## 3. Payment of principal, interest and late charges.

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

## 4. Monthly Payments of Taxes, Insurance and Other Charges.

Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments levied or to be levied against the Property, (b) leasehold payments or ground rents on the Property, and (c) premiums for insurance required by paragraph 4.

Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b) and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for items (a), (b), or (c) is insufficient to pay the items when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Most Security Instruments insured by the Secretary are insured under programs which require advance payment of the entire mortgage insurance premium. If this Security Instrument is or was insured under a program which did not require advance payment of the entire mortgage insurance premium, then each monthly payment shall also include either: (1) an installment of the annual mortgage insurance premium to be paid by lender to the Secretary, or (2) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary. If this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tenders to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining on all installments for items (a), (b) and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b) and (c).

## 5. Application of Payments.

All payments under paragraphs 3 and 4 shall be applied by Lender as follows:

FIRST, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium, unless Borrower paid the entire mortgage insurance premium when this Security Instrument was signed;

SECOND, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

THIRD, to interest due under the Note;

FOURTH, to amortization of the principal of the Note;

FIFTH, to late charges due under the Note.

## 6. Fire, Flood and Other Hazard Insurance.

Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. An insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in Paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title in the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

## 7. Preservation and Maintenance of the Property, Leaseholds.

Borrower shall not commit waste or destruction, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear, excepted. Lender may inspect the property if the property is vacant or abandoned or if the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

## 8. Charges to Borrower and Protection of Lender's Rights in the Property.

Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

## 9. Condemnation.

The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

## 10. Fees.

Lender may collect fees and charges authorized by the Secretary.

## 9. Grounds for Acceleration of Debt.

### (a) Default.

Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (1) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (2) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

### (b) Sale Without Credit Approval.

Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (1) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and
- (2) The Property is not occupied by the purchaser or grantee as his or her primary residence, or the purchaser or grantee does not occupy the property but his or her credit has not been approved in accordance with the requirements of the Secretary.

### (c) No Waiver.

If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

### (d) Regulations of HUD Secretary.

In many circumstances regulations issued by the Secretary will limit Lender's rights, in the case of payment defaults, to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

## 10. Reinstatement.

Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorney's fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

## 11. Borrower Not Released; Forbearance By Lender; No Waiver.

Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successor in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

## 12. Successors and Assigns Bound; Joint and Several Liability; Co-Tenants.

The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

## 13. Notices.

Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

## 14. Governing Law; Severability.

This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located, in the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument and the Note are declared to be severable.

## 15. Borrower's Copy.

Borrower shall be given one conformed copy of this Security Instrument.

## 16. Assignment of Rents.

Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or constitute any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

the new adjusted interest rate will be fixed to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.

(c) Lender will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

(f) If the Index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.

4. (a) If the Existing Interest Rate changes on any Change Date, Lender will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. At least 25 days before the date on which the new monthly payments at the new level is due, Lender will give Borrower written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest, calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index and the date it was published, (vi) the method of calculating the adjustment to the monthly installment payments, and (vii) any other information which may be required by law from time to time.

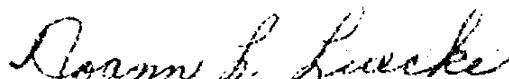

(b) Borrower agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least twenty-five (25) days after Lender has given the Adjustment Notice to Borrower. Borrower will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Lender to Borrower until the first payment date which occurs at least twenty-five (25) days after Lender has given a further Adjustment Notice to Borrower. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Security Instrument, Borrower will be relieved of any obligation to pay, and Lender will have forfeited its right to collect, any increase in the monthly installment amount caused by the recalculation of such amount under Subparagraph 4(a) for any payment date occurring less than twenty-five (25) days after Lender has given the applicable Adjustment Notice to Borrower.

(c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Lender failed to give the Adjustment Notice when required, and (iii) Borrower, consequently, has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Borrower, at Borrower's sole option, may either (1) demand the return from Lender (who for the purposes of this sentence will be deemed to be the lender, or lenders, who received such Excess Payments, whether or not any such lender subsequently assigned the Security Instrument) of all or any portion of such Excess Payments, with interest thereon at a rate equal to the sum of the Margin and the Index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Borrower to repayment, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.

3. Nothing contained in this Adjustable Rate Rider will permit Lender to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustment to Borrower's monthly installment payments of principal and interest, as provided for herein.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

(d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the initial interest rate. If any increase or decrease in the Floating Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap,

(e) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).

(f) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).

(g) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Security Instrument of five percentage points, in either direction, from the initial interest rate, herein called the "5% Cap").

(h) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change. If any, will be determined as follows:

(i) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

(j) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Current Index").

(k) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Change Date").

(l) Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities (adjusted for a constant maturity of one year ("Index"; the index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H-15 (5-17-79)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:

(m) The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of the first month from the due date of the first installment payment under the Note, and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Security Instrument ("Change Date").

(n) The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of the first month from the due date of the first installment payment under the Note, and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Security Instrument ("Change Date").

(o) Under the Note, the initial stated interest rate of SEVEN percentum per annum (7.00%) (initial interest rate) on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest due will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this TWENTY-SEVENTH day of JANUARY 19 92, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note"), to MID-AMERICA MORTGAGE CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at: 410 STANTON STREET, PARK FOREST, ILLINOIS 60466 (Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT, THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS, in addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. Under the Note, the initial stated interest rate of SEVEN percentum per annum (7.00%) (initial interest rate) on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest due will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.

2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of the first month from the due date of the first installment payment under the Note, and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Security Instrument ("Change Date").

3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities (adjusted for a constant maturity of one year ("Index"; the index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H-15 (5-17-79)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:

(a) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Current Index").

(b) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Change Date").

(c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

(d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the initial interest rate. If any increase or decrease in the Floating Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap,

(e) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).

(f) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).

(g) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Security Instrument of five percentage points, in either direction, from the initial interest rate, herein called the "5% Cap").

(h) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change. If any, will be determined as follows:

(i) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

(j) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Current Index").

(k) The amount of the index will be determined, with the most recently applicable figure, thirty (30) days before the Change Date ("Change Date").
