Nothing herein contained shall be construed as implying any obligation on the Trustee to file any income, capital or other tax reports or schedules, it being expressly understood that the beneficiaries hereunder shall be liable for all taxes, whether individually or jointly, upon all such reports and pay any and all taxes growing out of their interest under this Trust Agreement. The death of any beneficiary hereunder shall not terminate the trust nor in any manner affect the powers of the Trustee hereunder. No assignment of any benefit hereunder shall be binding on the Trustee until the original or a duplicate copy of the assignment in sufficient writing is approved by the Trustee and its acceptance indicated thereon, and the reasonable fees of the Trustee for the acceptance thereof paid, and every assignment of any beneficial interest hereunder, the original or duplicate of which shall not have been signed with the trustee, shall be held as to all subsequent assignees or purchasers without notice.

In case said Trustee shall be required, in its discretion, to make any advance of money on account of this trust, or shall be made party to any litigation on account of holding title to said real estate, or in connection with this trust, or in case said Trustee shall be compelled to pay any sum of money on account of this trust, whether on account of breach of contract, injury to person or property, fine or penalties under any law, judgments or decrees, or otherwise, or in case the Trustee shall desire to exercise its account of this trust, to consult or retain counsel and shall thereby incur attorney's fees, or in the event the Trustee shall desire to incur expenses in the prosecution for its protection hereunder, the beneficiaries hereunder, hereby jointly and severally agree as follows: (1) that they will be indebted to the said Trustee, with interest thereon at the rate of 12% per annum, all such disbursements or advances or payments made by said Trustee together with its expenses, including reasonable attorney's fees; (2) that the said Trustee shall not be bound to collect, or otherwise deal with said property, at any time held hereunder, until all of said disbursements, payments, advances and expenses made or incurred by said Trustee shall have been fully paid, together with interest thereon at aforesaid, and (3) that in case of non-payment within ten (10) days after demand said Trustee may sell all or any part of said real estate as public or private sale in such terms as they see fit, and retain from the proceeds of said sale sufficient sum to reimburse itself for all such disbursements, payments, advances and interest thereon and expenses, including the expenses of such sale and attorney's fees, including the expense of any to the beneficiaries who are entitled thereto. However, nothing herein contained shall be construed as requiring the Trustee to advance or pay over any money on account of this trust or to prosecute or defend any legal proceeding involving this trust or any property or asset of the said Trustee. The sole duty of the Trustee with reference to any such legal proceeding shall be to give timely notice thereof to the beneficiaries hereunder after the Trustee is served with process therein and to prevent such legal proceeding to be brought or defended in its name, provided that it shall be commenced in respect thereto in a manner satisfactory to it.

Notwithstanding anything hereinabove contained, the Trustee, at any time and without notice of any kind, may acquire, hold or part of the trust property or any part thereof, or of the use thereof, or authorized or contemplated, for any purpose (including, but not limited to, the sale at wholesale, retail or otherwise, giving away or other disposition of intoxicating liquor of any kind or as a taxic, liquor store or other establishment for the sale of intoxicating liquor for use or consumption on the premises or otherwise, or for any purpose which may be within the scope of the Blue-Skirt Act of Illinois or any similar law of any State in which the trust property or any part thereof may be located), which in the opinion of the Trustee, may subject the Trustee, within its sole determination, to embarrassment, uncertainty, liability, hazard or litigation. Such resignation as to all or part of the trust property shall be fully effected by the conveyance of the trust property, or the part thereof to which the Trustee desires to resign the trust hereunder, by the Trustee to the beneficiaries in accordance with their respective interests hereunder. The Trustee notwithstanding any resignation hereunder, shall continue to have a first lien on the trust property, for its costs, expenses and attorney's fees and for its reasonable compensation.

This Trust Agreement shall not be placed on record in the Recorder's Office or filed in the office of the Register of Titles of the County in which the real estate is situated, or elsewhere, and the recording of the name shall not be considered a relinquishment of the rights of any person hereunder, derogatory to the title or powers of said Trustee.
