If Borrower acquires title to the Property, the lessee shall not merge unless Lender agrees to the merger in writing.

4. Charges, fines, Barrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may affect the manner provided in Paragraph 2, or if it not paid in that manner, Barrower shall pay them at time directly to the person owing payment, Barrower shall promptly furnish to Lender all notices of amounts to be paid under this obligation in the manner provided in Paragraph 2, and Lender shall promptly furnish to Barrower such information as to the property makes these payments that Barrower shall promptly furnish to Lender to pay the same directly to the Borrower or to the payee. Barrower shall promptly furnish to Lender all notices of amounts to be paid under this obligation to the payee. Barrower shall pay the same directly to the payee. Borrows shall pay the same directly to the payee.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds held by Lender in accordance with the requirements of applicable law. If the Funds held by Lender for any time is not sufficient to pay the Escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months by payments, at Lender's sole discretion.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceeding against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sum secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

- 1. METHOD OF COMPUTING INTEREST RATE ADJUSTMENTS.**
  - (a) **Adjustment Dates.** The interest rate I will pay will be adjusted on the First Interest Rate Adjustment Date (shown on the front of this Rider) and on every Installment Due Date thereafter.
  - (b) **The Index.** Beginning with First Interest Rate Adjustment Date, my interest rate will be based on an Index. The "Index" is the monthly weighted average cost of savings, borrowings and advances by the Federal Home Loan Bank of San Francisco (called the "Bank") to Arizona, California and Nevada savings institutions of a type that were eligible to be members of the Bank under applicable federal law in effect on August 8, 1989 (called "Eligible Savings Institutions"), based on statistics tabulated and published by the Bank during the term of this Note. If the Index is no longer published or is deemed by the Note Holder, in its sole discretion, to be substantially recalculated in a manner that no longer represents the monthly weighted average cost of savings, borrowings and advances by the Bank to Eligible Savings Institutions, then the Note Holder may select an alternate Index to permit interest rate adjustments and that alternate Index shall be the "Index." If the alternate Index selected by the Note Holder is no longer published, the Note Holder may choose another alternate Index to permit interest rate adjustments. Each published update of the Index is called the "Current Index."
  - (c) **Calculation of Adjustment.** The Note Holder will determine each adjusted interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index. The sum of the Current Index and the Rate Differential is the interest rate that will apply to my loan until the next month's interest rate adjustment.
- The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the Current Index. The Note Holder is not required to give me advance notice of interest rate adjustments.
- (d) **Limits on Interest Rate Adjustments.** The interest rate I am required to pay during the term of this loan will not be less than the Minimum Rate nor more than the Maximum Rate Limitations (shown on the front of this Rider), unless the property securing this loan is sold and the loan is assumed. Sale of the property and assumption of my loan require the Note Holder's consent. Until the 36th Installment Due Date my interest rate may not be adjusted to more than the Tier 1 Maximum Rate shown on Page One. Beginning on the 36th Installment Due Date until the 72nd Installment Due Date my interest rate may not be adjusted to more than the Tier 2 Maximum Rate shown on Page One. Beginning on the 72nd Installment Due Date and for the remainder of the loan term my interest rate may not be adjusted to more than the Tier 3 Lifetime Maximum Rate shown on Page One.
- (e) **Limits on Interest Rate Adjustments upon Assumption.** The Minimum Rate and Maximum Rate Limitations shown on Page One shall apply unless my property is sold and the loan is assumed. If my property is sold and my loan is assumed, the Note Holder may adjust the Minimum Rate and one or more of the Maximum Rate Limitations not more than two (2) percentage points above or below the Minimum Rate and Maximum Rate Limitations shown on Page One. The Note Holder may increase or decrease the Minimum Rate and the Maximum Rate Limitations each time the property is sold and the loan is assumed. The Note Holder, however, may choose not to adjust the Minimum Rate or Maximum Rate Limitations each time the property is sold and the loan is assumed. The Note Holder's choice whether to adjust the Minimum Rate or Maximum Rate Limitations will be made at the time the Note Holder consents to the sale and assumption.

## 2. METHOD OF COMPUTING ADJUSTMENTS TO THE MONTHLY INSTALLMENT.

- (a) **Adjustment Dates.** My monthly installment will be adjusted on the First Installment Adjustment Date (shown on the front of this Rider) and annually thereafter. The date the installment will be adjusted is called the "Installment Adjustment Date".
- (b) **Calculation of Adjustments.** The new installment will be calculated approximately 60 days prior to the Installment Adjustment Date by using the interest rate which is then in effect and the loan balance which would be owing on the Installment Adjustment Date if all regularly scheduled installments are made. The new installment will be an amount which would be sufficient to repay the loan balance used in the calculation over the remaining term of the loan at the interest rate used in the calculation in substantially equal payments.
- (c) **Limitation on Adjustments to the Monthly Installment.** The increases and decreases which occur to the monthly installment on the Installment Adjustment Date will not exceed 1 1/2% of the previous monthly installment except on the tenth (10th) anniversary of the First Installment Due Date, and on each fifth (5th) anniversary during the remaining term of the loan; On the tenth (10th) anniversary, and each fifth (5th) anniversary following, the increases or decreases to the monthly installment may exceed 7 1/2% of the previous installment amount if the calculation of Installment adjustment described in Section 2(b) would result in a greater adjustment.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security instrument, Borrower and Lender further covenant and agree as follows:

### A. TRANSFER OF THE PROPERTY OR OF A BENEFICIAL INTEREST IN BORROWER

Paragraph 17 of the Security Instrument is amended to read as follows:

"(The Note Holder is called the "Lender;" I am called the "Borrower.")

17. **LENDER'S CONSENT REQUIRED.** Lender may declare all sums secured hereby immediately due and payable within 30 days after such declaration except as expressly limited by law, if Borrower without Lender's prior written consent: (a) sells, conveys, contracts to sell, alienates or further encumbers all or any part of the property; or (b) leases all or any part of the property for a term, together with all exercisable options, of 5 years or more; or (c) leases all or any part of the property and, in connection with such lease, grants the lessee an option to purchase all or any part of the property; or (d) suffers the title or any interest in the property to be divested, whether voluntarily or involuntarily; or (e) changes or permits to be changed the character or use of the property; or (f) is a partnership and any of the general partners' interests in the partnership are transferred or assigned whether voluntarily or involuntarily; or (g) is a corporation with fewer than 100 stockholders at the date of execution of this Security Instrument and more than 10% of its capital stock is sold, transferred or assigned during a 12-month period.

### B. FUNDS FOR TAXES AND INSURANCE

The third sentence in the second paragraph of Uniform Covenant 2 of the Security Instrument is amended to read as follows: Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge; provided, however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the monitoring and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

### C. LEGISLATION AFFECTING LENDER'S RIGHTS

Uniform Covenant 13 of the Security Instrument is hereby deleted.

### D. OCCUPANCY AGREEMENT

If Borrower was required to execute an Occupancy Agreement as a condition for obtaining the loan secured by this Security Instrument, the terms of the Occupancy Agreement, including the provisions which make a violation of its terms an event of default under this Security Instrument, are incorporated herein by this reference.
