4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay r.1) change on the first day of JUNE 1, 1996 and on that day every 12th minut thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Charge Date, my increst rate will be based on an Index. The "Index" is the monthly weighted average cost of savings, horrowings and advances of members of the Federal Home Loan Bank of San Francisco (the "Bank"), as made available by the Bank. The most recent Local Super available as of the date 45 days before each Change Date is called the "Current lodex."

If the Index is no longer available, the Nete Helder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding 3,25 percentage points (3,2500000%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4 (D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the muturity date of my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than

7,37500 % or less than

5,375 %. Thereafter, my interest rate will never be increased or decreated on any single Change Date by more than

ONE percentage points (12) from the rate of interest I have been poying for the preceding

months. By interest rate will never be greater than

12,37500000000%.

(B) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amoust of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by now to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.
