All insurance premiums and renewals shall be responsible to the company for payment of standard mortality claims. Under all other losses and renewals, the company shall give prompt notice to the insurance carrier and underwriter.

5. Extended or Proximate Insurance. Insurance which keeps the insured from suffering or terminating or reducing the property insurance loss by fire, hazards included within the term "extended coverage" and any other hazards, including those of flooding, for which underwriters insure.

However, as will subsequently become clear, the security implications of such a power may well exceed the limits of the letter of the law.

4. **Chargers**: Besides, Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attach priority over the Security Instrument, and shall indemnify Lender against any expenses or ground rents, if any; Borrower shall pay those obligations in the manner provided in paragraph 2, or if it not paid in that manner, Borrower shall pay them on time directly to the person or persons due such payments directly; Borrower shall promptly furnish to Lender all notices of nonpayment to be paid under this paragraph. If Borrower makes any payment directly, Borrower shall receive a credit towards the payments.

3. Application of Principles. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2 due, to interest due; fourth, to principal due; and last, to any law changes due under the Note.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender, shall apply any funds held by Lender in the name of acquisition or sale as a credit against the sums secured by this property, shall apply any funds held by Lender in the name of acquisition or sale as a credit against the sums secured by the property, shall apply any funds held by Lender, shall apply any funds held by Lender in the name of acquisition or sale as a credit against the sums secured by the property, Lender shall acquire or sell the property, Lender, prior to the acquisition or sale of

If the funds held by [ ] and exceed the amounts permitted to be held by applicable law, [ ] under shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the funds held by [ ] under any time is not sufficient to pay theorrower items when due, [ ] under may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months from the date of notice, save discretion.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender), if Lender is such an institution) or in any federal Home Loan Bank. Lender shall apply the Funds to pay the face amount of loans, unless Lender pays Borrower interest on the Funds and applies the funds annually and/or quarterly to the interest due on the loans. Lender may not charge Borrower for holding and applying the Funds, annually and/or quarterly the escrow account, or verifying the face amount of loans, unless Lender pays Borrower interest on the Funds and applies the funds annually and/or quarterly to the interest due on the loans. Lender may not charge Borrower interest on the Funds and applies the funds annually and/or quarterly the escrow account, or verifying the face amount of loans, unless Lender pays Borrower interest on the Funds and applies the funds annually and/or quarterly to the interest due on the loans.

Under on the due monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may then previously over due this security instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property; (c) yearly hazard of property insurance premiums; (d) yearly flood insurance premiums; (e) early mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage premiums. These items are called "Fees or Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a holder for a federal mortgagelender may hold under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time for Borrower's account under the federal Real Estate Settlement Procedures Act of 1974 as amended may require for Borrower's account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, collects and holds Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow. Lender is liable for overage in accordance with applicable law that applies to the Funds set a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain those payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note, Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is advised by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**22. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

**23. Waiver of Homestead.** Borrower waives all right to homestead exemption in the Property.

## ADJUSTABLE RATE RIDER

(Six Months -- Wall Street Journal Prime Index)

THIS ADJUSTABLE RATE RIDER is made this 5th day of July, 1994, and is incorporated and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Merrill Lynch Credit Corporation, a Delaware corporation (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

122 South Walnut Schaumburg, Illinois 60193

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS:** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.75%. The Note provides for changes in the interest rate and the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

##### (A) Change Dates

The interest rate I will pay may change on the first day of February, 1995, and on that day every sixth (6th) month thereafter. Each date on which my interest rate could change is called a "Change Date."

##### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The Index is the highest prime rate published in The Wall Street Journal "Money Rates" table. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

##### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding one half percentage point (0.50%) to the Current Index. The Note Holder will then round this figure to the nearest one-eighth of one percentage point (0.125%). Subject to the limit stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

(i) **Interest-Only Period.** The "interest-only period" is the period from the date of this Note through July 31, 2004. For the interest-only period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to pay the interest which accrues on the unpaid principal of my loan. The result of this calculation will be the new amount of my monthly payment.

