in case of the failure of the holder or transfer of title to any other person by the owner of the instrument, the holder or transferor shall satisfy the loan. Borrower shall satisfy the loan to the extent of the amount paid by the holder or transferor and any part of the Property is subject to a lien which may attach prior to or after the date of recording of the instrument, it shall be the responsibility of the holder of the instrument to pay the holder of the Property to Lender's satisfaction to prevent the instrument from being foreclosed. All rights and interests of the holder of the instrument in the instrument are hereby assigned by the holder to the Lender (to whom it is held to be) or his assigns in good faith with the instrument unless otherwise agreed.

If the instrument makes this payment directly, Borrower shall promptly furnish to Lender receipts evidencing the payment to the person and payment to Lender all amounts so paid under this instrument in the sum or amount provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time basis as stipulated in this instrument, and thereafter pay amounts of ground rents, if any, Borrower shall pay such bills, taxes, other charges due under the Note, interest and expenses of collection, attorney fees, and any late charges due under the Note, and such other expenses as may be applicable to the Lender's interest in the instrument under paragraph 2.

It is understood and agreed, that should any provision of this Note, be held to be invalid, illegal or unenforceable by law provides otherwise, all payments hereinunder shall be applicable to the Lender under paragraph 2.

**IV. Application of Payments.** Unless otherwise provided in the Note, all sums received by the Lender in full or in part shall apply to any late charges due under the Note, second, to amounts payable under paragraph 2, and third, to principal due to any prepayment due and last, to any late charges due under the Note.

In the event of a sale of the instrument, the funds held by Lender shall account for the sums received by the Lender up to the time of acquisition of said asset apart from any sums received by the Lender up to the time of acquisition of said asset apart from any sums received by the Lender in full or in part, shall apply to the amount necessary to make up the deficiency in no more than four months from the date of sale of the instrument.

If the funds held by Lender exceed the amounts permitted to be held by this instrument, Lender shall account for the amounts received by the Lender up to the date of the instrument to make up the deficiency in no more than four months from the date of sale of the instrument.

The funds held by Lender shall be applied as additional security for all sums secured by this instrument.

If any late charge is due under this instrument which is not paid in full, Lender shall provide for the Lender to receive such charge in full or in part, unless otherwise directed by the Lender, unless such late charge is due to an independent real estate tax reporting service or to a late charge in connection with this instrument.

**V. Funds.** Lender may not charge late fees or penalties for holding and applying the instrument according to the instrument, Lender is liable for any late fees or penalties charged by the Lender under this instrument.

**Sixth Paragraph.** THIS SECTRIAL NOTE contains certain covenants for the Lender's protection and non-interference with the instrument. In the event that any provision of this instrument is contrary to any property law or statute of limitations or the like, the provision shall not affect the validity of the instrument.

THE OWNER OF THIS NOTE shall be liable for any damages and expenses incurred and agree as follows:

**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve

to Borrower's Copy, Borrower shall be given one copy of the Note and of this Security Instrument.

16. **Borrower's Power.** In the event of the non-payment of any provision of this Security Instrument by the Borrower, Lender shall have the power to do the following in addition to the powers set forth above:  
**(a) Foreclosure.** Lender may foreclose his rights under the terms of this Security Instrument in accordance with the applicable law, subject to the conditions set forth in this Note.

**(b) Sale.** Lender may sell the property described in this Note at public auction or otherwise in accordance with the applicable law, subject to the conditions set forth in this Note.

**(c) Removal of Mortgagor.** Lender may remove the mortgagor from the property described in this Note at any time without notice to the mortgagor, provided that such action does not violate any applicable law.

**(d) Substitution of Mortgagor.** Lender may substitute the mortgagor with another person in accordance with the applicable law.

**(e) Right of Set Off.** Lender may exercise any right of set off against the Borrower in accordance with the applicable law.

