

MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE)

THIS MORTGAGE ("Security Instrument") is given on May 5, 1993, by Marc A. Taylor, a divorced man not since remarried ("Mortgagor"). This Security Instrument is given to Mid Town Bank and Trust Company of Chicago, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of Two Hundred Seventy Thousand Four Hundred and 00/100 Dollars (U.S. \$270,400.00), which indebtedness is evidenced by a certain note dated of even date herewith ("Note"), which Note provides for payments of the indebtedness as set forth below:

Interest

Borrower promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by this Note at the following rate: Six and Three-Eighths percent (6.375%) per annum.

Interest shall be computed on the basis of a 360-day year.

Tax

This Note shall be due and payable in full on the maturity date which shall be May 15, 1998 (the "Maturity Date").

Required Payments

Principal and interest payments in the amount of One Thousand Six Hundred Eighty-Six and 95/100 (\$1,686.95) Dollars (based on a Thirty (30) year amortization) shall be due and payable monthly beginning June 1, 1993 and on that day each month thereafter until all of said outstanding principal plus any remaining accrued interest and late charges, if any, are repaid in full.

Rate Change Provision

The rate stated above is a special rate offered by Lender to Borrower on the strict condition that the Borrower maintain a checking account with Lender which will be automatically debited for payments due under the loan. If Borrower fails to maintain an account with a sufficient balance when needed to be debited automatically for each payment, when due, then, at Lender's option, the interest rate will increase one-half percent (0.50%) per annum, and such increase will be effective as of the first day of the month preceding the month in which a payment is not automatically debited.

Borrower shall have no obligation to maintain a checking account with Lender or to continue with the automatic debiting of the account. At any time Borrower may instruct Lender to close such checking account or discontinue the automatic debiting of such account; provided, however, that if the interest rate is automatically increased as herein provided (whether on account of a default or voluntary action of the Borrower), Lender shall have no obligation to reinstate the lower interest rate if the Borrower cures any default or later requests reinstatement of the automatic debiting procedure.

If the Initial Interest Rate is increased, the amount of each remaining Monthly Installment will be higher than the amount stated in "Required Payments" paragraph above.

If the Initial Interest Rate increased after one (1) year, then, for the remaining term of the Note, Borrower shall be required to make Forty-Eight (48) monthly installments each in the amount of One Thousand Seven Hundred Seventy-Four and 67/100 (\$1,774.67) Dollars and One (1) remaining payment of principal and interest and late charges, if applicable.

This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under any paragraph herein to protect the security of this Security Instrument; and (c) the performance of Mortgagor's covenants and agreements under this Security Instrument and the Note and all other documents and agreements entered into in connection therewith (the "Loan Documents"). For this purpose, Mortgagor does hereby mortgage, grant and convey to Lender the following described property located in Cook County, Illinois:

Deposits of Taxes and Insurance Premiums. To the full extent permitted by law, to further secure the payment of said principal sum of money and interest thereon, Mortgagor agrees to deposit with the holder of the Note each and every month commencing on the first payment date, until the Indebtedness hereby secured shall have been fully paid, an amount equal to one-twelfth of 1% of the annual real estate taxes, special assessment levies and property insurance premium (hereinafter referred to as "Funds"). If the Funds so deposited exceed the amount required to pay such taxes, assessment (general and special) and/or insurance premiums for any year, the excess shall be applied on a subsequent deposit or deposits. Mortgagor acknowledges that the sums so deposited shall create a debtor-creditor relationship only and shall not be considered to be held by the holder of the Note in trust and that the holder of the Note shall not be considered to have consented to act as the Mortgagor's agent for the payment of such taxes, levies and premiums. In the event of a default in any of the provisions contained in this security instrument or in the Note secured hereby, the holder of the Note may at their option, without being required to do so, apply any monies at the time of deposit on any of the Mortgagor's obligations herein or in the Note contained in such order and manner as the holder of the Note may elect. When the Indebtedness secured hereby has been fully paid, any remaining deposits shall be paid to Mortgagor or to the then owner or owners of the mortgaged premises.

