Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, if the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any foreclosure action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

CONVERSION OPTIONS RIDER

This Conversion Options Rider is made this 16th day of June, 1994, and is incorporated and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note of same date (the "Note") to Merrill Lynch Credit Corporation, a Delaware corporation (the "Lender") and covering the property described in the Security Instrument and located at 1031 Daisy Lane, Inverness, Illinois 60067.  
(Property Address)

**THE NOTE CONTAINS PROVISIONS FOR AN OPTION TO CONVERT THE INTEREST RATE FROM AN ADJUSTABLE RATE TO A FIXED RATE AND AN OPTION TO CONVERT FROM THE CURRENT INDEX TO A NEW INDEX AND MARGIN.**

**Additional Covenants:** In addition to the covenants and agreement made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

## A. Conversion Options

Paragraph 1 of an Addendum to the Note ("Addendum") provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate and to convert from the existing Index to a new index and margin, subject to certain conditions. The provisions set forth in the Addendum are as follows:

### B. CONVERSION OPTIONS

I have two Conversion Options that I can exercise unless I am in default or this Section 1 will not permit me to do so. The "Fixed Rate Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate to the fixed rate calculated under Section 1(A)(1) below. The "Index Conversion Option" is my option to convert the Index and margin to a new index and margin in accordance with the terms of Section 1(B) below. I may not exercise the Index Conversion Option if I have exercised the Fixed Rate Conversion Option; however, I may exercise the Fixed Rate Conversion Option after I have exercised the Index Conversion Option subject to the conditions set forth below.

#### (A) Option to Convert to Fixed Rate

The conversion to a fixed rate can only take place during the period beginning on the first day of the month in which my twelfth (12th) scheduled monthly payment is due until and ending on the fifth day of the month that my sixtieth (60th) scheduled monthly payment is due. This period is called the "Fixed Rate Option Period". I can exercise the Fixed Rate Conversion Option by notifying the Lender of my election to do so only during the first 5 days of each month during the Fixed Rate Option Period. My new interest rate after the conversion will be effective on the first day of the month following my notification to the Lender that I am exercising the Fixed Rate Conversion Option. The date on which my adjustable interest rate converts to the new fixed rate is called the "Fixed Rate Conversion Date."

##### (1) Calculation of Fixed Rate

My new, fixed interest rate beginning on the Fixed Rate Conversion Date will be equal to the Fixed Rate Index, plus seven-eighths of one percentage point (0.875%), rounded to the nearest one-eighth of one percentage point (0.125%). The "Fixed Rate Index" is the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment as published in The Wall Street Journal "Money Rates" table. The Fixed Rate Index for any given month during the Fixed Rate Option Period will be the Fixed Rate Index published in The Wall Street Journal on the first day of that month or, if the Fixed Rate Index is not published on that date, the Fixed Rate Index published on the most recent date prior to the first day of such month. If the new interest rate cannot be determined because the Fixed Rate Index is no longer available, the Lender will determine my interest rate by using

# UNOFFICIAL COPY

If I did not pay Lender an origination fee at closing, the margins set forth above will be increased by an additional one-fourth of one percentage point (.25%). For margin options 1 and 3, my interest rate quoted by adding the index and margin will be rounded to the nearest one-eighth of one percentage point for margin option 2.

Unpaid Principal	Margin Option 3	Margin Option 2	Margin Option 1	Hazard
\$1,000,000 or more	minus .25%	plus 1.50%	plus 2.125%	
\$600,000 - \$999,999	minus 1.25%	plus 1.625%	plus 2.25%	
\$300,000 - \$599,999	plus 0	plus 1.75%	plus 2.375%	
\$200,000 - \$299,999	plus .25%	plus 2.00%	plus 2.625%	
Less than \$200,000	plus .5%	plus 2.25%	plus 2.75%	