**(f) Right of Substitution.** Lender may substitute the Borrower in accordance with the applicable law.

**(g) Right of Substitution.** Lender may substitute the Borrower in accordance with the applicable law.

**(j) Right of Substitution.** Lender may substitute the Borrower in accordance with the applicable law.

**(k) Right of Substitution.** Lender may substitute the Borrower in accordance with the applicable law.

**(l) Right of Substitution.** Lender may substitute the Borrower in accordance with the applicable law.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**22. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

**23. Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

ADJUSTABLE RATE LOAN RIDER 427832-1

NOTICE : THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

This Rider is made this 16TH day of JUNE , 1994, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to LASALLE CRAGIN BANK FSB , A FEDERAL CORPORATION (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at 9502 NICHOLS, FRANKLIN PARK, ILLINOIS 60131

Property Address

MODIFICATIONS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

## A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 7.0000 %. The Note interest rate may be increased or decreased on the 1ST day of the month beginning on JULY , 1999 and on that day of the month every 12 months thereafter.

### 1. INTEREST RATE CHANGES

#### (A) THE INDEX

Any changes in the interest rate will be based on changes in an interest rate index which will be called the "Index". The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index". The Index is the: (Check one box to indicate Index.)

- (1)  \*Weekly average yield on United States Treasury securities adjusted to a constant maturity of year(s).  
(2)  \*National Average Median Cost of Funds-Monthly  
(3)

If the Index ceases to be made available by the publisher, or by any successor to the publisher, the Note Holder will set the Note interest rate by using a comparable index.

#### (B) CALCULATION OF CHANGES

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO percentage points (-2.7500 %) to the Current Index. AND THREE FOURTHS

The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4 (C) below, this rounded amount will be my new interest rate until the next change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (C) LIMITS ON INTEREST RATE CHANGES

- (1)  If this box is checked, there will be no maximum limit on changes in the interest rate up or down.  
(2)  If this box is checked, the interest rate I am required to pay at the first Change Date will not be greater than 9.000 % or less than N/A %. Thereafter, the interest rate will not be changed by more than 2.000 percentage points on any Change Date. My interest rate will never be greater than 13.000%, or less than N/A %.

#### (D) EFFECTIVE DATE OF CHANGES

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (E) NOTICE OF CHANGES

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interests or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

#### C. PRIOR LIENS

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

#### D. TRANSFER OF THE PROPERTY

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

## ASSUMPTION RIDER TO MORTGAGE

DATED THE 16TH DAY OF JUNE, 19 94 BETWEEN

**LENDER, LASALLE CRAGIN BANK FSB, AND BORROWER,**

Notwithstanding anything to the contrary contained in the mortgage to which this Rider is attached, Lender and Borrower agree that the loan secured by the mortgage shall be assumable by a Third Party, hereinafter referred to as the transferee, only upon the express conditions as are hereinafter set forth:

1. Transferee completes and submits to Lender a completed application for a loan in the amount of the then outstanding principal balance and Transferee qualifies for a loan in the amount and otherwise complies with Lender's loan criteria.
2. The Lender may in its sole discretion assess to the Transferee a fee in the amount of not more than three percent (3%) of the outstanding principal balance of the loan for and in consideration of allowing Transferee to assume Borrower's loan.
3. Notwithstanding the foregoing, the Transferee and the property must qualify for a loan pursuant to Lender's standard underwriting criteria before Lender shall be obligated to permit assumption of the above described loan.
4. All of the other terms of the above described note and mortgage will remain in full force and effect.
5. The value of subject property must be at least as much at time of assumption as it was when loan was originally made. Such value is to be determined by taking the lesser of the purchase price (if applicable) or appraisal value. The appraised value shall be determined by Lender in its reasonable judgment and by an appraisal performed by an appraiser approved by Lender in its sole discretion. Lender, at its option, may require that the above mentioned appraisal be performed at Borrower's expense, irrespective of any other charges assessed by Lender.

IN WITNESS WHEREOF, Borrower has executed this Rider the 16TH day of JUNE, 19 94.
