Any notice provided for in this Mortgage shall be deemed to have been given to Borrower on the date it is delivered to the Property's address or the date such notice is deposited in the U.S. Mail system with the proper postage and addressed to Borrower. Any notice to Lender shall not be deemed to have been given until it has been received by Lender.

15. Actual Knowledge. For purposes of this Mortgage and the Note, Lender will not be deemed to have received actual knowledge of information required to be conveyed to Lender in writing by Borrower until the date of actual receipt of such information at the address specified above (or such other address specified by Lender to Borrower). Such date shall be conclusively determined by reference to the return receipt in possession of Borrower. If such return receipt is not available, such date shall be conclusively determined by reference to the "Received" date stamped on such written notice by Lender or Lender's agent. With regard to other events or information not provided by Borrower under this Mortgage or the Note, Lender will be deemed to have actual knowledge of such event or information as of the date Lender receives a written notice of such event or information from a source Lender reasonably believes to be reliable, including but not limited to, a court or other governmental agency, institutional lender, or title company. The actual date of receipt shall be determined by reference to the "Received" date stamped on such written notice by Lender or Lender's agent.

16. Governing Law; Severability. This Mortgage shall be governed by the law of the State of Illinois. In the event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of the Mortgage or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Mortgage and the Note are declared to be severable.

17. Borrower's Copy. Borrower shall be furnished a conformed copy of the Note and of this Mortgage at the time of execution or after recordation hereof.

18. Events of Default; Remedies (Including Freezing the Line).

a. Events of Defaults. Set forth below is a list of events which will constitute Events of Default. Such events are: (1) Borrower's failure to pay when due any amounts due under the Note; (2) the outstanding balance due under the Note exceeds the Principal; (3) Lender receives actual knowledge that Borrower's omitted material information on Borrower's credit application or made any false or misleading statement on Borrower's credit application; (4) the death of Borrower or any maker or guarantor of the Note; (5) Borrower files for bankruptcy, or bankruptcy proceedings are instituted against Borrower and not dismissed within sixty (60) calendar days, under any provision of any state or federal bankruptcy law in effect at the time of filing; (6) Borrower makes an assignment for the benefit of Borrower's creditors, becomes insolvent or becomes unable to meet Borrower's obligations generally as they become due; (7) Borrower further encumbers the Property or suffers a lien, claim of lien or encumbrance against the Property, except such liens or encumbrances which are subordinate to this Mortgage; (8) Borrower is in default or an action is filed alleging a default under any credit instrument or mortgage evidencing or securing an obligation of Borrower with priority in right of payment over the line of credit described in the Note, or whose lien has or appears to have any priority over the lien created by this Mortgage; or whose lien is or appears to be secured by the Property or on which this Mortgage is a lien; or any of Borrower's other creditors attempts to (or actually does) seize or obtain a writ of attachment against the Property; (9) Borrower fails to keep any other covenant contained in this Mortgage and the Note not otherwise specified in this Section.

b. Remedies (Including Freezing the Line). Lender may, at its sole option, upon the occurrence of an Event of Default, freeze or terminate the line, and, require Borrower to make immediate full repayment of the unpaid principal balance of the line together with accrued but unpaid interest and other charges. "Freezing" the line means refusal to make any further advances against the line. If Lender fails to make such payment upon demand, Lender may institute foreclosure proceedings or pursue any other remedy or remedies given to Lender by law or under this Mortgage and the Note. Lender shall be entitled to collect in such proceeding all expenses of foreclosure, including but not limited to, reasonable attorneys' fees, and costs of documenting evidence, abstracts and title report. As additional specific protection, notwithstanding any other term of this Mortgage, Lender, without declaring or asserting an Event of Default or invoking any of its remedies pertaining to Events of Default, may immediately and without notice, freeze the line, upon the occurrence of any event enumerated herein. Freezing the line will not preclude Lender from subsequently exercising any right or remedy set forth herein or in the Note.

If all or any part of the Property or any interest in it is sold or transferred (or a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Mortgage. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Mortgage.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. This notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Mortgage. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

20. Revolving Line of Credit Loan. This Mortgage is given to secure a revolving credit loan evidenced by the Note. This Mortgage shall secure not only presently existing indebtedness under the Note but also future advances, whether such advances are obligatory or to be made at the option of the Lender, or otherwise, as are made within 20 years from the date hereof, to the same extent as if such future advances were made on the date of the execution of this Mortgage, although there may be no advance made at the time of execution of this Mortgage and although there may be no indebtedness secured hereby outstanding at the time any advance is made. The lien of this Mortgage shall be valid as to all indebtedness secured hereby.
