presence, disposal, release or threatened release of any Hazardous Materials on, over, under, from or affecting the Premises or the soil, water, vegetation, buildings, personal property, persons or animals; (D) any personal injury (including wrongful death or property damage) resulting from or arising out of or related to such Hazardous Materials on the Premises; (E) any law brought by the state or settlement reached or government order relating to such Hazardous Materials with respect to the Premises; and (F) any violation of laws, orders, regulations, requirements or demands of government authorities, or any policies or requirements of the Mortgagor, which are based upon or in any way related to such Hazardous Materials used on the Premises. The indemnity obligations under this paragraph are specifically limited as follows:

(A) The Mortgagor shall have no indemnity obligation with respect to Hazardous Materials that are first introduced to the Premises or any part of the Premises subsequent to the date that the Mortgagor's interest in and possession of that part of the Premises to which such Hazardous Materials have been so introduced shall have fully terminated by foreclosure of this Mortgage or acceptance of a deed in lieu of foreclosure.

(B) The Mortgagor shall have no indemnity obligation with respect to any Hazardous Materials introduced to the Premises or any part of the Premises by the Mortgagor, its successors or assigns.

The Mortgagor agrees that in the event this Mortgage is foreclosed or the Mortgagor holds a deed in lieu of foreclosure, the Mortgagor shall deliver the Premises to the Mortgagor free of any and all Hazardous Materials which are then required to be removed (whether over time or immediately) pursuant to applicable federal, state and local laws, ordinances, rules or regulations affecting the Premises.

For purposes of this Mortgage, "Hazardous Materials", means any materials or substance: (i) which is or becomes defined as a "hazardous substance", "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act (42 USC Section 9601 et seq) and amendments thereto and regulations promulgated thereunder; (ii) containing gasoline, oil, diesel fuel or other petroleum products; (iii) which is or becomes defined as a "hazardous waste" pursuant to the Federal Resource Conservation and Recovery Act (42 USC Section 6901 et seq) and amendments thereto and regulations promulgated thereunder; (iv) containing polychlorinated biphenyls (PCBs); (v) containing asbestos; (vi) which is radioactive; (vii) which is biologically hazardous or (viii) the presence of which requires investigation or remediation under any federal, state or local statute, regulation, ordinance or policy; or (ix) which is or becomes defined as a "hazardous waste", "hazardous substance", "pollutant" or "contaminant" under any federal, state or local statute, regulation or ordinance; or (x) any toxic, explosive, corrosive or otherwise hazardous substance, material or waste which is or becomes regulated by any federal, state or local governmental authority; or (xi) which causes a nuisance upon or waste to the Premises.

"Governmental Regulation(s)" means any law, regulation, rule, policy, ordinance or similar requirement of the United States, any state, any county, city or other agency or subdivision of the United States or any state.

The provisions of this section shall be in addition to any and all other obligations and liabilities the Mortgagor may have to the Mortgagor under the Debt, any loan document, and in common law, and shall survive (a) the repayment of all sums due for the Debt, (b) the satisfaction of all of the other obligations of the Mortgagor in this Mortgage and under any loan document, (c) the discharge of this Mortgage, and (d) the foreclosure of this Mortgage or acceptance of a deed in lieu of foreclosure. Notwithstanding anything to the contrary contained in this Mortgage, it is the intention of the Mortgagor and the Mortgagor that the indemnity provisions of this section shall only apply to an action commenced against any owner or operator of the Premises in which any interest of the Mortgagor is threatened or any claim is made against the Mortgagor for the payment of money.

