TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

**BORROWER COVENANTS** that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

**1. Payment of Principal, Interest and Late Charge.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

**2. Monthly Payments of Taxes, Insurance and Other Charges.** Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments levied or to be levied against the Property, (b) leasehold payments or ground rents on the Property, and (c) premiums for insurance required by paragraph 4.

Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. In any year in which the Lender must pay a mortgage insurance premium to the Secretary, each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tenders to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

**3. Application of Payments.** All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

8. **Fees.** Lender may collect fees and charges authorized by the Secretary.

9. **Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower, and
- (ii) The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

10. **Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 26th day of May, 1984, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to ALWAYZ MORTGAGE SERVICES, INC., AN ILLINOIS CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at: 5424 W. KAMEBLING CHICAGO IL 60651.

(Property Address)

**THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.**

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Date

The interest rate may change on the first day of October 1st, 1995, and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

#### (B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. As used in this Rider, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Lender will give Borrower notice of the new index.

#### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of Two percentage point(s) (2.000 %) to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Paragraph (D), this rounded amount will be the new interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The interest rate will never increase or decrease more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%, higher or lower than the initial interest rate).

#### (E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid balance which would be owed on the Change Date if there had been no default in payment on the Rider, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

#### (F) Notice of Changes

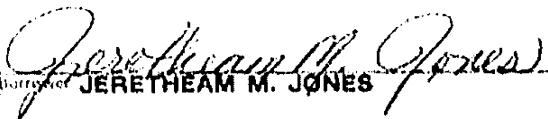

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth: (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii) any other information which may be required by law from time to time.

94557057

#### (G) Effective Date of Changes

A new interest rate calculated in accordance with Paragraphs (C) and (D) will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by Paragraph (F). Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with Paragraph (E) for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with Paragraph (E) decreases, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return to Borrower of any excess payment, with interest thereon at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice), (ii) request that any excess payment, with interest thereon at the Note rate, be applied as payment of principal. Lender's obligation to return any excess payment with interest on demand is not assignable even if the Note is otherwise assigned before the demand for return is made.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
