The maturity date of this Mortgage is June 6, 1999. The interest rate under the Credit Agreement is a variable interest rate based upon an Index. The Index currently is 7.250% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 0.500 percentage points above the Index, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 19.900% per annum or the maximum rate allowed by applicable law.