17. EVENTS OF DEFAULT/ACCELERATION: Upon the occurrence of any of the following, the Mortgagor shall be entitled to exercise its remedies under this Mortgage or as otherwise provided by law: (1) The Mortgagor or, if other than the Mortgagor, any principal obligor of the Debt ("Principal Obligor") fails to pay when due any amount payable under the note(s), the guaranty, or any other agreement evidencing the Debt; (2) the Mortgagor or Principal Obligor (a) fails to observe or perform any other term of the note(s), the guaranty, or any other agreement evidencing the Debt or (b) makes any materially incorrect or misleading representation in any financial statement or other information delivered to the Mortgagor; (3) the Mortgagor or Principal Obligor defaults under the terms of this Mortgage, any loan agreement, mortgage, security agreement, or other document executed as part of the Debt transaction or any guaranty of the Debt becomes unenforceable in whole or in part, or any guarantor fails to promptly perform under such a guaranty; (4) the Mortgagor fails to pay when due any amount payable under any note or agreement evidencing debt to the Mortgagor or defaults under the terms of any agreement or instrument relating to or securing any debt for borrowed money owing to the Mortgagor; (5) a "reportable event" (as defined in the Employee Retirement Income Security Act of 1974 as amended) occurs that would permit the Pension Benefit Guaranty Corporation to terminate any employee benefit plan of the Mortgagor or Principal Obligor or any affiliate of the Mortgagor or Principal Obligor; (6) the Mortgagor or Principal Obligor becomes insolvent or unable to pay its debts as they become due; (7) the Mortgagor or Principal Obligor (a) makes an assignment for the benefit of creditors, or (b) consents to the appointment of a custodian, receiver, or trustee for itself or for a substantial part of its assets, or (c) commences any proceeding under any bankruptcy, reorganization, liquidation, insolvency or similar laws of any jurisdiction; (8) a custodian, receiver, or trustee is appointed for the Mortgagor or Principal Obligor or for a substantial part of its assets without the consent of the party against which the appointment is made and is not removed within 60 days after such appointment; (9) proceedings are commenced against the Mortgagor or Principal Obligor under any bankruptcy, reorganization, liquidation, or similar laws of any jurisdiction, and such proceedings remain undismissed for 60 days after commencement, or the Mortgagor or Principal Obligor consents to the commencement of such proceedings; (10) any judgment is entered against the Mortgagor or Principal Obligor, or any attachment, levy, or garnishment is issued against any property of the Mortgagor or Principal Obligor; (11) any proceedings are instituted for the foreclosure or collection of any mortgage, judgment or lien affecting the Premises; (12) the Mortgagor sells, transfers or hypothecates any part of the Premises except as provided in this Mortgage without the prior written consent of the Mortgagor; (13) the Mortgagor or Principal Obligor dies; (14) The Mortgagor or Principal Obligor, without the Mortgagor's written consent, (a) is dissolved, (b) merges or consolidates with any third party, (c) sells a material part of its assets or business outside the ordinary course of its business, or (d) agrees to do any of the foregoing; (15) there is a substantial change in the existing or prospective

financial condition of the Mortgagor or Principal Obligor which the Mortgagor in good faith determines to be materially adverse.

