premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, no leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this

If Borrower fails to pay the sums prior to the expiration of this period, Lender may invoke any remedy permitted by this Security Instrument. If Borrower fails to pay the same in full of all sums secured by this Security Instrument, Lender shall have the right to have entered into by Borrower's notice of demand on Borrower.

19. Lender's exercise of his option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the note is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or if this instrument, Lender may, at its option, require immediate payment in full of all sums secured by this Security Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security sold of timberferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without loss of transfer of the Property or a Beneficial Interest in Borrower. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to
PREFERRED MORTGAGE ASSOCIATES, LTD./NW,
AN ILLINOIS CORPORATION (the "Lender")
of the same date and covering the Property described in the Security Instrument and located at:
2091 GINGER CREEK, PALATINE, IL 60074

(Property Address)

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:
INVERARY WEST

(Name of Condominium Project)

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners
Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's
interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower
and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the Condominium Project's
Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium
Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent documents. Borrower shall promptly pay, when due, all dues
and assessments imposed pursuant to the Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master"
or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the
amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended
coverage", then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly
premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 3 to maintain hazard insurance coverage on the Property is deemed
satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether
to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application
to the sums secured by the Security Instrument, with any excess paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association
maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection
with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any
conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to
the sums secured by the Security Instrument as provided in Uniform Covenant 10.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either
partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in
the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;
(ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Lender;
(iii) termination of professional management and assumption of self-management of the Owners Association; or
(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners
Association unacceptable to Lender.

F. Remedies. If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts
disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless
Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note
rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.

THIS ADJUSTABLE RATE RIDER is made this 30TH day of JUNE 1994
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or
Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to
secure Borrower's Adjustable Rate Note (the "Note")

PREFERRED MORTGAGE ASSOCIATES, LTD.

(the "Lender") of the same date and covering the property described in the Security Instrument and
located at:

2091 GINGER CREEK

PALATINE

IL 60074

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE
AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S
INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE
BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

The Note provides for an initial interest rate of 6.000 % The Note provides for changes in
the interest rate and the monthly payments, as follows:

The interest rate I will pay may change on the first day of JULY 1, 1997 and on
that day every 36th month thereafter. Each date on which my interest rate could change is called
a "Change Date."

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the weekly
average yield on United States Treasury securities adjusted to a constant maturity of 3 years, as made
available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before
each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable
information. The Note Holder will give me notice of this choice.

Before each Change Date, the Note Holder will calculate my new interest rate by adding

TWO AND THREE QUARTERS percentage points
(2.750 %) to the Current Index. The Note Holder will then round the sum of this addition to
the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D)
below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay
the unpaid principal that I am expected to owe at the Change Date in full on the maturity date of my new
interest rate in substantially equal payments. The result of this calculation will be the new amount of
my monthly payment.

The interest rate I am required to pay at the first Change Date will not be greater than 8.000
or less than 6.000 % Thereafter, my interest rate will be increased or decreased on any single
Change Date by more than TWO percentage points (2.000 %) from the
rate of interest I have been paying for the preceding 36 months. My interest rate will never be greater than
12.000 % nor lower than 6.000 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay amount of my new monthly payment
beginning on the first monthly payment date after the Change Date until the amount of my monthly payment
changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my
monthly payment before the effective date of any changes. The notice will include information required by
law to be given me and also the title and telephone number of a person who will answer any question I may
have regarding the notice.
