DEFINITIONS. The following words shall have the following meanings when used in this Mortgage. Terms not otherwise defined in this Mortgage shall have the meanings attributed to such terms in the Uniform Commercial Code. All references to dollar amounts shall mean amounts in lawful money of the United States of America.

Credit Agreement. The words "Credit Agreement" mean the revolving line of credit agreement dated April 14, 1994, between Lender and Grantor with a credit limit of \$100,000.00, together with all renewals of, extensions of, modifications of, refinancings of, consolidations of, and substitutions for the Credit Agreement. The interest rate under the Credit Agreement is a variable interest rate based upon an index. The index currently is 6.250% per annum. The Credit Agreement has tiered rates and the rate that applies to Grantor depends on Grantor's outstanding account balance. The interest rate to be applied to the outstanding account balance shall be at a rate 1.00 percentage points above the index for balances of \$24,999.99 and under and at a rate 0.500 percentage points above the index for balances of \$25,000.00 and above, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 10.00% per annum or the maximum rate allowed by applicable law.

The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement.
