rents of the Property.

Lender from exercising its rights under this paragraph 16.

Borrower has not executed any prior assignment of the rents and has not performed any act that would prevent Lender from exercising its rights under this paragraph 16.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all rents due and unpaid to Lender or Lender's assigns all of the rents of the Property; and (c) each tenant of the Property; and (d) each tenant of the Property; and (e) each tenant of the Property; and (f) each tenant of the Property; and (g) each tenant of the Property; and (h) each tenant of the Property; and (i) each tenant of the Property; and (j) each tenant of the Property; and (k) each tenant of the Property; and (l) each tenant of the Property; and (m) each tenant of the Property; and (n) each tenant of the Property; and (o) each tenant of the Property; and (p) each tenant of the Property; and (q) each tenant of the Property; and (r) each tenant of the Property; and (s) each tenant of the Property; and (t) each tenant of the Property; and (u) each tenant of the Property; and (v) each tenant of the Property; and (w) each tenant of the Property; and (x) each tenant of the Property; and (y) each tenant of the Property; and (z) each tenant of the Property.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender to assign its rights to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's assigns. However, prior to Lender's notice to Borrower, Lender shall collect the rents and revenues for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

15. Borrower's Copy. Borrower shall be given one combined copy of this Security Instrument.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument and the Note are declared to be ineffective without the conflicting provision, to the end the provisions of this Security Instrument and the Note are declared to be ineffective with the conflict of law, such conflict shall not affect other provisions of this Security Instrument and the Note which can be controlled within the conflict of law. Any note affecting other provisions of this Security Instrument or the Note which can be controlled within the conflict of law, such note shall not affect other provisions of this Security Instrument and the Note which can be controlled within the conflict of law.

13. Notices. Any notice to Borrower shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or address listed below or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

12. Successors and Assigns; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9(b). Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) co-signing this Security Instrument only to mortgage, grant and convey that instrument but does not execute the Note; (b) is not personally obligated to pay the sums Borrower's interest in the Property under the Note; and (c) agrees that Lender and any other Borrower may agree to extend, modify, replace or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.
