3. Application of Payments. Each payment in full of all sums secured by this Security Instrument, Lender shall promptly remit to Borrower any funds held by Lender, if, under paragraph 21, Lender shall acquire or sell the Property; Lender, prior to the acquisition of the Property, shall supply any funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

If the Funds held by Lenander exceed the amounts permitted to be held by applicable law, Lenander shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lenander in any time is not sufficient to pay the Escrow items when due, Lenander may so notify Borrower in writing, and, in such case Borrower shall pay to Lenander the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months, at Lenander's sole discretion.

for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument within which Borrower fails to pay these sums prior to the expiration of this period. Lender may invoke any remedies permitted by this Security instrument without further notice or demand of Borrower.

17. Transfer of the property or a beneficial interest in rotowear. - In case of any part of the property or a beneficial interest in rotowear, the transfer of the property or a beneficial interest in rotowear, whether it is sold or transferred under a power of attorney or otherwise, shall not be exercised by Lender but is exercisable by Lender if exercise is prohibited by federal law as of the date of this instrument. However, this option shall not be exercised by Lender if exercise is prohibited by Section 1411 of the Small Business Job Protection Act of 1996.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state or states where the Property is located. In the event that any provision of this Security Instrument is held to be ineffective or unenforceable, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are contained in this instrument in the order in which they appear.

14. Notices. Any notice to Bottowser provided for in this Security Instrument shall be given by mailing it or by telephoning it by first class mail unless applicable law requires use of another method. The notice shall be delivered to the address provided for in this Security Instrument or to any other address Lender designates by notice to Bottowser. Any notice given to Bottowser shall be deemed to have been given to Bottowser or Lender as given in this Security Instrument.

13. Loan charges. If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan claim as shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from a borrower which exceeded permitted limits will be returned to the borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any premium.

postponing the due date of the monthly payments referred to in paragraphs 1 and 2 or changing the amount of such payments. 11. Borrower Not Responsible For Repayment By Lender Not A Waiver. Extension of the time for payment of principal or modification of amounts due to the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to release the liability of the original Borrower or Borrower's successors in interest if Borrower has not paid to Lender any sums secured by this Security Instrument by the time for payment of principal or modification of amounts due to the sums secured by this Security Instrument referred to in paragraph 1 of this instrument. Any modification of this instrument by Lender to extend the time for payment of principal or interest or to change the amount of such payments will not be a waiver of or preclude the exercise of any right of remedy.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date given, Lender is authorized to collect and apply the proceeds, as its option, either to restoration or repair of the Property or to the sum secured by this Security Instrument, whether or not due.

In the event of a total leakage of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not due, with any excess paid to Borrower. In the event of a partial leakage of the Property in instruments, whether or not due, the proceeds shall be applied to the sums secured by this Security instrument immediately before the leakage is equal to or greater than the amount of the sums which the last market value of the Property immediately before the leakage is equal to or greater than the amount of the sums secured by this Security instrument immediately before the leakage, unless Borrower and Lender otherwise agree in writing.
