Property of the Property or a Beneficial Interest in the Mortgage

1. **Payments.** I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.
2. **Claims against Title.** I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
3. **Insurance.** I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds payable to you at my expense and for your benefit, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
4. **Property.** I will keep the property in good condition and make all repairs reasonably necessary.
5. **Expenses.** I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys' fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.
6. **Default and Acceleration.** If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any other remedy available to you, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any obligation secured by this mortgage. You may foreclose this mortgage in the manner provided by law.
7. **Assignment of Rents and Profits.** I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver, may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
8. **Waiver of Homestead.** I hereby waive all right of homestead exemption in the property.
9. **Leaseholds; Condominiums; Planned Unit Developments.** I agree to comply with the provisions of any lease if this mortgage is on a leasehold. If this mortgage is on a unit in a condominium or a planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
10. **Authority of Mortgagee to Perform for Mortgagee.** If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.
11. **Inspection.** You may enter the property to inspect, if you give me notice beforehand. The notice must state the reasonable cause for your inspection.
12. **Condemnation.** I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.
13. **Waiver.** By exercising any remedy available to you, you do not give up your right to later exercise any other remedy. By not exercising any remedy, if I default, you do not waive your right to later consider and exercise a default if it happens again.
14. **Joint and Several Liability; Co-signers; Successors and Assigns; Beneficiaries.** All duties under this mortgage are joint and several. If I co-sign this mortgage but do not co-sign the underlying debt I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.
15. **Notice.** Unless otherwise required by law, any notice to me shall be given by mail to the address which you have designated. Any notice shall be deemed to have been given to either of us when given in the manner stated above.
16. **Transfer of the Property or a Beneficial Interest in the Mortgage.** It all or any part of the property or any interest in it is sold or transferred without your prior consent, you may demand immediate payment of the secured debt. You may also demand immediate payment if the mortgagee is not a natural person and a beneficial interest in the mortgage is sold or transferred. However, you may not demand payment in the above situations if it is provided by federal law as of the date of this mortgage.
17. **Release.** When I have paid the secured debt, you will discharge this mortgage without charge to me. I agree to pay all costs to record this mortgage.

HOME EQUITY LINE OF CREDIT - VARIABLE RATE

GENERALLY: This is an agreement about your home equity line of credit. Many of the terms we use in this agreement have special meanings. The term "loan account balance" means the sum of the unpaid principal of loans made under this plan plus unpaid but earned finance charges plus any credit insurance premiums that are due. "Transaction Account" means an account you carry with us. The number of this account is listed at the top of the form on the line labeled "Trans. Acct. #." "Line of Credit" means the maximum amount of principal we will ordinarily allow you to owe us under this plan at any time. "Triggering Balance" is the amount you must keep in your transaction account to prevent us from lending you money under this plan. In addition, we will use the following terms for this home equity plan: "Initial Advance" means the amount of money we will require you to accept as an advance to open the plan. "Minimum Advance" means the smallest amount of money we will advance to you at your request. The "Minimum Balance" is the amount of principal of loans we will require you to maintain outstanding during the plan. If the principal balance outstanding falls below the minimum balance, you may have to pay a fee described below.

The amounts you pay will first reduce the amount owed for credit insurance (if any); then will reduce the finance charges; and finally will reduce the amount of unpaid loans.

AUTOMATIC WITHDRAWAL: If checked you authorize us to automatically withdraw your payment from your transaction account on each payment date. If your transaction account does not have enough money in it to make the minimum payment we may, but are not required to, lend you money to make the payment. All the terms of this agreement will apply to such a loan. If your loan account balance is less than the minimum payment amount, we will withdraw only the amount necessary to reduce your loan account balance to zero.

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off. However, we will have no right of set-off if you can obtain credit under this plan by using a debit or credit card.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges under this home equity plan.

We have also insured your obligations under this plan by taking security interest in the way of a separate security agreement, mortgage or other instrument dated **APRIL 6, 1993** covering the following property described by item or type:

REQUESTING A LOAN: You request a loan under this plan whenever you write a check for, or at least the minimum advance listed above using one of the special checks you have for that purpose.