(ii) **Amortization Period.** The "amortization period" is the period after the interest-only period. For the amortization period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

CONVERSION OPTIONS RIDER

This Conversion Options Rider is made this 5th day of July, 1994, and is incorporated and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note of same date (the "Note") to Merrill Lynch Credit Corporation, a Delaware corporation (the "Lender") and covering the property described in the Security Instrument and located at:

122 South Walnut Schaumburg, Illinois 60193

(Property Address)

**THE NOTE CONTAINS PROVISIONS FOR AN OPTION TO CONVERT THE INTEREST RATE FROM AN ADJUSTABLE RATE TO A FIXED RATE AND AN OPTION TO CONVERT FROM THE CURRENT INDEX TO A NEW INDEX AND MARGIN.**

**Additional Covenants:** In addition to the covenants and agreement made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

## A. Conversion Options

Paragraph 1 of an Addendum to the Note ("Addendum") provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate and to convert from the existing Index to a new index and margin, subject to certain conditions. The provisions set forth in the Addendum are as follows:

### 1. CONVERSION OPTIONS

I have two Conversion Options that I can exercise unless I am in default or this Section 1 will not permit me to do so. The "Fixed Rate Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate to the fixed rate calculated under Section 1(A)(1) below. The "Index Conversion Option" is my option to convert the Index and margin to a new index and margin in accordance with the terms of Section 1(B) below. I may not exercise the Index Conversion Option if I have exercised the Fixed Rate Conversion Option; however, I may exercise the Fixed Rate Conversion Option after I have exercised the Index Conversion Option subject to the conditions set forth below.

#### (A) Option to Convert to Fixed Rate

The conversion to a fixed rate can only take place during the period beginning on the first day of the month in which my twelfth (12th) scheduled monthly payment is due until and ending on the fifth day of the month that my sixtieth (60th) scheduled monthly payment is due. This period is called the "Fixed Rate Option Period". I can exercise the Fixed Rate Conversion Option by notifying the Lender of my election to do so only during the first 5 days of each month during the Fixed Rate Option Period. My new interest rate after the conversion will be effective on the first day of the month following my notification to the Lender that I am exercising the Fixed Rate Conversion Option. The date on which my adjustable interest rate converts to the new fixed rate is called the "Fixed Rate Conversion Date."

#### (1) Calculation of Fixed Rate

My new, fixed interest rate beginning on the Fixed Rate Conversion Date will be equal to the Fixed Rate Index, plus seven-eighths of one percentage point (0.875%), rounded to the nearest one-eighth of one percentage point (0.125%). The "Fixed Rate Index" is the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment as published in The Wall Street Journal "Money Rates" table. The Fixed Rate Index for any given month during the Fixed Rate Option Period will be the Fixed Rate Index published in The Wall Street Journal on the first day of that month or, if the Fixed Rate Index is not published on that date, the Fixed Rate Index published on the most recent date prior to the first day of such month. If the new interest rate cannot be determined because the Fixed Rate Index is no longer available, the Lender will determine my interest rate by using

If I did not pay Lender an origination fee at closing, the margins set forth above will be increased by an additional one-fourth of one percentage point (25%). For margin options 1 and 3, my interest rate will be rounded to the nearest one-eighth of one percentage point for margin option 2.

My new index used to calculate my interest rate will be either (i) for Margin Option 1, the highest prime rate published in The Wall Street Journal "Money Rates" table, (ii) for Margin Option 2, the average of interbank offered rates for six-month dollar deposits in the London market based on quotations of major banks as published in The Wall Street Journal "Money Rates" table, or (iii) for Margin Option 3, the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board in publication H-15. My new index will be the most recent index available as of the date forty-five days prior to the applicable Date (the "Index Determination Date"). My margin to be added or subtracted, as the case may be, to the new index will depend on the margin option selected and the application date (the "Index Determination Date").

(B) (OPTION TO CHANGE TO NEW INDEX)

(2) New Payment Amount and Effective Date

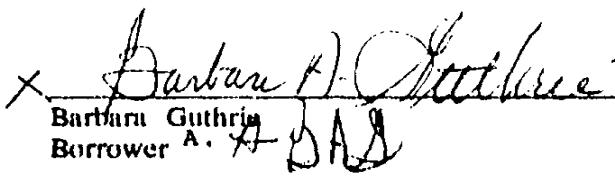

but will not be greater than the maximum rate permitted by applicable law.
