Borrower will continue to be obligated under the Note and this Mortgage unless Lender releases Borrower in writing.

If Lender, on the basis of any information obtained regarding the transferee, reasonably determines that Lender's security may be impaired, or that there is an unacceptable likelihood of a breach of any covenant or agreement in this Mortgage, or if the required information is not submitted, Lender may declare all of the sums secured by this Mortgage to be immediately due and payable. If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 12 hereof. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. Lender shall be entitled to collect in such proceeding all expenses of foreclosure, including, but not limited to, reasonable attorneys' fees and costs of documentary evidence, abstracts and title reports.

18. Borrower's Right to Reinstate. This Due-On-Transfer Rider is made this _____ day of _____, 19_____, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to _____ (the "Lender") dated _____, _____, (the "Note") and covering the property described in the Security Instrument and located at:

1400 W. 95th Street, Chicago, IL 60643

AMENDED COVENANT: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 16 of the Security Instrument is amended to read as follows.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or an interest therein is sold or transferred by Borrower (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person or persons but is a corporation, partnership, trust or other legal entity) without Lender's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this Security Instrument which does not relate to a transfer of rights of occupancy in the property, (b) the creation of a purchase money security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Lender may, at Lender's option, declare all the sums secured by this Security Instrument to be immediately due and payable.

VARIABLE RATE RIDER

THIS VARIABLE RATE RIDER is made this 19 day of July, 1995,
and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given
by the undersigned (the "Borrower") to secure Borrower's Consumer Loan and Security Agreement to
Bank of America, N.A. (the "Lender") dated July 19, 1995,
(the "Note") and covering the property described in the Security Instrument and located at:

101 E. 75th Street, Oak Lawn, IL 60453

(Property Address)

**The Note contains provisions allowing for changes in the interest rate whenever the
"index rate" changes, and for annual adjustments to Borrower's payment amount, ad-
justments in the loan term or adjustment to Borrower's final payment amount.**

ADDITIONAL COVENANTS.

In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

CHANGES IN PAYMENT SCHEDULE DUE TO INTEREST RATE CHANGES.

The Note provides for an initial annual interest rate of 11 1/2 %, and also provides for changes in the interest rate and payment schedule as follows:

Borrower's rate will be a variable annual rate of 11 1/2 % in excess of the highest U.S. Prime Rate published daily in the Wall Street Journal under "Money Rates," (the "index rate"). If the index becomes unavailable, Lender will select, to the extent permitted by applicable laws and regulations, some other interest rate index that is comparable to the index and will notify Borrower of the change. Lender will recalculate and reset the annual interest rate each business day (excludes Saturday, Sunday and legal holidays), to reflect changes in the index rate. To figure the Annual Percentage Rate, Lender adds 1 1/2 percentage points to the index in effect the previous business day. Lender will change the Annual Percentage Rate on the first business day (excludes Saturday, Sunday and legal holidays) following the day that the index change is published. The interest rate will never be more than 14 1/2 % per year or less than 9.00% per year. The interest rate in effect on the date 120 days before the final payment is due will be the rate Lender charges after that date.

[] Borrower's monthly payment will change annually on each anniversary date of the first payment due date. Lender will determine the amount of the monthly payment that would be large enough to repay the unpaid principal balance of the Note plus interest on that amount in full by the final payment due date. Lender will give to Borrower notice of any changes in the monthly payment at least 25 days (but no more than 120 days) before the date when the change becomes effective. Lender will use the interest rate in effect on the date shown in the notice of payment change (referred to below) to make this calculation. If the Note has not been paid in full by

December 31, 1995, Borrower will pay the remaining unpaid principal and accrued interest in full on that date.

[] Borrower will continue to make regular monthly payments until the unpaid principal and interest due under the Note have been paid in full. Interest rate increases may extend the original payment schedule. If the Note has not been paid in full by

December 31, 1995, Borrower will pay the remaining unpaid principal and accrued interest in full on that date.

[] Borrower's final payment will be adjusted so that the unpaid principal and interest due under the Note will be paid in full.

NOTICE.

Lender will give to Borrower a notice at least once each year during which an interest rate adjustment is implemented without an accompanying change in the amount of the monthly payment. The notice will include the current and prior interest rates, a statement of the loan balance and other information required by law and useful to Borrower.

LOAN CHARGES.

If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits, then: (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (2) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Note.

LEGISLATION.

If, after the date hereof, enactment or expiration of applicable laws have the effect either of rendering the provisions of the Note, the Security Instrument or this Variable Rate Rider (other than this paragraph) unenforceable according to their terms, or all or any part of the sums secured hereby uncollectable, as otherwise provided in the Security Instrument and this Variable Rate Rider, or of diminishing the value of Lender's security, then Lender, at Lender's option, may declare all sums secured by the Security Instrument to be immediately due and payable.

IN WITNESS WHEREOF, Borrower has executed this Variable Rate Rider.