My new index used to calculate my interest rate will be either (i) for Margin Option 1, the highest prime rate published in The WALL STREET JOURNAL "Money Rates" table, (ii) for Margin Option 2, the average of interbank offered rates for six-month dollar deposits in the London market based on quotations of major banks as published in The WALL STREET JOURNAL "Money Rates" table, or (iii) for Margin Option 3, the weekly average yield of United States Treasury Securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board in publication H.15. My new index will be the most recent index available as of the date forty-five days prior to the applicable Change Date (the "Index Determination Date"). My margin is to be added or subtracted, as the case may be, to the new index will depend on the margin option selected and the unpaid principal balance of the Note on the Index Determination Date, as follows:

I am exercising the Index Conversion Option. The new index used to calculate my interest rate is the Index Conversion Date is the next Change Date following my timely notification to the Lender that I am exercising the Index Conversion Option. After the conversion will be effective on the Index Conversion Date. My new index and margin after the conversion will be effective on the next Change Date. The election to change index no later than the twenty-fifth (25th) day prior to the next Change Date. My Index Conversion Period, I am exercising the Index Conversion Option by notifying the Lender of my election to change the Index Conversion Option. I may exercise the Index Conversion Option only one time during the Index Option Period. This period is called the "Index Beginning for Y-five (45) days before my tenth (10th) Change Date. This period is called the "Index Beginning for Y-five (45) days occurring each six (6) months annually thereafter until and including the twenty-one day interval beginning the twenty-fifth day prior to my second Change Date and for identical continuing intervals, and including the twenty-fifth day prior to my second Change Date and for identical continuing intervals, and including the twenty-fifth day prior to my second Change Date and for identical (21) day intervals beginning with the forty-fifth day immediately prior to my second Change Date and continuing thereafter until the maturity date of my monthly payment.

## (b) Option to Convert to New Index

If I choose to exercise the Fixed Rate Conversion Option, the Lender will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Fixed Rate Conversion Date (assuming I make the payment due on the Fixed Rate Conversion Date) in full on the Maturity Date. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Fixed Rate Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

## (2) New Payment Amount and Effective Date

comparable information. My new rate calculated under this Section 1(a)(1) may exceed my annual rate limitations set forth in Section 2 below and the Maximum Rate stated in Section 4(D) of the Note but will not be greater than the maximum rate permitted by applicable law.

## (C) Conditions to Exercising Conversion Options

If I want to exercise either of the Conversion Options, I must first meet certain conditions. Those conditions are that: (i) I must still be the owner and occupant of the property subject to the Security Instrument (as defined in the Note); (ii) I cannot have been late on any of the 12 scheduled monthly payments immediately preceding the date on which I give notice of my election to exercise a Conversion Option; (iii) I cannot have been more than 30 days late on any of my scheduled monthly payments; (iv) I must give the Lender notice that I want to exercise a Conversion Option and indicate which option; (v) I must not be in default under the Note or the Security Instrument; (vi) by a date no later than 15 days prior to the Fixed Rate Conversion Date or the Index Conversion Date (as applicable), I must pay the Lender a conversion fee of U.S. \$500 and I must sign and give the Lender any documents the Lender requires to effect the conversion.

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.375%. The Note provides for changes in the interest rate and the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

94550336

##### (A) Change Dates

The interest rate I will pay may change on the first day of January, 1995, and on that day every sixth (6th) month thereafter. Each date on which my interest rate could change is called a "Change Date."

##### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The index is the highest prime rate published in The Wall Street Journal "Money Rates" table. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

##### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding one eighth percentage point (0.125%) to the Current Index. The Note Holder will then round this figure to the nearest one-eighth of one percentage point (0.125%). Subject to the limit stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

(i) **Interest-Only Period.** The "interest-only period" is the period from the date of this Note through June 30, 2004. For the interest-only period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to pay the interest which accrues on the unpaid principal of my loan. The result of this calculation will be the new amount of my monthly payment.

(ii) **Amortization Period.** The "amortization period" is the period after the interest-only period. For the amortization period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.
