TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. 19. **Sale of Notes; Change of Lender**. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without notice to Borrower. A sale may result in a change in the entity known as the "Loan Servicer," that collects monthly payments due under the Note and this Security Instrument. There may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, written notice of the change in accordance with Paragraph 14 above and applicable law, the notice will be given addresses of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by law.

of this Security instrument disclaimed at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security instrument; or (b) entry of a judgment entitling this Security instrument to any power of sale contained in this Security instrument; or (b) would be due under this Security instrument. These conditions are that Borrower: (a) pays and tender all sums which then remain due under this Security instrument; and (b) cures any default of any other condition or provision of this Security instrument and the Note as if no acceleration had occurred; (c) pays all expenses incurred in enforcing this Security instrument, including attorney's fees; and (d) takes such actions as Lender may reasonably require to assure that the intent of this Security instrument, including the rights and obligations set forth in the Note, is carried out.

If lender exercises this option, lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, lender may invoke any remedies permitted by law.

16. Borrower's Copy: Borrower shall be given one conforming copy of the Note and of this Security Instrument.

15. Governing Law: Security instrument shall be governed by the laws of the state or country where it was executed. Any provision in this paragraph which conflicts with the law of the state or country where it was executed shall be deemed invalid to the extent of such conflict.

14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Borrower or Lender given as provided in this paragraph shall be deemed to have been given to Borrower or Lender within seven days after it is delivered to the address set forth above.

13. **Loan Charges.** If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that this instrument is subject to the loan charges collected or to be collected in connection with the loan principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covernments and agreements of this Security instrument shall bind and oblige the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17.

any other power or authority heretofore or hereafter possessed by the Company, whether now existing or hereafter arising, shall be subject to the terms and conditions of this Agreement.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award of title to claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to sell to Lender, either to restore or repair at the expense of the Borrower, either to restore or repair at the expense of the Borrower, or to the sum secured by this Security instrument, whether or not then due.

Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless otherwise agreed in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security instrument whether or not the sums are then due.

Securities instruments shall be reduced by the amount of cash dividends, interest, or other amounts received during the term, and gains or losses arising from the sale of securities before the fair market value of the security instruments shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the security instruments immediately before the taking is less than the amount secured by the security instruments, the amount of the security instruments shall be reduced by the amount of the security instruments immediately before the taking.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by the Facility until the market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by the Facility. In the event of a partial taking of the Facility in which the facility instrument does not become due, the excess paid to Borrower in the event of the taking shall be applied to the sums secured by the Facility until the market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by the Facility.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to the lessee.

If the property is sold and my loan is assumed, the Note Holder may adjust the Maximum Rate up to five percentage points (5.0%) above the interest rate in effect on the date of the assumption. The Note Holder may also adjust the Minimum Rate up to five percentage points (5.0%) below the interest rate in effect on the date of the assumption. The Note Holder may increase or decrease the Maximum Rate and the Minimum Rate each time the property is sold and the loan is assumed. The Note Holder, however, may choose not to adjust the Maximum Rate or Minimum Rate each time the property is sold and the loan is assumed. The Note Holder's choice whether to adjust the Maximum or Minimum Rates will be made at the time the Note Holder consents to the sale and assumption.

## 2. METHOD OF COMPUTING ADJUSTMENTS TO THE MONTHLY INSTALLMENT.

(a) **Adjustment Dates.** My monthly installment will be adjusted on the First Installment Adjustment Date (shown on the front of this Rider) and annually thereafter. The date the installment will be adjusted is called the "Installment Adjustment Date".

(b) **Calculation of Adjustments.** The new installment will be calculated approximately 60 days prior to the Installment Adjustment Date by using the interest rate which is then in effect and the loan balance which would be owing on the Installment Adjustment Date if all regularly scheduled installments are made. The new installment will be an amount which would be sufficient to repay the loan balance used in the calculation over the remaining term of the loan at the interest rate used in the calculation, in substantially equal payments.

(c) **Limitation on Adjustments to the Monthly Installment.** The increases and decreases which occur to the monthly installment on the Installment Adjustment Date will not exceed 7 1/2% of the previous monthly installment except on the tenth (10th) anniversary of the First Installment Due Date, and on each fifth (5th) anniversary during the remaining term of the loan. On the tenth (10th) anniversary, and each fifth (5th) anniversary following, the increases or decreases to the monthly installment may exceed 7 1/2% of the previous installment amount if the calculation of Installment adjustment described in Section 2(b) would result in a greater adjustment.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. TRANSFER OF THE PROPERTY OR OF A BENEFICIAL INTEREST IN BORROWER

9-1581750

### B. FUNDS FOR TAXES AND INSURANCE

The third sentence in the second paragraph of Uniform Covenant 2 of the Security Instrument is amended to read as follows: Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge, provided, however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the monitoring and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

### C. LEGISLATION AFFECTING LENDER'S RIGHTS

Uniform Covenant 13 of the Security Instrument is hereby deleted.

### D. OCCUPANCY AGREEMENT