REAL ESTATE COMMONLY KNOWN AS:

2827 N. DRYDEN PL.
ARLINGTON HEIGHTS, IL 60004

HOW THE LOAN IS ADVANCED: When you request a loan, we will subject to any limitations contained in this agreement, advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account. If your request is for less than the minimum advance, we may, if our officer grants the request. However, pending the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any request. However, we will not deny any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the line of credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

LIMITATIONS: The following additional limitations apply:

- During the draw period, you may not request advances totaling more than \$125,000.00 per DAY.
- During the draw period, you will be limited to a total of UNLIMITED advances per DAY.
- During the term of the plan, you may not request advances totaling more than \$125,000.00 per DAY.
- During the term of the plan, you will be limited to a total of UNLIMITED advances per DAY.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge for a billing cycle, we apply a daily periodic rate of finance charge to the principal balance of your loan account each day. To figure the "principal balance" for each day, we first take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums that are due. Next, we add to this balance any payments or credits received that day which apply to the repayment of your loans. A portion of each payment you make is applied to finance charges and credit insurance premiums, if any. Then we add any new loans made that day. The final figure is the principal balance. The daily periodic rate of FINANCE CHARGE is .01917, which is equal to an ANNUAL PERCENTAGE RATE of 7.00%. The annual percentage rate includes interest and not other costs.

If checked, collateral securing other loans you have with us may also secure loans under this agreement.

Finling fees \$ WAIVED
If this agreement is secured by real property, we agree to pay all expenses involved in releasing the security interest. You may buy property insurance from anyone you want who is acceptable to us. If you buy the insurance from or through us, your premium will be N/A.

VARIABLE RATE: The annual percentage rate may change, and will be 1.00% OVER the following "base rate": the prime rate as published in the money rates column of the Wall Street Journal. The annual percentage rate may increase if this base rate increases. An increase will take effect the first day of each month. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease will have the opposite effect of an increase disclosed above. If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between our percentage rate adjustments. The annual percentage rate referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 20%, and will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

CREDIT INSURANCE: Credit life insurance and credit disability insurance are not required to obtain credit. We will provide no coverage unless you pay and agree to pay the additional cost. The rates listed below are based on your average daily principal balance to determine the premium you pay over one billing cycle.

HOW YOU REPAY YOUR LOANS: On or before each payment date, you agree to make a minimum payment. The minimum payment is the accrued finance charges and credit insurance premiums of any, on the last day of the billing cycle. If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan. You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make the minimum payment.

ADDITIONAL CHARGES: You agree to pay the following additional charges:

- A late charge on any payment not paid within 15 days of the payment date of \$ 5.00 % of the payment or \$ N/A, whichever is less.
- A fee of \$ 20.00 per year in order to participate in this plan. We will add this amount to your loan account balance on an annual basis.
- An additional FINANCE CHARGE of \$ N/A for each advance we make to you under this plan. This fee will be added to your loan account balance at the time we make the advance.

The amounts you pay will first reduce the amount owed for any credit insurance; then will reduce the finance charges.

ATTORNEY'S FEES: You agree to pay all our costs, including reasonable attorney's fees, that we incur in legal proceedings to correct or enforce this debt should you be in default.

FINAL PAYMENT: On the maturity date listed above, you must pay any remaining loan account balance outstanding. The minimum payment will not reduce the principal that is outstanding on your loan. You will then be required to pay the entire balance in a single balloon payment.

NOTICE: See the reverse side for additional terms and for information on your rights in the event of a billing error.

We are not obligated to refinance your loan account balance at that time, but we will consider your request to do so. If you refinance this account at maturity, you may have to pay some or all of the closing costs normally associated with a new loan even if you obtain financing from us.

SIGNATURES: By signing below, you agree to the terms on both sides of this agreement and you promise to pay any amounts you owe under this agreement. You also state that you received a completed copy of this agreement on today's date.

ADDITIONAL REPAYMENT TERMS: If your loan account balance on a payment date is less than the minimum payment amount, you must pay only the loan account balance. If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan. You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.