1. Lender's Right of Inspection. Lender, its successors or assigns shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

2. The Lender, its successor or assignee making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

3. In case of default thereon, Lender, its successor or assignee may, but need not, make any payment or perform any act herein before required of Mortgagor in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other lien or title or claim thereof, or redeem from any tax sale or foreclosure affecting the premises or contest any tax or assessment. 4. Payments and Advances by Lender After Default. In case of default thereon, Lender, its successor or assignee may, but need not, make any payment or perform any act herein before required of Mortgagor in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other lien or title or claim thereof, or redeem from any tax sale or foreclosure affecting the premises or contest any tax or assessment. 5. Appointment of Receiver. Upon, or at any time after the filing of a bill to foreclose this security instrument, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice with respect to the solvency or insolvency of Mortgagor at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and Lender, its successor or assignee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the full statutory period of redemption and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Mortgagor, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or appropriate in such cases for the protection, preservation, control, management and operation of the premises during the whole of said period. The court in whole or in part of the Indebtedness secured hereby, or by any decree foreclosing this security instrument, or any tax, special assessment or other lien or of any provision hereof shall not be subject to any defense which would not be good and available to the party intervening and in an action at law upon the Note hereby secured.

6. Appointment of Receiver. Upon, or at any time after the filing of a bill to foreclose this security instrument, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice with respect to the solvency or insolvency of Mortgagor at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and Lender, its successor or assignee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the full statutory period of redemption and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Mortgagor, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or appropriate in such cases for the protection, preservation, control, management and operation of the premises during the whole of said period. The court in whole or in part of the Indebtedness secured hereby, or by any decree foreclosing this security instrument, or any tax, special assessment or other lien or of any provision hereof shall not be subject to any defense which would not be good and available to the party intervening and in an action at law upon the Note hereby secured.

K. Restrictions on Transfer:

1. In determining whether or not to make the loan secured hereby, Lender examined the credit-worthiness of Mortgagor and/or Mortgagor's beneficiary or guarantors (if applicable), found the same to be acceptable and relied and continues to rely upon same as the means of repayment of the loan. Lender also evaluated the background and experience of Mortgagor and/or its beneficiary or guarantor (if applicable) in owning and operating property such as the Premises, found the same to be acceptable and relied and continues to rely upon same as the means of maintaining the value of the Premises which is Lender's security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable). Mortgagor and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest of beneficiary in Mortgagor:

- a. may divert funds which would otherwise be used to pay the Note secured hereby;
 - b. could result in acceleration and foreclosure by any such junior encumbrance which would force Lender to take measures and incur expenses to protect its security;
 - c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
 - d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.
2. In accordance with the foregoing and for the purposes of:
- a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
 - b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
 - c. allowing Lender to raise the interest rate and/or collect assumption fees; and
 - d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
 - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
 - (2) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagor (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor, or of any corporation directly or indirectly controlling such beneficiary corporation;
 - (3) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest of the limited partnership or general partnership (herein called the "Partnership") which is the Mortgagor or the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor;
 - (4) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of any corporation directly or indirectly controlling such Partnership.

Any consent by the Lender, or any waiver of an event of default, under this Paragraph shall not constitute a consent to, or waiver of any right, remedy or power of Lender upon a subsequent event of default under this Paragraph.

L. Assignment of Rents

1. To further secure the indebtedness secured hereby, Mortgagor does hereby sell, assign and transfer unto the Lender all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of the Premises or any part hereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by the Lender under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all of such leases and agreements, and all the avails thereunder, unto the Lender, and Mortgagor does hereby appoint irrevocably the Lender its true and lawful attorney in its name and stead (with or without taking possession of the Premises) to rent, lease or let all or any portion of the Premises to any part or parties at such rental and upon such terms as said Lender shall, in its discretion, determine, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, existing on the Premises, with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as the Lender would have upon taking possession of the Premises.
2. The Mortgagor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than two installments in advance, and that the payment of none of the rents to accrue for any portion of the Premises has been or will be waived, released, reduced, discounted, or otherwise discharged or compromised by the Mortgagor. The Mortgagor waives any rights or set off against any person in possession of any portion of the Premises. Mortgagor agrees that it will not assign any of the rents or profits of the Premises, except to a purchaser or grantee of the Premises.
3. Nothing herein contained shall be construed as constituting the Lender as a mortgagee in possession in the absence of taking of actual possession of the Premises by the Lender. In the exercise of the powers herein granted the Lender, no liability shall be asserted or enforced against the Lender, all such liability being expressly waived and released by Lender.
4. The Mortgagor further agrees to assign and transfer to the Lender all future leases regarding all or any part of the Premises hereinbefore described and to execute and deliver, at the request of the Lender, all such further assurances and assignments in the Premises as the Lender shall from time to time require.
