5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all premium and premium and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not breached. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the amount accrued by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to make a claim, Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leasehold. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or render the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any proceeding action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is an a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's action may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Lender reserves the right to require Borrower to pay the premiums required to maintain the mortgage insurance in effect.

payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing, or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note, (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note, or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

• **17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest therein is sold or transferred or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 30 days for such other period as applicable law may specify for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment adverse this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which they would be due under this Security Instrument and the Note as if no acceleration had occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (d) takes such action as Lender may reasonably require to assure that the loan of this Security Instrument, Lender's right in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged upon reinstatement by Borrower, the Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity known as the "Loan Servicer" that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, herbicides and pesticides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default, set a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and tell that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorney's fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument and release or charge to Borrower. Borrower shall pay any recording costs.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

[B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER]

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 17 of the Security Instrument shall be in effect as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date of this notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. When Borrower's initial fixed interest rate changes to an adjustable rate under the terms stated in Section 4 above, Uniform Covenant 17 of the Security Instrument contained in Section B.1 above shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the transfer is in breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Adjustable Rate Rider.

ADJUSTABLE RATE RIDER (1 YEAR TREASURY INDEX - RATE CAPS)

THIS ADJUSTABLE RATE RIDER is made this 11th day of September, 19²¹
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or
Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to
secure Borrower's Adjustable Rate Note (the "Note") to U.S. Bank, N.A. (the "Lender") of the same date and covering the property described in the
Security Instrument and located at

8548 West Schubert Avenue
Chicago, IL 60631

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE
AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S
INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE
BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security
Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 6.00%.
The Note provides for changes in the interest rate and the monthly payments, as follows:

B. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on January 1, 2002, and on that day and every
12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the
weekly average yield on United States Treasury securities adjusted to a constant maturity of 1
as made available by the Federal Reserve Board. The most recent Index figure available at the
date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon
comparable information. The Note Holder will give me notice of any choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding
Two and Three Quarters percentage points (2.75%) to the Current
Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one
percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount
will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to
repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date
at my new interest rate in substantially equal payments. The result of this calculation will be the new
amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than
9.500 % or less than 1.193 %. Thereafter, my interest rate will
never be increased or decreased on any single Change Date by more than two percentage points
(2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate
will never be greater than 12.000 %, nor lower than 6.125 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new
monthly payment beginning on the first monthly payment date after the Change Date until the
amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount
of my monthly payment before the effective date of any change. The notice will include information
required by law to be given me and also the title and telephone number of a person who will answer
any question I may have regarding the notice.

THIS SECURITY INSTRUMENT combines uniform covenants for national use without provision for limited variations by jurisdiction to constitute a uniform security instrument (hereinafter referred to as "Security Instrument") shall be governed by federal law and the law of the jurisdiction in which the Property is located.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST; PREPAYMENT AND LATE CHARGES. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. FUNDS FOR TAXES AND INSURANCE. Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to Lender's estimate, as described below, of the amount of each type of yearly taxes and assessments which may affect priority over this Security Instrument. In case of failure of the yearly leasehold payments or ground rents on the Property to pay in one-tenth of the yearly taxes or property insurance premiums, if any, and one-twelfth of the yearly third insurance premiums, if any, or late charges on the yearly mortgage insurance premiums, if any, and three-tenths of any sums which are necessarily paid by Borrower to Lender, whether now or in the future, in connection with a subsequent sale of the Property described in the Note, the items described in (a) - (e) are called "Escrow Items".

The Funds shall be placed in an account ("Escrow Account") at an institution which may be a bank or a federal agency instrumentality or entity including savings & loan, if Lender is such an institution or if any Federal Home Loan Bank, Lender may charge Borrower for holding and operating the Escrow Account. If Lender holds escrow funds relating to Escrow Items, and Lender may require Borrower to pay a late fee charge to establish a reasonable fee regarding the time and as provided by Lender in connection with this loan. Lender shall not be required to pay Borrower any interest or a percentage of the Funds.

Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly Funds being disbursed for each Escrow Item, at its option Lender may analyze the Escrow Account at any time. Lender shall estimate the amount of Funds needed in the Escrow Account to pay future Escrow Items, based on the date of the most recent date, notwithstanding the anticipated disbursement date for each Escrow Item, in each year in excess of a period of three years. If Lender does not analyze (iii) the time interval between disbursements for each Escrow Item, and if Lender estimates (i) Funds in the Escrow Account for each Escrow Item at the time Lender analyzes the Escrow Account, Lender shall determine again that it is still sufficient to disburse all of the amount of Funds needed in the Escrow Account for an appropriate period of time to meet all of the needs of the escrow items. Funds in the Escrow Account for each Escrow Item will not be sufficient to pay such item when due, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency, notwithstanding the time of default if after receipt of notice from Lender, Borrower fails to timely pay Lender the amount of the deficiency. If Lender's initial discretion, Borrower may repay any deficiency in whole or in part, if Lender's initial analysis indicates that the Funds in the Escrow Account will be sufficient to pay Escrow Items when due. Lender shall refund any such excess to Borrower within 30 days of the date of the final analysis. In addition to the Funds estimated as described above, and to ensure that the Funds in the Escrow Account will be sufficient to pay Escrow Items when due, Lender may require Borrower to maintain in the Escrow Account a sufficient balance of Funds not to exceed 2 monthly escrow payments.

Lender shall apply the Funds to pay the Escrow Items when due. Lender shall give to Borrower an account statement of the Escrow Account, showing credits and debits to the Escrow Account and the purpose for which each debit to the Escrow Account was made. The Funds in the Escrow Account are pledged to Lender as additional security for the amounts secured by this Security Instrument. Upon payment in full of all sums secured by this Security Instrument, Lender shall refund to Borrower any Funds held by Lender. Such refund shall be made within 30 days of Borrower's payment of all sums secured by this Security Instrument. If, under paragraph 2, Lender shall require to sell the Property, Lender prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale in credit against the sums secured by this Security Instrument.

Lender's and Borrower's covenants and agreements under this paragraph 3 are subject to applicable state and federal law.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first to any prepayment charges due under the Note, second to amounts payable under paragraph 2, and any sums payable by Borrower to Lender in accordance with the provisions of paragraph 2, third to sums of the payment of mortgage insurance premiums, third to interest due thereon, fourth to principal due and last to any late charges due under the Note.

4. CHARGES; LIENS.
