Dollars (U.S. \$ _____), or the aggregate amount of all loans and any disbursements made by Lender pursuant to such certain First Lien Loan Agreement, which ever is less. The Agreement is hereby incorporated by reference. This debt is evidenced by the Agreement for monthly interest instrument, with the full debt, if not paid earlier, due and payable five years from the issue Date (as defined in the Agreement). The Lender will provide the Borrower with a final payment notice at least 90 days before the final payment must be made. The Agreement provides that loans may be made from time to time during the Draw Period (as defined in the Agreement). The Draw Period may be extended by Lender in its sole discretion, but in no event later than 20 years from the date hereof. All future loans will have the same loan probability as the original loan. This Security instrument secures to Lender: (a) the repayment of the debt evidenced by the Agreement, including all principal, interest, and other charges as provided for in the Agreement; (b) the payment of all other sums, with interest, and other charges, to Lender, arising out of or resulting from the Agreement; (c) the performance of all obligations and agreements under the Agreement; and (d) the payment of all costs and expenses of Lender, including reasonable attorney's fees, incurred in the collection of any amounts due under the Agreement.

COVENANTS Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Agreement.

2. Application of Payments. All payments received by Lender shall be applied first to interest, then to other charges, and then to principal.

3. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property, and leasehold payments or ground rents, if any. Upon Lender's request, Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. The Borrower shall make these payments directly, and upon Lender's request, promptly furnish to Lender receipts evidencing the payments.

Borrower shall pay, or cause to be paid, when due and payable all taxes, assessments, water charges, sewer charges, license fees and other charges against or in connection with the Property and shall, upon request, promptly furnish to Lender duplicate receipts. Borrower may, in good faith and with due diligence, contest the validity or amount of any such taxes or assessments, provided that (a) Borrower shall notify Lender in writing of the intention of Borrower to contest the same before any tax or assessment has been increased by any interest, penalties or costs, (b) Borrower shall first make all contested payments, under protest if Borrower desires, unless such contest shall suspend the collection thereof, (c) neither the Property nor any part thereof or interest therein are at any time in any danger of being sold, forfeited, lost or interfered with, and (d) Borrower shall furnish such security as may be required in the contest or as requested by Lender.

4. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible. Lender's security is not lessened and Borrower is not in default under this Security Instrument or the Agreement. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

If under paragraph 18 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

5. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage, substantially change the Property, allow the Property to deteriorate, or commit waste. If this Security instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

6. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Agreement rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

7. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

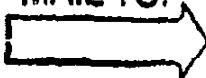

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

9. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. A waiver in one or more instances of any of the terms, covenants, conditions or provisions hereof, or of the Agreement, or any part thereof, shall apply to the particular instance or instances and at the particular time or times only, and no such waiver shall be deemed a continuing waiver but all of the terms, covenants, conditions and other provisions of this Security Instrument and of the Agreement shall survive and continue to remain in full force and effect. No waiver shall be asserted against Lender unless in writing signed by Lender.

14. Assignment of Leases - Lender may assign all or any portion of its interest hereunder and its rights granted herein and in the Agreement to any person, firm, corporation or organization, and options of Lender herein and in the Agreement, and Lender shall thereafter do all the rights, interests, and options of Lender herein and in the Agreement, and Lender shall assignee shall succeed to all the rights, interests, and options of Lender herein and in the Agreement, and Lender shall have no further obligations or liabilities thereafter under this Agreement.