18. REA EDITIONS LTD. (REED, LTD.): Upon the occurrence of any of the events or default set forth in this Mortgage at the sole option of Mortgagor, the note and/or any other liabilities shall become immediately due and payable and Mortgagor shall pay all expenses of Mortgagor including attorneys' and paralegal fees and all expenses incurred in connection with this Mortgage and all expenses incurred in the enforcement of Mortgagor's rights in the Premises and other costs incurred in connection with the disposition of the Premises. When the indebtedness secured hereby shall become due whether by acceleration or otherwise, Mortgagor shall have the right to foreclose the lien of this Mortgage. In any suit to foreclose the lien of this Mortgage, there shall be allowed and included as additional indebtedness in the judgment of foreclosure all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagor for attorneys' and paralegal fees, appraisal fees, costs for documentary and expert evidence, surveyor's charges, publication costs and costs of procuring all abstracts of title, title search fees and examinations, title insurance policies, Torrens certificates, tax and lien searches and similar dues and assurances with respect to title as Mortgagor may deem to be reasonably necessary either to prosecute the foreclosure suit or to evidence to bidders at any foreclosure sale. All of the foregoing items, which may be expended after entry of the foreclosure judgment, may be estimated by Mortgagor. All expenditures and expenses mentioned in this paragraph, when incurred or paid by Mortgagor shall become additional indebtedness secured hereby and shall be immediately due and payable, with interest thereon at the highest rate permitted under any of the instruments evidencing any of the Debt. This paragraph shall also apply to any expenditures or expenses incurred or paid by Mortgagor or on behalf of Mortgagor in connection with (a) any proceeding, including without limitation, probate and bankruptcy proceedings, to which Mortgagor shall be a party, either as plaintiff, claimant or defendant, by reason of this Mortgage or any indebtedness secured hereby; or (b) any preparation for the commencement of any suit for the foreclosure of this Mortgage after accrual of the right to foreclose whether or not actually commenced or preparation for the commencement of any suit to collect upon or enforce the provisions of the note or any instrument which secures the note after default, whether or not actually commenced; or (c) any preparation for the defense of any threatened suit or proceeding which might affect the Premises or the security hereof, whether or not actually commenced. The proceeds of any foreclosure sale shall be distributed and applied in the following order of priority: first, on account of all costs and expenses incident to the foreclosure proceedings, including all the items that are above mentioned; second, all other items which under the terms of this Mortgage constitute indebtedness secured by this Mortgage additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note and the liabilities (first to interest and then to principal); fourth, any surplus to Mortgagor or Mortgagor's heirs, legal representatives, successors or assigns, as their rights may appear. Upon, or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such suit is filed may grant the Mortgagor the right to possess the Premises pursuant to Chapter 10, Sections 15-1701 through 15-1703 of the Illinois Revised Statutes and/or appoint a receiver of the Premises. Such grant and/or appointment may be made either before or after entry of judgment of foreclosure, without notice, without regard to the solvency or insolvency of Mortgagor at the time of application for the grant and/or without regard to the then value of the Premises or whether the Premises shall be then occupied as a homestead or not. Mortgagor may be appointed as the receiver. The Mortgagor in possession and/or receiver shall have all power conferred by law including but not limited to the power to collect the rents, issues and profits of the Premises during the pendency of the foreclosure suit and, in case of an entry of judgment of foreclosure, during the full statutory period of redemption, if any, whether there be redemption or not, as well as during any further times when Mortgagor, except for the intervention of Mortgagor in possession or receiver, would be entitled to collect the rents, issues and profits. The Mortgagor in possession and/or receiver shall also have all other powers which may be necessary or convenient for the protection, possession, control, management and operation of the Premises. The court in which the foreclosure suit is filed may from time to time authorize the Mortgagor in possession or receiver to apply the net income in its hands in payment in whole or in part of the indebtedness secured hereby, or secured by any judgment foreclosing this Mortgage, or any tax, special assessment or other lien or encumbrance which may be or will become superior to the lien hereof or of the judgment, and the deficiency judgment against Mortgagor or any guarantor of the note in case of a foreclosure sale and deficiency. No action for the enforcement of the lien of this Mortgage shall be subject to any defense which would not be good and available to the party intervening the same in an action at law upon the note.

HAZARDOUS WASTE. The stronger regulations that the state has used to reduce hazardous wastes in its environment have been largely responsible for the decline in the amount of hazardous wastes that are generated by industry. This decline is due to the implementation of more stringent regulations, which have been established by the state to control the generation and disposal of hazardous wastes. These regulations require industries to take steps to reduce the amount of hazardous wastes they generate, such as recycling and reusing materials, reducing waste generation through process improvements, and developing new technologies to reduce waste generation. In addition, the state has also imposed restrictions on the types of hazardous wastes that can be disposed of in landfills, and has required industries to follow strict guidelines for the safe handling and disposal of these wastes. The result of these efforts has been a significant reduction in the amount of hazardous wastes generated by industry, which has helped to protect the environment and public health.
