PROPERTY ADDRESS: 1427 Homestead Road, LaGrange Park, Illinois 60525

- 1. FOR VALUE RECEIVED, the undersigned, Michael J. Stemberk, (herein called "Borrower") promises to pay to the order of Mid America Federal Savings Bank, a Federal Savings Bank (herein called "Lender") in the manner provided herein the principal sum of Two Hundred Thirty-Nine Thousand Two Hundred and No/100 Dollars (\$239,200.00), together with interest prior to maturity on the balance of principal remaining from time to time unpaid at the respective rates set forth below and interest after maturity on such balances at the Default Rate specified in Section 6 hereof (in each case computed daily on the basis of a 360-day year for each day all or any part of the principal balance hereof shall remain outstanding), principal and interest hereon being payable as hereinafter provided.
- 2. The Lender may collect a "late charge" of Seven (7%) percent of any installment payment of principal and of interest which is not paid on or before the date said payment is due or within fifteen (15) days after the due date thereof.
 - 3. Payments upon this Note shall be made as follows:
 - (a) Or the first day of June 1994 and on the first day of each month thereafter up to and including the Maturity Date, the Borrower shall pay principal and interest in arrears on the unpaid principal balance. The amount of the initial monthly principal and interest payments will be in the amount of \$1,559.49. This amount may change. Interest shall be calculated pursuant to paragraph 4 of this Note.
 - (b) The unpaid principal balance outstanding hereon together with all accrued and unpaid interest thereon shall be due and payable without notice or grace on May 1, 2019 (herein called the "Maturity Date").
 - (c) All payments on account of the indebtedness evidenced by this Note shall be first applied to any costs and expenses incurred by the Lei der pursuant to the terms of the Note and Mortgage, and then to any other indebtedness secured by the Inortgage bearing even date herewith, and then to late charges due to the Lender, and then to interest on the unpaid principal balance hereof, and the remainder to principal.
- 4. The Note provides for an initial interest rate of six and one eighth percent (06.125%) per annum. The Note provides for changes in the interest rate (the rate of interest which the Lender may charge at any given time until the Maturity Date is hereinafter referred to as the "Interest Rate"), and the monthly payments as follows:
 - (A) Change Dates

The Interest Rate may change on the first day of May 1935, and on the same date every twelve (12) months thereafter. Each date on which the Interest Rate may change is called a "Change Pate,"

(B) The Index

Beginning with the first Change Date, the Interest Rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made a valiable by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Lender will choose a new index which is based up in comparable information. The Note Holder will give the Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Lender will calculate a new Interest Rate by adding three and one quarter percentage points (3.250%) to the Current Index. The Lender will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be the new Interest Rate until the next Change Date.

The Lender will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that the Borrower is expected to owe at the Change Date in full on the Maturity Date at the new Interest Rate in substantially equal payments. The result of this calculation will be the new amount of the Borrower's monthly payment.

(D) Limits on Interest Rate Changes

The Interest Rate the Borrower is required to pay at the first Change Date will not be greater than 05.125% or less than 04.125%. Thereafter, the Interest Rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest the Borrower has been paying for the preceding twelve months. The Interest Rate will never be greater than 12.125%.

Property of Cook County Clerk's Office

(E) Effective Date of Changes

The new Interest Rate will become effective on each Change Date. The Borrower will pay the amount of the new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Lender will deliver or mail to the Borrower a notice of any changes in the Interest Rate and the amount of the monthly payment before the effective date of any change. The notice will include information required by law to be given to the Borrower and also the title and telephone number of a person who will answer any questions the Borrower may have regarding the notice.

- 5. Payments upon this Note shall be made (a) at such place as the Lender may from time to time in writing appoint, provided that in the absence of such appointment, such payments shall be made at the offices of Mid America Federal Savings Bank, 55th & Molmes, Clarendon Hills, Illinois 60514 and (b) in lawful money of the United States of America which shall be legal tender for public and private debts at the time of payment.
