B. In order to provide for the payment of taxes, assessments, insurance premiums, and other annual charges upon the property securing this indebtedness, and other insurance required or accepted, I promise to pay to the Mortgagee, a pro rata portion of the current year taxes upon the disbursement of the loan and to pay monthly to the Mortgagee, in addition to the above payments, a sum estimated to be equivalent to one-twelfth of such items, which payments may, at the option of the Mortgagee, (a) be held by it and cumulated with other such funds or its own funds for the payment of such items; (b) be carried in a savings account and withdrawn by it to pay such items; or (c) be credited to the unpaid balance of said indebtedness as received, provided that the Mortgagor advances upon this obligation sums sufficient to pay said items as the same accrue and become payable. If the amount estimated to be sufficient to pay said items is not sufficient, I promise to pay the difference upon demand. If such sums are held or carried in a savings account, or escrow account, the same are hereby pledged to further secure this indebtedness. The Mortgagee is authorized to pay said items as charged or billed without further inquiry.

C. E. That it is the intent hereof to secure payment of said note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract;

The most striking feature of the tide-gauge record is the regularity with which the waves pass through the same points of maximum and minimum height. The period of the waves is about 12 hours, and they are therefore called diurnal waves. They are produced by the daily variation of the sun's and moon's gravity, and are superimposed on the semidiurnal waves.

That option has the consumer benefit of an "in-store" purchase of an item, instead of a purchase of a service, such as a haircut or a manicure. This is the most common form of self-purchased services, such as haircuts, massages, and manicures. It is also the most common form of self-purchased products, such as clothing, shoes, and accessories. This is because self-purchased products are more likely to be used than self-purchased services. For example, if you buy a haircut at a salon, you are more likely to use it than if you buy a haircut at a barbershop. Similarly, if you buy a massage at a spa, you are more likely to use it than if you buy a massage at a gym. LOAN NUMBER 11-507069-3

This Rider made this 12th day of May, 1993 on an addition and
modification to the Mortgage wherein

Robert O. Harder and Doris Ann Harder, his wife

CENTRAL FEDERAL SAVINGS AND LOAN ASSOCIATION OF CHICAGO is designated as "Mortgagor" and
is designated as "Mortgagee".

1) Interest for each month shall be added to the unpaid principal balance on the first day
of said month at *****One***** percent (**1.00%**) above Central
Federal Savings prime rate. All interest shall be computed using a 30 day month on the basis
of a year consisting of 360 days. The Mortgagor hereby acknowledges that the prime rate
referred to herein may, at any time during the term of the Note, be greater than the lowest
interest rate charged by the Mortgagor to its most creditworthy customers at any such time.
Notwithstanding that the Mortgagor may extend credit at interest rates lower than this
prime rate to its most creditworthy customers, the Mortgagor agrees that this prime rate shall
control the rate of interest to be paid hereunder.

2) While any principal hereunder remains unpaid, if the prime rate is increased or decreased
from the present prime rate, which is *****Six***** percent
(**6.00%**) per annum, the interest rate payable hereunder shall be increased or decreased
by an amount equal to the amount of such change in the prime rate, effective as of the first
day of the month beginning on August 1, 1994, and on that day of the
month every *****Twelve***** (**12**) months thereafter until the loan is paid in full.
Each date on which the interest rate could change is called a "Change Date". The Note Holders
will then determine the amount of the monthly payment that would be sufficient to repay in
full the principal the Maker is expected to owe on the Change Date in substantially equal
payments based upon the remaining amortization period of the loan. The result of this cal-
culation will be the new amount of the monthly payment. The new interest rate will become
effective on each Change Date. The Maker will pay the amount of the new monthly payment
beginning on each Change Date until the amount of the monthly payment changes again.

3) In the event of any default in payment of any monthly instalment or default in the Mortgage
securing the Note, the interest shall accrue on all the unpaid principal and interest at an
annual rate of *****Two and One-Half***** (**2.50%**) above the prime rate until
such default is cured. Monthly payments will be in default if not received by the end of the 20th day of the
month or on the preceding business day if a legal holiday or nonbusiness day.
4) THE ENTIRE UNPAID PRINCIPAL BALANCE AND ANY UNPAID ACCRUED INTEREST THEREON, IF NOT SOONER
PAID, SHALL BE DUE AND PAYABLE IN FULL ON May 1, 2003.

Nothing contained under this Rider shall be construed to provide for an increase in the
length of the term of this Mortgage. Except as changed herein, all provisions of the Mortgage
to which this Rider is affixed shall remain in full force and effect.
