Lender may estimate the amount of Funds due on the basis of current data and the estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held from institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is curn an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lander shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall be paid on the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all surns secured by this Security instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable lew, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable lew. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items virtue due, Lender may so notify Borrower in Writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender 2 sole discretion.

Borrower shall promptly furnish to Lender all mixtose of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Borrower shall be in default if any forfature action or proceeding, whether civil or criminal, is begun that in Lander's good faith judgment could result in forfature of the Property or otherwise materially impair the lien created by this Security instrument or Lender's security interest. Sorrower may cure such a default and releasing, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfature of the Borrower's interest in the Property or other material impairment of the lien created by this Security instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially faits or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan exidenced by the Nota, including, but not limited to, representations concerning Borrower's occupancy of the Propenty and principal residence.
