Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly household payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any, and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2801 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

Any amounts disturbed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by the Security Instrument, unless Borrower shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage insurance fees are a condition of making the loan secured by the Security Instrument, and Lender requires to maintain the mortgage insurance in effect, Borrower shall pay the premium required to maintain the mortgage insurance fees are a condition of making the loan secured by the Security Instrument, unless Borrower shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

9. Mortgagor shall pay the premium required by Lender to maintain the mortgage insurance fees are a condition of making the loan secured by the Security Instrument, unless Borrower shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

Borrower, trustee at the time of or prior to an inspection specifically making reasonable cause for the Property, Lender shall give Lender a period of time to inspect the property to make reasonable examination upon and inspection of the Property. Lender shall give Lender a period of time to inspect the property to make reasonable examination upon and inspection of the Property.

6. Occupancy, Possession, Maintenance and Protection; Borrower's, Lessor's, Loan Application; Leasehold; this Security instrument and Lender shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld or delayed. Borrower shall occupy, use and protect the Property as Borrower's principal residence until such time as Lender may exercise his/her right to terminate this Security instrument or to repossess the Property. Borrower shall not be liable for any damage or expense resulting from the use of the Property by Lender or any other person. Lender shall not be liable for any damage or expense resulting from the use of the Property by Borrower or any other person.

7. Protection of Lender's Rights to Perform the Covenants and Agreements contained in this Security instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, or condemnation of title to enforce laws or regulations) that Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender may do anything necessary to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay monthly payments, at Lender's option, to Lender the amount necessary to make up the deficiency. Upon payment in full of all sums secured by this Security instrument, Lender shall promptly refund to Borrower any Funds held by Lender, if, under Paragraph 21, Lender shall acquire or sell the Property, prior to the acquisition of sale of the Property, shall apply any Funds held by Lender at the time of acquisition of sale as a credit against the sums secured by this Security instrument. 3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under Paragraph 2 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under Paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attach prior to this instrument, and leasehold payments or ground rents, if any. Borrower shall pay those obligations in the manner provided in Paragraph 2, if it has paid in that manner. Borrower shall furnish to the person owed payment, Borrower shall promptly furnish to Lender all notices of amounts due to be paid under this paragraph to the person who makes these payments directly. Borrower shall promptly furnish to Lender the amount due under Paragraph 2, if written to the payee of the obligation secured by the lien in a manner acceptable to Lender; (b) contestants in good faith the lien by, or demands repossessions of the lien, or (c) secures from the holder of the lien an agreement satisfactory to Lender to pay off the debt underlying the lien. Security instruments that apply to a lien which may attach prior to this Security instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking in any part of the Property, if so deposited in the account of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

ADJUSTABLE RATE RIDER ARM G-3

Loan No.: 1-677667-2

THIS ADJUSTABLE RATE RIDER dated **June 3, 1984** changes and adds to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") I signed this day. The Security Instrument secures my Note (the "Note") to **GREAT WESTERN MORTGAGE CORPORATION, A DELAWARE CORPORATION** (the "Lender"), also signed this day, and covers my property as described in the Security Instrument and located at: **62 TIMBERLINE DRIVE LEMONT, ILLINOIS 60439**

(Property Address)

ATTENTION: THE NOTE CONTAINS PROVISIONS ALLOWING FOR ADJUSTMENTS TO MY INTEREST RATE AND MY MONTHLY INSTALLMENT. THE NOTE LIMITS THE MINIMUM AND MAXIMUM INTEREST I MUST PAY AND HAS THE POTENTIAL FOR NEGATIVE AMORTIZATION.

The amount of my scheduled monthly installment could be less than the amount required to pay the interest due after a rate adjustment for that installment period. If so, the Note Holder will subtract the amount of my scheduled monthly installment from the amount of interest I owe for that month and will add the difference to the outstanding principal balance of my loan. This occurrence is known as negative amortization. This unpaid interest is called "deferred interest." Under the Note, I must pay interest on the amount added to the principal balance at the same rate of interest I am required to pay on the outstanding loan balance each month.

INTEREST RATE AND MONTHLY INSTALLMENT ADJUSTMENTS

The Note provides for adjustments to my interest rate and my monthly installments as follows:

Initial Interest Rate 4.000%

First Interest Rate Adjustment Date October 1, 1984

Initial Monthly Instalment \$811.61

First Installment Due Date August 1, 1984

Installment Due Date 1st

Maturity Date July 1, 2024

First Installment Adjustment Date August 1, 1985

Minimum Rate* 4.000%

Maximum Rate* 9.980%

Rate Differential 2.600

*The Minimum Rate and Maximum Rate are subject to adjustment as provided in Section 1(d).

1. METHOD OF COMPUTING INTEREST RATE ADJUSTMENTS.

(a) **Adjustment Dates.** The interest rate I will pay will be adjusted on the First Interest Rate Adjustment Date (shown on the front of this Rider) and on every Installment Due Date thereafter.

(b) **The Index.** Beginning with First Interest Rate Adjustment Date, my interest rate will be based on an Index. The "Index" is the monthly weighted average cost of savings, borrowings and advances by the Federal Home Loan Bank of San Francisco (called the "Bank") to Arizona, California and Nevada savings institutions of a type that were eligible to be members of the Bank under applicable federal law in effect on August 8, 1980 (called "Eligible Savings Institutions"), based on statistics compiled and published by the Bank during the term of the Note. If the Index is no longer published or is deemed by the Note Holder in its sole discretion, to be substantially recalculated in a manner that no longer represents the monthly weighted average cost of savings, borrowings and advances by the Bank to Eligible Savings Institutions, then the Note Holder may select an alternate index to permit interest rate adjustments and that alternate index shall be the "Index." If the alternate index selected by the Note Holder is no longer published, the Note Holder may choose another alternate index to permit interest rate adjustments. Each published update of the Index is called the "Current Index."

(c) **Calculation of Adjustment.** The Note Holder will determine each adjusted interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index. The sum of the Current Index and the Rate Differential is the interest rate that will apply to my loan until the next month's interest rate adjustment.

The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the Current Index. The Note Holder is not required to give me advance notice of interest rate adjustments.

(d) **Limits on Interest Rate Adjustments.** The interest rate I am required to pay during the term of this loan will not be greater than the Maximum Rate nor less than the Minimum Rate (shown on the front of this Rider), unless the property securing this loan is sold and the loan is assumed. Sale of the property and assumption of my loan require the Note Holder's consent.
